Keep us, oh God, from pettiness;
 let us be large in thought, in word, in deed,

Let us be done with fault-finding
 and leave off self-seeking.

A Collect

May we put away all pretense and meet each other face to face
 without self-pity and without prejudice.

May we never be hasty in judgment
 and always generous.

For

Let us take time for all things;
 make us to grow calm, serene, gentle.

Club Women

Teach us to put into action our better impulses,
 straightforward, and unafraid.

Grant that we may realize it is the little things that create differences,
 that in the big things of life we are at one.

And may we strive to touch and to know the great,
 common human heart of us all,
 and, oh Lord God, let us forget not to be kind!

*Death is just a natural thing, Like the closing of a door.
As we start upon a journey, To a new and distant shore...
So let your grief be softened, and yield not to despair —
You have only placed your loved one, In the loving Father's care.*

SUMMARY

OF

CLUB

ACTIVITIES

Surry County Extension Homemakers

October 24, 1995

BEULAH

19 (Active)

The Beulah Club has had another active and busy year. Members had eight meetings at Colonial Rest Home and taught a different craft each time. Residents always enjoyed the games. Members took magazines for them to read. The club continued with the adopted family and provided meals, clothes and toys. One of the girls was spelling champion at Beulah and the club gave her a monetary reward. Some of our members were active with 4-H projects this summer. Thanksgiving baskets were fixed for (26) sick and elderly people the community. Several members worked (3) days at the fair.

It was a sad year, as we lost (2) of our most-faithful and dear members.

BUSY BEES

15 (Active)

The Busy Bees Club sponsors a Life-Line each month for a lady who is financially unable to do this. The club also sponsored foster children during the holidays. Members also volunteered their time to the Surry County fair. Many other volunteer projects were carried out during the year by several club members.

COPELAND

19 (Active); 1 (Honorary)

The Copeland Club has sponsored (2) projects this year, supplied Vial of Life for a visually impaired class and served a meal for the Handicamp.

The club donated money for Project Graduation, RIF Giveaway at Copeland Elementary School, paid for (2) Copeland students to go to the circus and paid for one-half the insurance on the local community building.

Club members taught (2) workshops on making baskets. One for club members and one for non-club members.

Members also helped with (2) bloodmobiles, sold sonkers at the Berry Festival and had (2) clean-up days at the club building.

DOBSON EARLY BIRDS

14 (Active)

The Dobson Early Birds made (3) fidget aprons. Members made many small sock dolls to give to children in the hospital. Some members were very active with bloodmobiles, others collected stamps and Christmas cards for Veterans. One member knits caps for children cancer patients.

FRANKLIN

10 (Active)

The Franklin Club continues to provide monthly programming at two local rest homes (Continuing Care and Silver Chimes). A variety of craft demonstrations have been taught to residents. Club members also provide supplies for these crafts.

Members participated in the Fidget Apron project once again. These aprons were donated to area rest homes for their Alzheimer and dementia patients.

Club members continue to donate their time to the area Red Cross by furnishing and serving refreshments at local bloodmobiles.

GOOD NEIGHBOR

12 (Active)

Good Neighbor Club members enjoyed another good year of club and community work. A highlight of the year was the club's educational tour to Pilot Mountain State Park with an old-fashioned family picnic followed by a visit to the farm of the president and her husband where members and children alike enjoyed the menagerie of animals, including miniature horses and a llama.

The group contributed magazines and book throughout the year for Surry's "County of Readers" coalition. Major clothing items and school supplies were purchased for a child in a local elementary school. New toys were contributed to the Salvation Army for distribution at Christmas, and monetary contributions were given to several organizations, including the new Mt. Airy Museum of Regional History. Club members contributed food items to the annual Boy Scouts food drive and sponsored a birthday party at a local rest home.

One club member serves on the Surry Ag Advisory Council and one member serves as a county council officer. Two members participated in the Christmas bazaar and several assisted with the Ag Center Christmas open house.

Several club members attended a play at Barter Theater in Abingdon and others visited the workshop of tinsmith Peter Bloom near Dobson.

All members are active in their separate communities in both church and school activities and strive to be the "good neighbors" that their club name implies.

HOLLY SPRINGS

13 (Active)

The Holly Springs Club members participated in the rest home birthday party and served refreshments to residents.

Members labeled and postaged the newsletter for mailing by the Extension Office. Members also participated in the Berry Festival.

Food was donated for the annual Red Cross Volunteer Appreciation Banquet, local bloodmobiles, and the Food Pantry in Dobson. Members participated in many Extension sponsored events.

LAZY DAISIES

16 (Active)

The Lazy Daisies held a birthday party in October for residents of Highway 601 Rest Home. The Christmas meeting was in Winston Salem where members toured and had lunch at the Triad Methodist Home. During the summer, the club toured Replacements Ltd. in Greensboro. In September, we donated (50) glass cups and (50) glass plates to the Red Cross. Many of our group volunteers with the Red Cross, Northern Hospital, or as tutors in local schools and several helped at the Surry County fair. Members support a Life Line participant and continue to have informative meetings on pertinent issues in the community.

LONG HILL

13 (Active)

In October, the Long Hill Club has their annual Autumn Sale. In November, members look forward to the cookie exchange and delivering fruit baskets to the sick and shut-in. Club members also look forward to the visit to Mountain View Rest Home. Residents enjoy our visit so much. The club participated in the "Give-A-Kid-A-Coat" drive. Two people were sponsored at the Dialysis Center. Christmas and Easter parties were given for children in the community. A successful event that all members look forward to is the Berry Festival in July.

NORTH ELKIN

18 (Active)

The North Elkin Club is involved with a local bazaar. Members are instrumental in organizing this event each year. The club uses monies to support other projects and donations to worthy causes.

POPLAR SPRINGS

4 (Active)

For years, the Poplar Springs Club has been the smallest in the county, however the club has been called the "workingest club". On February 21st, death claimed another of the club's most precious members, bringing their number down to (4). Members are still trying their best to remain a club. One of the members made (12) quilts last year. The club has one member on Life Line support and donations were made to the program in honor of the deceased member. The main project is being part of the hospital auxiliary and making knitted or crocheted caps for newborn babies, which members do each year. When a club member is sick, other members hold meetings at their home in order to assist in getting perfect attendance.

ROCKFORD

10 (Active); 1 (Lifetime)

The Rockford Club members participate in the roadside cleanup program "Adopt-a-Highway" each year. Club members are participating in a birthday party at Central Care.

Club members are also very active in other various projects throughout the year. Two members are very actively involved with a 4-H group in the local community.

SALEM FORK

9 (Active)

Salem Fork Club has had (2) major projects this year. One is the promotion of reading (and conversation) by continually collecting magazines and giving them to the jail, public library, and Surry Community College. The magazines provide the inmates, college students and the public with quality reading materials.

The second project of Salem Fork is the collecting of stamps to help hospitalized Veterans in VA hospitals through the organization "Stamps for Veterans". Stamp collecting is an interesting and beneficial hobby to the veterans unable to leave.

In addition, the club sponsored a roadside clean-up in April. We have also donated many Christmas cards.

SHOALS

11 (Active); 1 (Honorary)

The Shoals Club continues to serve their community in various ways and have gained valuable information from the Extension Service. Members have enjoyed the good programs and workshops offered this year. They also try to share these with members of the local community by offering craft workshops.

The club supports the Adopt-a-Highway program, sponsors a yearly bloodmobile, and gives birthday parties to a local nursing home. Members also participate in the Berry Festival and a local Handicamp. Members collected stamps for veterans, donated books to local newborns, and donated magazines to the underprivileged.

SILOAM

19 (Active); 3 (Honorary)

The Siloam Club members participate in many community events, such as the Fourth of July Fun Day celebration and the Adopt-a-Highway program each year. Members continue to support activities in the local elementary schools.

Club members also honored recent high school graduates within the community, provided funds for GED and scholarship programs at Surry Community College, as well as honoring senior citizens in their community with a luncheon.

The club also participated in the Berry Festival by selling sonkers.

WHITE SULPHUR SPRINGS 10 (Active); 2 (Honorary); 1 (Associate)

Some of the White Sulphur Springs Club projects carry over from year to year. These include rest home parties and involvement with the county fair, such as entering exhibits, accepting flowers and preparing an educational booth.

Members support 4-H, do crafts with school children and prepare food baskets for those less fortunate.

Working in harmony with other organizations for the good of all, members have dressed bears and dolls, wrapped gifts, packaged foods and prepared displays. Each one is active in their own church, school or organization such as the Salvation Army.

To support the many projects, club members hold yard and bake sales.

Members are continuing to collect stamps for veterans in hospitals.

AMERICA THE BEAUTIFUL

*O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea.*

*O beautiful for patriot dream,
That sees, beyond the years,
Thine alabaster cities gleam,
Undimmed by human tears!
America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea.*

CAROLINA IN THE MORNING

*Nothing could be finer than to be in
Carolina In The Morning,
No one could be sweeter than my
sweetie when I meet him in the
morning.
Where the morning glories Twine
around the door,
Whispering pretty stories I long to
hear once more.
Strolling with my fellow where the dew
is pearly early in the morning,
Butterflies all flutter up and kiss each
little buttercup at dawning,
If I had Aladdin's lamp for only a day,
I'd make a wish and here's what I'd say:
Nothing could be finer than to be in Carolina In The Morning.*
