

# Meeting Thursday, Aug. 17 To Plan Madoc Center Schedule

A meeting will be held Thursday, Aug. 28, at 7 p. m. at Madoc Center, Virginia St., to plan activities and programs at the center.

All interested adults and children are invited to attend the meeting and help formulate the programs they would like to have at the center.

An official of the Surry Section, National Council of Negro Women, which is sponsoring the session, noted, "We have already had some programs at the center...We hope the children, parents and other adults will come out and participate in the meeting."

Planned programs had been scheduled at Madoc Center earlier this summer. However, because of the hot weather, and the lack of fans or any cooling system at the center, some of the activities and programs did not take place.

However, events did begin Monday, Aug. 25, when a study period for children was held from 6:30 until 7:30 p. m. Teachers had been contacted about tutoring children.

The Surry Section spokesman said, "We do need adults who are willing to spend some time at the center, in order to open it up every day."

"Rules and regulations will have to be observed," she continued. "We will not allow fighting, profanity or drinking of alcoholic beverages. Operating hours will be served and the building, with the help of the Mount Airy Housing Authority, will be kept clean."

### RECOGNITION GIVEN

Among those receiving recognition for their service in the Timberlake Community recently were Mrs. Marie Ceasar and daughter, Mrs. Geraldine, who attend the meetings provide assistance when called for. Those receiving certificates were Jean Pilson, Cleveland Moore,
