

The Dobson Woman's Club  
Dobson, North Carolina 27017

September 23, 1998

Dear club member,

Our upcoming October 8 meeting of the Dobson Womans Club could prove to be the most important one of this club year!

Invitations to "come see what the Dobson Womans Club is all about" have been sent to each of the persons on the enclosed list. Of course, we do not expect a 100% response, but do hope that quite a few will accept the invitation and that- as a result- we will add several new names to our membership roll.

YOU CAN HELP MAKE THIS HAPPEN!

- (1) MAKE AN EXTRA EFFORT TO ATTEND THIS MEETING YOURSELF.  
If you simply cannot make it that evening, PLEASE notify one of the following persons: Mary Margaret (386-4228), Carolyn Comer (386-8794) or Glenna Lanier (366-4550)
- (2) Issue your own personal invitation to those on the list that you know and urge them to come. Let them know that attending will not put them under any obligation to join at this time.
- (3) At the meeting, introduce yourself to at least a few of the guests and try to seat yourself so that there is a mixture of members and guests at each table.

As I said at the September meeting, my goal as president is to see our club grow. Please help make this happen!

Sincerely,

*Mary Margaret*  
Mary Margaret Hothem  
President

P.S. Don't forget to send you "regrets" if it is impossible for you to attend. These are needed by October 1 to enable the caterer to prepare our meals. We will follow the pattern of "regrets only" for the club year (unless you have guests you wish to bring). Your cooperation will mean that we will not have to pay for more meals than are eaten.

PPS. The above applies to Associate members also.
