

Picture - Cornith School Building.

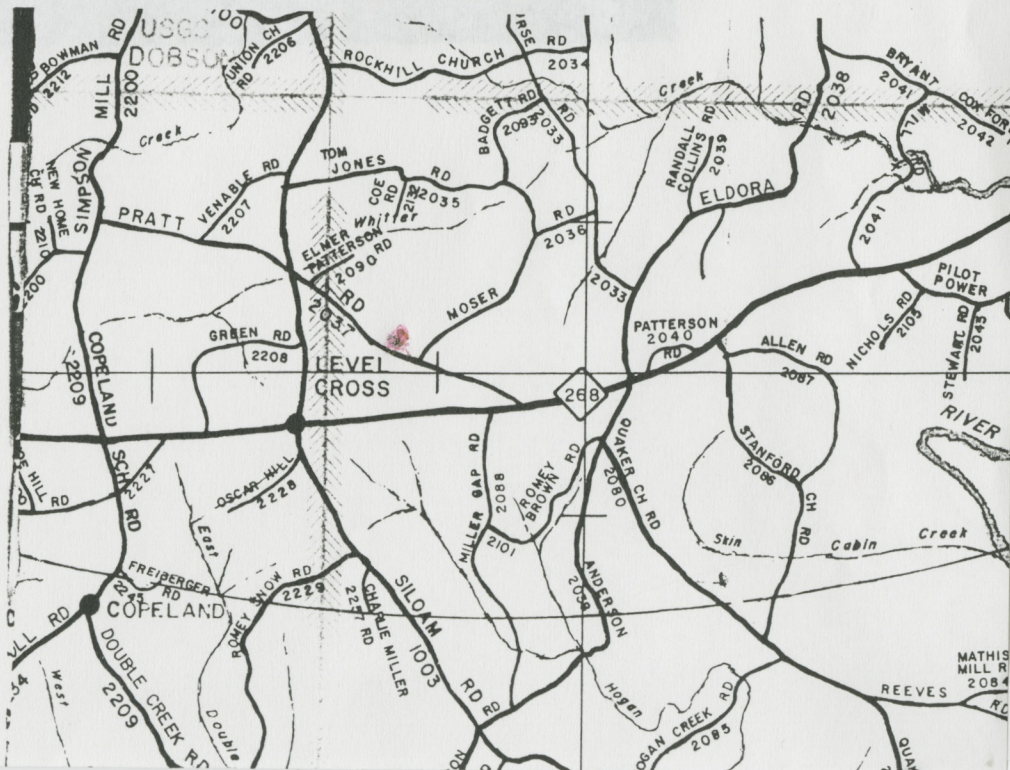

The last and the third Cornith School Building in Eldora Township, Pratt Road, was on the approximate site of the red dot on the map.

The third building on the site only in existence a few years and burned about 1924 a school bus can be seen in the back of the picture.

A Cornith Church, probably Baptist, is on the site now with a cemetery. The land for the church was donated by Mrs Dock (Molly) Key and surrounding land is owned by her grandson, and wife, Kip and Kim Danley.

I visited the site in

probably Sept. 1924. It was a cemetery, which was donated and surrounded by a grandson, Bailey.
