OUR PLEDGE

"I pledge my loyalty to the Junior Club Women,
By doing better than ever before what work
I have to do;
By being prompt, honest, courteous;
By living each day, trying to accomplish
something, not merely to exist."

OUR MOTTO

"THE UNION OF ALL FOR THE GOOD OF ALL."

PRESIDENT'S REPORT:

Jean George, Helen Inman, Edith Calloway and your President attended the District Meeting of the Federation on Monday in Elkin. We listened to reports from 24 clubs, both Senior and Junior and were so proud of our Club. Our activities for the past year measured up to any of the Clubs whether large or small.

We were pleasantly surprised when our Club was awarded a gift of \$5.00 for being a 100% Club. This means that we participated in all required programs of the State Federation.

Mrs. Ed Anderson, State President was present and made an inspiring talk on "Marshaling Our Resources for Peace and Security" which is the theme to be used this year by clubs. We enjoyed the meeting and came home with a better spirit of Club fellowship.

November has been selected by the State Federation as State Headquarters month. Each Club member in N. C. is asked to give \$1.00 during this month toward building a home for our Federation. The building can be completed if every Club member does her share.

All Committee Chairmen are urged to turn in reports to Lucy on Monday before the regular dinner meeting each month. Any other news about members will be appreciated as we want the bulletin to be interesting and informative.

PROJECT

WILL YOU GIVE A BABY A CHANCE?

Again, we have joined hands with the Children's Home Society of North Carolina, which is the chosen project of the Junior's in the North Carolina Federation of Women's Clubs.

This splendid Society, which is located in Greensboro, cares for homeless babies and places them in adoptive homes. We as part of the North Carolina Federation of Women's Clubs want to do our part in lending them a helping hand.

Those of us who have visited the Children's Home, have seen and cuddled these tiny, adorable babies, and have talked with the splendid staff of workers realize that there is no better cause than helping these helpless creatures.

The Society is supported solely by voluntary contributions and we, as clubwomen can help by securing memberships, from our friends and neighbors, to the Children's Home Society.

Memberships are \$5.00 and up--although any amount is welcomed.

Turn your money and name and address of contributors to Margaret Francisco, Assistant Treasurer or to me.

Each \$5.00 collected gives you one project point.

Let us hear from you soon. Call me if you cannot secure your memberships, and I will be glad to give you some names to contact.

WAYS AND MEANS

CHRISTMAS DECORATING:

On December 7th, the Club is bringing Mrs. Weller, of Norfolk here to give two lectures on Christmas Decorations. Tickets will be \$1.00 for one lecture or \$1.50 for both. We hope to make some money for the Club in addition to bringing a very nice thing to Mt Airy.

There will be quite a lot of work to be done in putting this over, but there are committees to do the work.

Members will receive Club Points for helping with this project.

HALLOWEEN PROJECT:

Everything is well under way for the Halloween Festival to be held Tuesday October 31st.

The Woman's Club is in charge of the Window Painting Contest. Lucille Vaughn is Chairman, and is trying to map out the work, so that every girl will have something to do. Don't forget that this work counts as project points.

Lib Perkins is publicity chairman, and is really doing a fine job.

When you are asked--do your share in this project, work and work hard because this work will mean a good deal to our Club.
