

Teachers

It is a real pleasure to write
in your year book. you have meant
a great deal to Beulah School
in many many ways, for this I
feel grateful. It has meant a lot
to me personally to have your
help in a musical way - for this
I say "Thanks." on your way to
higher education and I bid you
Gods Speed. Come back and
visit us at all times
possible - Glenn Robertson (Fessor)

May the future years be happy years.
