Dedication

Mrs. Pauline Irwin
R.N., C.P.H.N.

To Mrs. Pauline C. Irwin, we proudly dedicate this 1962 edition of THE STRIPES. Her loyalty and untiring efforts have inspired us to press ever forward--always extending a helping hand and offering a word of encouragement.

As a symbol of courage, hard work, dedication and devotion, she has won much respect and admiration from both students and personnel, ever reminding us that ideals are like stars; we will not succeed in touching them with our hands, but like the seafaring man on the desert of waters, we choose them as our guides, and following them, we reach our goals.

May the dedication of our 1962 yearbook be one last token of our warm appreciation and heartfelt thanks.
