V PUBLIC MEDIA NORTH CAROLINA

This is **your** yearbook. It is a record of **treasured memories.** It is a priceless keepsake that cannot be replaced. It will last a lifetime if treated with care. Handle it as you would any other new book. **Open** it first down the center and press gently with the palm of your hands. Then begin to open it to other places following the same procedure, until you have opened every page, from cover to cover. This will avoid undue strain on the binding.

Do not store your book close to extreme heat, such as a radiator or heat duct. **Do not** leave it lying in the hot sun; it is fresh off the press and must have time to cure thoroughly before it is handled too much. **Avoid** getting it wet. Paper will soak up water.

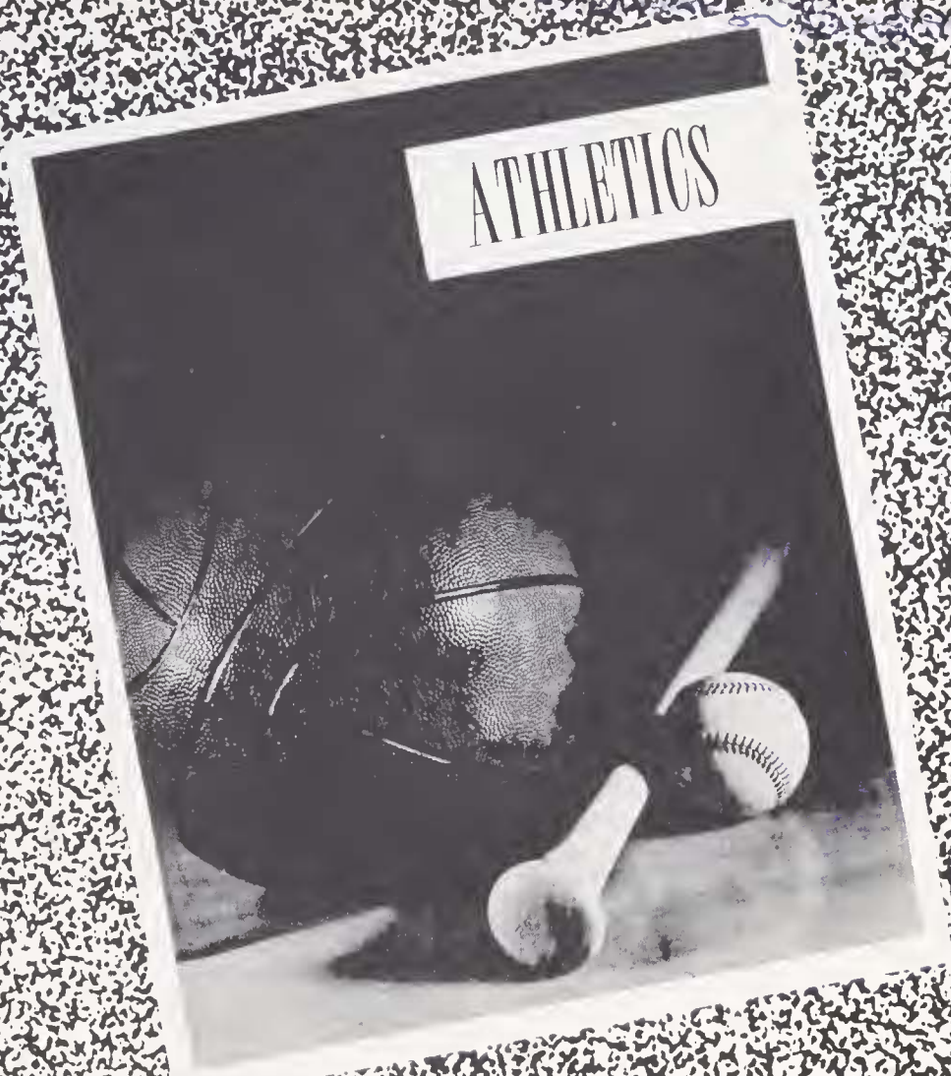

Any abuse will damage your book. Careful observance of these instructions will help to make your book a lasting record of happy memories. Good luck!

THE KNOB WHISPERS

1960

PUBLISHED BY THE SENIOR CLASS

PILOT MOUNTAIN HIGH SCHOOL

Pilot Mountain, North Carolina

CO-EDITORS
Jeannette Boyles and Faye Armstrong

We, the seniors, should like to express our appreciation to our principal, teachers, and parents. Our years in school and our future in all fields of life are influenced by you and to you we are deeply grateful.

The Editors

DEDICATION

Memories we shall carry with us when we graduate--memories of our years at Pilot Mountain High School and of the friends we have made. There is one whom we will ever remember; one who shows genuine interest in her students, and who by her Christian example guides us towards more useful citizenship. Her insight, guidance, understanding, and enthusiasm have made her a friend to us all.

We, the seniors of Pilot Mountain High School, gratefully dedicate the 1960 edition of Knob Whispers to MRS. EDITH C. HILL.
