AGREE OR DISAGREE?

North Surry High School officials and students have been in controversy for quite some time. The subject which has caused so much strife is that of the students and also the amount of hair to be allowed on the male head.

The fashion trend of the last couple of years can be summed up with these two words. -Anything goes. Yes, one are the days of knickers, hooped skirts and veils. Today is the "age of expression". Be yourself or as the "old saying goes, "do your own thing. Everything around us is changing; sometimes the change is so rapid that it's frightening. To keep in step with these changes we must also change. If not we'll be a misfit in our environment, and an alien to our society. We may also be dubbed with that familiar cliché, a has-been.

Of course, there are the few who always go overboard with the fads. The boys whose hair curls up on the ends when it reaches the shoulders and the girls whose skirts show signs of meeting the waistline! The minority usually gets the attention they are begging for and the majority suffers the consequences. Because of these ego-tists or attention-getters, high school students are now limited in their choice of school dress.

Fashion designers, in their efforts to create something new have predicted the downfall of the mini and the creation of the midi. In their protests against lowering the hemline many numbers of the fair sex have declared their intention of keeping their minis and using them as tunics over pants. For all but the extremists, hemlines will probably stop around the knee, and this is agreeable to school administrations.

The problem here is essentially the same as any controversy. When you're right it's hard to understand the other side. Only until each of us can put ourselves into the other fellows shoes can we come to some sort of compromise.

A NEW SCHOOL YEAR

On August, 27 every one awoke with a feeling of expectancy. One could tell that this day was different. Summer was now coming to an end. A new year was beginning. Each person, wanting to make this year the best, says, "This year I'm going to do better than I did last year." The teachers also say that they are going to teach something they forgot last year.

In every student is a stirring of excitement.

ment. First are the eighth graders, who are very proud to be coming to North Surry; yet they're afraid. Everything will be strange to them. The freshmen are a bit afraid, also not knowing what is expected of them. The sophomores are elated because they are no longer freshmen. The juniors are already aroused, thinking of "their" Junior-Senior. And of course this year is a "one and only" for the eighth graders, a year that will bring all the excitement and prestige of being a Senior.

The year 1970 - '71 has made its exciting beginning. Regular routines are now making their way into our lives. By working together, let's make this year at good "ole" North Surry High the best year ever.

SCHOOL SPIRIT

Possibly you've heard it before; and you can be sure of hearing it again. Kirkman needs more school spirit.

What does it take to have good school spirit? It takes something called pride and plenty of it.

High School years are few. Someday they will only be memories. Will you look back ten years from now and say you got everything possible out of high school?

SPORTS

GREYHOUNDS INITIATE FOOTBALL CAMP

In July, the Greyhounds of North Surry started their own football training camp here at North Surry. Even though it was hot, the players stuck with it. The coaches couldn't be there; a state law is that they could not work with the fellows individually, so some of the former Greyhound players and some of the present players headed it. By having the camp the coaches felt that this helped the players during the season.

Fred Jones was the head lineman, and Eddy Beasley the head of the backs. Craig Hiatt, one of our former stars, was overall head of the camp. To prove how hard the players worked to get ready to be a championship team, in 3 days they put 2 players in the hospital, Warren Hiatt with an injured hand, and David Maines sustained injuries to his mouth.

Even though we lost the Mt. Airy game, the hounds won their first conference game against Surry Central, and fans

could tell that the camp had helped all the players.

GREYHOUNDS LOSE TO BEARS, 8-6

Friday, September 4, the Bears came across the river to meet the Greyhounds in their annual gridiron contest. At 8:00 before a crowd of over 3,000 the game got under way.

The Bears scored in the second quarter and the Greyhounds then scored with only a few minutes left in the quarter when Warren Hiatt caught a pass from Bernie Young. The run for the extra point failed. In the third and fourth quarters the teams battled but no points were scored. It was a "tuff" game to lose for the Greyhounds.

COACH CHARLIE'S IMPRESSION OF MT. AIRY GAME

When Coach Charlie was asked about the Mt. Airy game and his feelings about this annual conflict he responded, "I thought it was a very highly spirited game, and it was a lovely evening with North Surry also showing a great need for a field house, P.E. house, practice field, and parking space. I thought the organization of putting on the game was superb. With great determination and hard work, I think that the

Hounds can have a great season. Our condolences to the people that cheered so loudly, and cried so softly." He also said that the Hounds are still young but very strong.

HOUNDS PLUCK EAGLES

Friday, September 11, the Greyhounds of North Surry won over Surry Central in the first conference game of the season.

Early in the game the Eagles fumbled. Jimmy Sumner recovered the fumble. The Greyhounds had to punt. On the next play John McDaniel recovered an Eagle fumble. Later Bernie Young passed to Nick Jarrel for a Greyhound touchdown. The two-point conversion was good, making the score 8-6. With 1:29 left in the 2nd quarter Eddy Beasley got loose for another Greyhound score. The two-point conversion was good, making the score 16-6. In the third quarter the Hounds struck again this time on a pass to Walter Shuff. The extra point failed and the score was 22-6. In the fourth quarter the Hounds struck again, by a pass from Young to Shuff. Jim York kicked, and the final score was 29-6 in favor of the Greyhounds.

NORTH DROPS "TUFF" ONE TO FORBUSH

Friday, Sept. 18, North Surry lost to the Forbush Falcons in a hard fought battle the Falcons came out on top 18-13. Forbush scored in the second quarter, and shortly after, the Greyhounds scored. In the third quarter the Falcons scored again putting them in the lead 7-12. In the fourth quarter both teams scored, leaving the score 13-18.

NORTH LICKS EAST, 22-8

The Hounds got their sucker back when they licked the Rebels of East Surry on Sept. 25. The Greyhounds struck first, an 83-yd. pass from Bernie Young to Eddie Beasley. John McDaniel caught a pass to make the score 8-0. Then in the second quarter the Rebels came back on a 2-yard scamper, making the score 8-8. A pass from Young to Beasley made it 14-8. In the 4th quarter Randall Vernon carried it over

to make it 20-8. The extra point to Nick Jerrell left the score 22-8. The Hounds are now third in Conference standing.

GIRLS ACTIVITY CLUB HOLDS FIRST MEETING

The Girls Activity Club held its first meeting of the school year September 16. The members discussed the constitution of the club and the variety of sports that the club will sponsor this year. The Activity Club has ordered eight ping pong sets and five tack-rail sets to add to our other sports. Intramurals will start on Wednesday after the Homecoming game on October 2. The girls will take up volleyball as their first sport. Don't forget--jackets will be ordered soon for those who would like to have one.

In the recent 1970 Miss Mount Airy Pageant there were four contestants from North Surry, one of which became the new Miss Mount Airy. They were: Sue Monday, Janice Newman, Kathy Dollyhigh, and Penny Nichols, the new queen.

We are proud and honored for the recognition Penny has brought to North Surry. All of us from N. S. H. would like to congratulate Penny, on winning the title of Miss Mount Airy 1970.

NEW COURSES AT N. S. H.

TECHNICAL MATH: A

new course this year at North Surry is Technical Math. It is being taught by Mr. Delmar Hall and only one class of 27 sophomores are enrolled.

The course goes along with the other technical courses such as the mechanics, drafting, and electronics courses. In this class Mr. Hall attempts to expand the reasoning power of the students. Dealing with the unknown, expanding the real number system, graphing and working formulas are also included in this course.

WORLD PROBLEMS is one of the new courses being taught at North Surry this year. This subject is being taught by Mr. John Haynes and is open to seniors only.

This course involves discussing problems which face us in our town and country. No textbook is used in this particular subject. However, much of the discussion material comes from a bi-monthly news magazine, Issues and Answers. Other magazines such as Newsweek and Time are also used.

The 26 students in this 5th period class are enjoying discussing problems such as pollution, war, and also problems which arise in class.

This class helps the students to understand the nation and also gives them a chance to volunteer their solutions for these problems.

LETTER FROM THE STUDENT
COUNCIL PRESIDENT

Dear Students,

I hope everyone has gotten to like North Surry by now. The freshmen should be getting acquainted with high school life by now, and those who are already acquainted with it should be getting in the groove. We should all work together for the improvement of North Surry since we are only as strong as our weakest limb. If there is any way that the Student Council can help any student, feel free to let us know. May this be a prosperous year for everyone at North Surry.

We shall miss Mrs. Bondurant who leaves today to await the visitation of a famous bird!

A young man with shoulder-length hair was standing on a street corner when an elderly woman came up behind him and said, "Excuse me, Miss, could you direct me to-" At this, the young man turned around. On seeing his beard and mustache the woman blushed and apologized.

"Oh, that's all right," he said. "It happens all the time. But, actually," he added, holding up his left hand and pointing to a gold wedding band, "it's Mrs."

The clerk asked the woman buying the drinking trough for her dog if she would like one inscribed :
FOR THE DOG.

"It really doesn't matter," she replied. "My husband doesn't drink water, and the dog can't read."

"Quickly", said the hunter's wife, "my mother's in the tent and a lion just went in there!"

The hunter just sat there cleaning his rifle and said calmly, "The critter will have to look after himself; I can't be responsible for what happens to him."

The auto salesman announced to his son there would soon be a new baby in the house.

"I suppose," said the little fellow, "that means I'll have to be traded in."

It's got to happen one day, shortly after blastoff : "Hello, Mission Control, this is Apollo 17. There's a man here with a gun and he wants to go to Jupiter..."

Shaken up in an auto accident, a New York man is suing the hospital and an emergency-ward nurse who started snipping away his hair so a doctor could stitch his scalp would. His protests were ignored until the nurse finished trimming off most of his expensive toupee.

Two people are sitting in the first restaurant on the moon. "I don't like it much," says one. "Lacks atmosphere."

The longhair of the family, who suddenly had his hair cut, was asked, "How much weight

did you lose in that operation?"

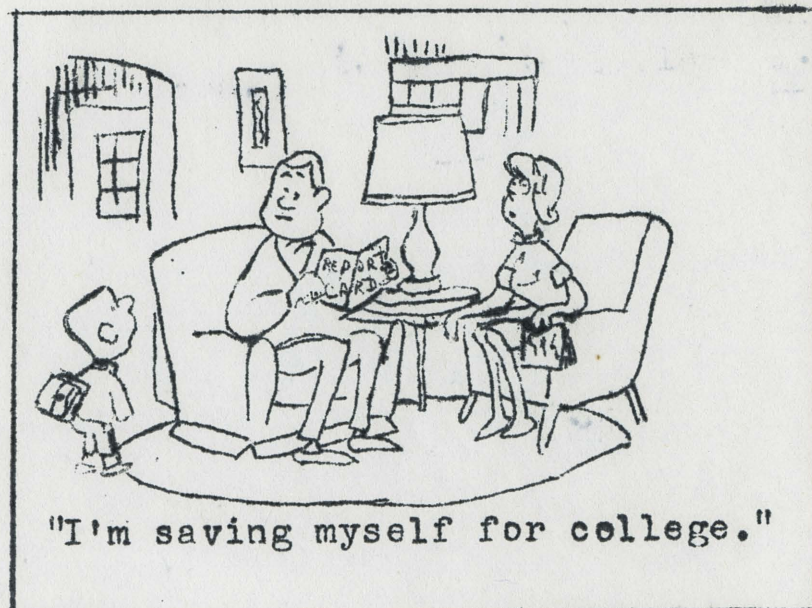

"About 130 pounds," he said.
"I got my mother off my back."

My husband is a TV-western nut-on Sunday it's "Bonanza," Monday "Gunsmoke" Tuesday "Lancer," and so on through the week. I didn't know this was having an effect on our four-year old son until the other night at supper, when he wanted more milk. He banged his fist on the table and yelled, "Bartender!"

A senior was talking about the recent fire in his school. "I knew it was going to happen because we've been practicing for it all year!"

"Don't eat so much," said the father to his spitting image, "you'll make a pig of yourself. Do you know what a pig is?"

"Yes, Daddy," replied the son. "It's a hog's little boy."

LETTER OF EXPLANATION
TO READERS OF THE BARK

The Bark staff wishes to express regrets for the delay of our first issue.

Troubles beset us when the original copy was returned from the Yadkin Valley Regional Multi-Purpose Center in Boonville. The printers there were shorthanded and didn't have time to print our paper. It seems one of the office girls decided to get married.

After we got over the initial shock and moaning and groaning, the boys inked up the mimeograph machine and the typists got to work on the stencils. We had already moved the publishing date up and soon found that this date would have to be changed. The typists, after numerous trips to the typewriters, finally finished the stencils. The mimeograph machine began to roll and, wouldn't you know it, also began to splatter ink! No sooner was this problem solved than the gadget that controls the speed by which the paper is fed into the machine broke. This was last Thursday and the date on the stencils was Friday October 2.

The machine is operable, but at a slower pace, and we finally got our first issue published.

So, after reading your copy of the Bark think of the blood, sweat, and tears that went into the making of it!

In conclusion,
"So you think our news unworthy,
Our editorials junk,
The jokes not very funny
And a sports page that stunk.

This is our personal invitation,
To every one of you,
To come to Room 17
And see what you can do!"

HOMECOMING QUEEN CROWNED
AT HALFTIME CEREMONIES

Everyone always anticipates the homecoming events. This year's events were, as usual well attended and enjoyed by all.

After an exciting first half of the football game with North Stokes, the score 20-0 in our favor, half-time festivities began. The band, along with the majorettes and Dancing Boots marched onto the field and stood at attention while they played a medley of popular songs including "Cherish,".... While the band played, the homecoming court moved onto the field. Mr. Cameron had the honor of introducing the candidate, her sponsor and escort. He then announced the winner, Doreen Fleming, who was crowned by last year's queen, Sheila Parker. The candidates and queen were escorted off the field and the game resumed. The final score was North Surry 35 and North Stokes 0. The evening was climaxed by a dance held in the gymnasium for the student body and their approved outside dates. Decorations were carried out in a mod motif. Music was furnished by the New Americans Combo.

The preceding poem was borrowed from Rodeo, Denver, Colorado.

Sincerely,
The Editors

SPEAKER ON DRUGS VISITS
FAMILY LIVING CLASSES

Officer J. A. Hammons, from the Public Relations Unit of Winston Salem Police Department visited the Family Living classes on Friday, October 2. The topic for discussion was the use and abuse of drugs and narcotics. He related several examples of drug abuse in our area.

Officer Hammons brought and showed many samples of the commonly used drugs and narcotics. Some of these included marijuana, sleeping pills, diet pills, and cough syrup. He also showed an example of alfalfa and farm mixture, which mistakenly taken for marijuana, killed a young teen-age boy. After the discussion he answered any questions about drugs. The talk was enjoyed by everyone.

OPTIMISTS AMONG US

editors who think staff writers will always meet their deadlines.

teachers who think that everything taught is caught.

girls who believe pierced ears will always be in style.

students who think first aid knowledge is unnecessary.

boys who expect to get by without wearing belts.
