Joshua and Polly were living with their daughter Eliza Jones in the 1880 Carroll Co. census. It's possible that they were all living on Joshua's old homeplace. They were in the Pipers Gap district in 1880. (Per Mary Columbine)

Crawford was born about 1779 in Virginia, as a son of the 1858 Caryell Census (Household 4130). The census records also show that his children were born in North Carolina, so it is probably the place from which he moved to Crooked Creek in 1809.

He had a tract of land surveyed on Crooked Creek in 1809 (Grayson, Surveys 1-334) and later bought another 100 acres from Hiram Wills (Grayson, D.B. 4-278). He lived on Crooked Creek probably until the late 1820's or which time he moved to Kane County, Tennessee. He was living in Tennessee at the time he sold both of his Crooked Creek tracts (Grayson, D.B. 6-126; D.B. 7-123).

Sometime during the 1830's he returned to Virginia and in 1850 he is found in the western part of Grayson in the census he had not acquired any more land and it is not clear where he was living. By 1858 he was in the county home he Caryell, aged 80, and the burial death register indicates that he died in 1858 but does not give any more information. He is known to be the father of Handolph Felts and is thought to be the father of Joshua and Jordan Felts as well.

In 1854, just a few years before he died, he made an affidavit that he saw service in the War of 1812 in the same unit with Howell Dean (File # CW 25016, Pension Application of Howell Dean). He would have been in his service at the time he was in North Carolina with the county militia, but there is no record to question his service.

CRAWFORD FELTS
The Settlements by John Alderman

Crawford was born about 1770 in Virginia, according to the 1850 Carroll Census (Household #230). The census records also show that his children were born in North Carolina which is probably the place from which he moved to Crooked Creek in 1809.

He had a tract of land surveyed on Crooked Creek in 1809 (Grayson, Survey 1-354) and later bought another 100 acres from Hiram Wills (Grayson, D.B. 4-138). He lived on Crooked Creek probably until the late 1820's at which time he moved to Knox County, Tennessee. He was living in Tennessee at the time he sold both of his Crooked Creek tracts (Grayson, D.B. 6-128; D.B. 7-123).

Sometime during the 1830's he returned to Virginia and in 1840 he is found in the western district of Grayson in the census; he had not acquired any more land and it is not clear where he was living. By 1850 he was in the county home in Carroll, aged 80, and the local death register indicates that he died in 1858 but does not give any more information. He is known to be the father of Randolph Felts and is thought to be the father of Joshua and Jordan Felts as well.

In 1854, just a few years before he died, he made an affidavit that he saw service in the War of 1812 in the same unit with Howell Dean (File # OW 25016, Pension Application of Howell Dean). He would have been in his forties at the time he went to Norfolk with the county militia, but there is no reason to question his service.

CRAWFORD FELTS

Crawford Felts may have lived in Yadkin Co. in 1790 and 1810 or Warren Co.

The 1850 Carroll Co. census states his children were born in NC which is probably the place from which he moved to Crooked Creek in 1809. (The Settlements by John Alderman)

Crawford Felts had a land grant dated 1809 on Crooked Creek, which was part of Grayson County at that time (now Carroll Co.). His property was only a few miles from Fancy Gap. Crawford had three sons who continued to live in this area. The oldest son Randolph was the father of Theodore Felts. Theodore Felts' son Thomas was one of the first Felts to live in the Fancy Gap section. (The Felts-Melton Family Newsletter)

Per Mary Columbine, Crawford Felts was in Carroll Co. in 1809. He was shown on land grants. She thinks Crawford Felts' land was about where the Crooked Creek Primitive Baptist Church is located but across the road. On page 207 of John Alderman's "Settlements" book, Crawford was between Joseph Ballard and William Bourn and his land joined John Jones. The 100 acres he later bought from John Jones' son-in-law Hiram Wills was most likely nearby because Hiram bought land there. It was the old Duncan grant and John Jones and Samuel Logan bought it. Hiram later bought part of it. The Bourn and Ballard land was formerly Stanley's land as noted on Crawford's land transactions.

Hiram Wills had 100 acres on Crooked Creek in 1815 (page 402). Crawford's land joined Aaron Riter but Aaron sold the land to Hiram Wills, then after 1815 Hiram sold it to Crawford.

Levi Burcham was a neighbor also (page 207). Levi and several of his children are buried at the Crooked Creek Primitive Baptist Cemetery. He died in 1854, most likely this was part of his farm. An Isaac J. Burcham gave the land for the cemetery. Jordon Felts' daughter married a Burcham and they are buried there. Crawford's land was east of the Burchams. Jordan and Ira Felts are buried there also.

On the Crooked Creek Fishing area map Crawford's land was southeast of Chisel Knob. Levi Burcham lived just to the south of Chisel Knob. Stanly owned two tracts of land so not sure which one Crawford referred to but it was Joseph Ballard's or William Bourn's that they bought.

Crawford Felts may be buried in an unmarked grave at the Crooked Creek Cemetery but could possibly be buried at the Pauper Cemetery near Hillsville and the County Home.

Crawford Felts applied for a military pension stating he was in the war of 1812.

He lived at Crooked Creek (VA) until the late 1820s when he moved to Knox Co., TN. He returned to Virginia sometime in the 1830s and in 1840 he is in the western district of Grayson Co. In 1850 he was in the county home. He was 80 years old. It is believed he was there about eight years. Could he have been buried in the Pauper Cemetery?

Crawford Felts' death date of 1858 in Carroll Co., VA is per John Alderman. (the local death register)
