Foreword

We, the annual staff of "The Knob Whispers," present this year book in the hope that the knob will whisper echoes and reflexions which will in turn bring pleasant memories of the past and of the school year 1947-48 to the students of Pilot Mountain School.

DEDICATION

This volume of "The Knob Whispers" is dedicated to Walter M. Matthews by that high school generation which has known him as Chairman of the School Board for eleven consecutive years, and as an unfailing laborer, striving for the betterment of Pilot Mountain High School. By this dedication we, the Senior Class of 1940, express our affectionate gratitude to a student, comrade and leader, and our confident hopes for our Alma Mater under his guidance.

ADMINISTRATION

MR. G. R. MOTSINGER

Mr. G. R. Motsinger, principal of the Pilot Mountain School for the past five years, was graduated from the Liberty Piedmont Institute at Mallburg, N. C. in 1923. In 1927 he received a B. S. degree from Wake Forest College, where he was outstanding in athletics.

Many students know him as an inspiring person, but many others know him as a sympathetic friend. He is never too busy to give of his time and interest to anyone who needs his help or advice. Mr. Motsinger has shown his gift of infinite patience and, at the same time, of untiring perserverance throughout his years here. Mr. Motsinger has exemplified the word school in such an impressive way that he will never be forgotten by the students of Pilot Mountain School. So to Mr. G. R. Motsinger, teacher, friend, and leader, we offer our appreciation for your guidance.

HISTORY OF THE JUNIOR CLASS

In 1937 a group of boys and girls started on the road of knowledge. First,we were vaccinated to safeguard ourselves from smallpox. Then we entered into the first grade class of Miss Lela Gordon, under whom we began the studies of the three R's-reading,'riting,and 'rithmetic. Being eager children,we quickly grasped the desired knowledge and passed on to the second grade. There we gained learning.

The third grade brought somewhat harder lessons, and the fourth grade brought those dreaded examinations. Also,this grade brought book reports which have stayed with us ever since.

The next several years were uneventful; that is, no great changes were made.

We were delighted when,in May,1945,we received those precious papers called diplomas which stated that we had satisfactorily passed our elementary school work and that we could now enter high school. The ninth grade was our first real year of high school.Our class, somewhat smaller than it had been in 1937, finally became accustomed to having several teachers and to changing classes. During our first high school year,Carole Key was president of the class.Activities became more numerous and subjects,of course,became more difficult, but we managed to pass with, shall we say, flying colors.

The year 1946-47 found us in the tenth grade with Glenna Fulk as president. We felt very important, because we could now say we were taking algebra, not just plain arithmetic.

At the present we are busy juniors.We presented a well-liked three act,mystery play,"The Zombie",in January. We do not believe in all work and no play;therefore,we have managed to have a few social gatherings. Next year we'll be Seniors. What we will be in 1950 we cannot say,but we are sure that our reflections of our school days will be happy ones.

ATHLETICS

GIRLS BASKETBALL

The town,the school,and basketball fans are proud that its girl's team has come through the season once again victorious. We are hoping that the future will bring other winning teams. This year our girl's had a 17-8 record and proved to be one of the best teams in the northwest as they upset many of the outstanding teams.
First Row:Sudie Stephens, Clara Sams,Betty Bennett,Doris Inman, Carole Key, Jackie Sams; Second Row: Peggy Blizzard,Janie Simmons,Mary Jones, Sally Simmons;Third Row: Carolyn O'brien, Bonnie Bell Venable.

Boys Basketball

Basketball still remains the number one sport of Pilot Mountain High. Baseball and track are also a part of the school's activites,but they soon give way to the coming of winter and basketball. This year Coach Dick Lawson proved his coaching abilities as he skippered a young team to 17-10 record, and runner-up in the Surry County Tournament.
First Row: Charles Fowler,Norman Gordon,Carl Brinkley;Second Row:Edward Swanson, Roger Needham; Third Row:Buddy Simmons,Curtis Needham,John R. Truelove; Fourth Row: Raymond Nelson,Taylor Inman;Fifth Row:Ray Motsinger.

Elementary

The elementary department holds an important position in any evaluation of the Pilot Mountain School.

We have an enrollment of 702 pupils instructed by 17 teachers.These teachers,alert,well-trained and efficient,use every available means to develop each child to the limit of his possibilities.

To aid in this program,the school has met all requirements for standardization. As a result, we have a central library located near the front entrance in the old building. On the shelves are 2500 books all classified according to the Dewey Decimal System. In addition to this, there are five sets of standard reference books, a minimum of four sets of supplementary readers. Each year we discard badly worn books, and those which contain obsolete material. On the other hand, we purchase yearly about $300 worth of books from the North Carolina approved list.

The school also owns a combination radio and record player, three dozen records and two albums. We have a national movie projector and some educational films.

With the above mentioned facts and figures in mind, does one ask why we point with pride to the elementary department of our school.
