Dear George

I have seen Mr Duly and he gave
me permission to enclose a note for you
I am still in Toulbridge as you will see, am
working for Wickham in Everetts old shop but
am going to have a shift on the 13th of this month
I am going to the grammar school they do all
their own work there now and they have some
very good work in hand hope you are all well
and getting on all right I see by our reports
trade has been very bad in America States
I dont suppose you have heard but Mr Martine
Lilias husband is dead he died the 27th Aug
70 she has got 4 kids one is a cripple no
use of one leg one little boy is in the house
for little boys at Tarningham should like
to have a line from you any time several
people have ask me how you were getting on
I dare say Mr Duly has told you all the

news about town was at work up Swan Lane
last week in chusing old house the Wesleyans
have thought that to prevent any one else
building up close to their chapel, because
they would shut out their light. I have
not time to say any more as it is 2 o'clock
and I must be back to work am at work
at the back of Annions the grocers so you
may guess I have got a busy old job.
they keep patching the old places up

I must say Good Bye
and Remember me to all
yours Truly

David Jeffery

I have just seen old Tuggie on
a water cart and he
wished to be remembered
to you all
