Mrs. Betty J. Camin,
3123 Childers Street,
Raleigh, N. C. 27612.

Dear Mrs. Camin:

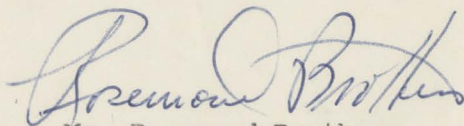

I am writing to see if you would do some Genealogical research for me. I have checked my ancestors back to one of my Great Grandfathers, named Cornelious Brothers who died in November 1803 in Washington County, Ky. I think he^s part of the Brothers' in North Carolina.

There are 8 wills listed for Brothers in the "Abstract of North Carolina Wills by Grimes 1690-1760, Index 451, Pages, 50, 69, 162, 245, 283, 359, 10 and 83. I have page 50 and want the rest.

Please let me know if you will do some research for me and when you can start and what your fees are.

Thank you,

Sincerely,

Mr. Rosemond Brothers,
1844 South Brandon St.,
Westland, Michigan.

P. S. Enclosed please find a Stamped, Self-addressed envelope for your convenience.

Dear Mr. Brothers,

I will be glad to do some research on the Brothers for you. My fee is 6.00 per hour and I can start any time.

Copies of the Wills cost from ~~two~~ to four dollars on the average. Can't tell you exactly without making a trip to the Archives. If there are that many entries in Grimes, there will be more listed under the counties for the period after 1760.

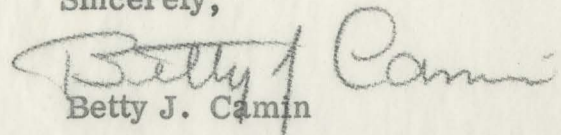

Would start with the 1790 census to locate the counties with Brothers - Then go to the county records and check marriage records and wills. Also probate.

Need to know just how extensive a search you would wish. All or nearly all of the existing county records are available to us here in Raleigh.

Do you have the name of Cornelious Brothers wife? Do you know his age at death. Perhaps he will show in the '83/85 census index. That would help locate the county.

Best of luck in your search.

Sincerely,

Betty J. Camin

Dear Mr Brothers

Spent the morning trying to find
Jeremiah etc. Finally had bright idea
& looked up the 1850 census of Geo. Brothers
Knox Co., Ind. age 65 born Va
1850-65 - 1885 birth year.

I believe the Brothers families
arrived in Ky some time after 1785
and that when the census was taken
he meant Virginia, not old Ky.

Strongly suggest you hire someone
in Richmond to search all the Brothers
Wills, Probate Records & Property Deeds in
Hanover Co & the independent city
of Suffolk before going any further
here in N.C. (Really doubt if you
wish to pay me \$7 per hr for 3 hrs up
& 3 hrs back plus \$6 on research time!)

My feeling is that we have 2 or 3
brothers going to Ky together - w/families, or
possibly a father & sons Corn., Jere., & George
Am sure the N.C. & Va families are related
back

Write Va Library & ask if they have
a land grant in the name of Brothers →
& how much for copy. That would give
arrival date in Va. - more or less!

(over)

in Hanover Co.

2
The clerk in the search room said
he did not think I would find any more
info on the Rev. War Records here than
what you have. Anyway, am not
going further until we find out about
Va.

It is entirely possible the group is
from N.C. but, I hesitate using
any more time until Va is ruled in
or out!

* Va. will send you a form to fill
out + amt. due + you return it. Also
ask for list of Richmond researchers!

Would be happy to continue, but,
don't think that would be fair to you
— at least until Va. is done.

Sincerely,

Betty / Camm

Dear Mr. Brothers,

Most unhappy to report that I have found no record of Cornelius Brothers in any of the records that I have checked thus far.

There are only Brothers families in two counties in the 1784/87 N.C. census. Pasquotank and Caswell. If Cornelius children were born prior to the 1790 census there are five households in Pasq. Co. large enough to contain the family. 1786 census of Caswell lists 1 male under 21 and over 60 and 1 male between 21 and 60 and 5 females.

In Nansemond Co., Va. there are also 2 households in 1783

John	7 white soals	8 blacks
William	7	3
1784 shows		
Sarah	7	1 dwelling and 2 other bldgs.
William	8	2 dwellings and 2 other buildings

The Vestry Book of the Upper Parish of Nansemond Co. (Suffolk) mentions a John, Richard and William. The references were all in regard to property lines.

Very strongly feel that this county should be checked more closely than I can here in Raleigh.

Rev. War Records - Found John Brothers, b. 1755 in N.C., d. in 1820 in Kentucky, Married Lydia Berry in 1784. She b. 1760 and d. 1818. Pvt. in the 5th South Carolina Regiment. Children; William, Elsie, Elizabeth and Kiziah. Others unknown.

Pasq. Co. Estate Records 1712 - 1831 (N.C. Archives CR 075 508.14 shows 8 Brothers estate records prior to 1800, but, no C.B.

Granville History shows no M R and Guilford Co records start in 1800.

Because I John B. showed in Rowan Co, checked the MR. -0-

There was a Mathew Brothers who served in the Rev. War from Pa. (DAR Patriot List 1966). You might consider Pa. Remember that Lincolms father was from somewhere in the ~~mount~~theast ~~somewhere~~ and settled in Ky.

Chowan Co N.C. Abstract of Deeds 1695-1723 by Hofman - #435 Richard Brothers granted a Power of Atty and also witnessed 2 property deeds. Found nothing further in that county.

If you wish to have me continue there are several things that might help.

Do you have the original C.B. Ky. property deed? Ky sometimes followed the Va. custom of naming the purchasers home co. and state.

Marriage dates on any of Corn. children would help - from this we could guess the approximate birth date and possibly use the census to better advantage.

Do you know if any of the children lived until 1850. The 1850 c asks for birthplace and that would at least show the state.

During the late 1700 and early 1800 the east coast was rather like an ant hill. This part of the country was flowing through the Cumberland Gap as if it were a four lane super highway. Apparently because of the movement many people were missed on the census.

Could Cornelius Brothers have been old enough that his son John could have been the Rev. Vet.? The wifes name is incorrect and the will lists Johns son as Cornelius Jr. which didn't show in the war record. Would still find out what part of Ky John the Rev. Vet. lived.

I have not listed all the records I have checked, let's leave it that I have done all of the M.R., Wills and Estate Records in the two counties plus the adjacent counties. There are still many many items that could be looked into such as court records, but, I have given you 12 hours plus my other expenses for the \$36. Frustration does bad things to me. Just cannot believe C.B. doesn't show.

Perhaps you can get someone to check at Richmond or Suffolk on the N.C. families. Don't believe you would wish to pay me \$7 per hour to drive to Richmond and back.

Had left your letter at home the day I ordered the two wills so when they come I will send them along at my expense as your letter did not order them.

Would you like me to check the national census index and see if C.B. shows there?

Have enjoyed the search and am truly sorry it was so unproductive.

Sincerely,

Wm F. A. Camin

Mrs. E. A. Camin,
3123 Childers St.,
Raleigh, North Carolina

Dear Mrs. Camin:

Received you letter and data and was very happy with what you were able to find out. Sorry I have been so long in answering but I was waiting for some data from Ky. so I could send it to you for further research.

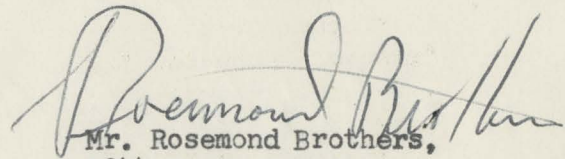

I am sending you a chart on CORNELIOUS & JEREMIAH BROTHERS, listing all I know on them at this time. I Am not sure that Cornelious is Jeremiah's father as you will see when you read the will of Cornelious, (Copy enclosed). Cornelious mentions a Jeremiah and a George, but does not state exactly that Jeremiah and George are his sons.

Let's forget CORNELIOUS for now, and concentrate on JEREMIAH.. I know for sure that Jeremiah is my great-great-grandfather. JEREMIAH was a Capt. in the military in 1800. (Please check enclosed sheet). Let's check JEREMIAH's enlistment record; this should give his birth date & place and maybe his children; a SAMUEL. On the enclosed sheet also there are other Brothers' listed; let's check the enlistment record on all of them; maybe one will mention a JEREMIAH OR CORNELIOUS and may answer some other questions.

I don't know what your fee will be to research this for me; but I will send you a check by return mail as soon as you let me know.

Thank you,

Sincerely,

Mr. Rosemond Brothers,

* On the Nansemond Co. 1750c. following Elizabeth's age + sex is written N. C. - leading me to think she might have been a sister or someone related who was a resident of N. C. It does show that there was a connection between the Bro. of the 2 states.

Mrs. Betty J. Camin

Dear Mrs. Camin.

Received your letter in answer to my letter and have decided to have you do some research for me. I have completed all research in Indiana and Kentucky and everything points to research needed in North Carolina and maybe in Va.

I have enclosed a chart showing all the information I have to this point. As you will see, research is now needed starting with the year 1790 and prior to the year of 1790. I can fill in all the gaps from Cemetery Records, Marriage and birth records in Ky. and Ind. myself.

I am not interested in obtaining data on sons or daughters or brothers and sisters of my ancestors. I want data on my direct decendents only. I would like to trace my grand-parents back to the old country, if this does not cost more than I can afford. If I can get this data I can visit these places and try to fill in the gaps of information I might want later.

I mentioned in my letter, wills by Grimes. The reason I did is I have copies of page 50, Index 451 that shows wills for a William Brothers who died in Pasquotank Precinct, N. C. in 1711 and ^{willed} part of his land to his son John. This John died in Pasquotank Precinct, N. C. in 1735 willed his land to his sons: Joseph (200 Acres, Kirks Plantation) William (150 Acres) John (100 Acres, north-side of Gum Pole Swamp) Samuel (129 acres). Grandsons; Thomas Richard and Samuel were also mentioned.

One of these sons or grandsons of John could be the father or grandfather of Coronelious, who I have listed on the enclosed chart.

I hope I have given you enough data to get started. Enclosed here-with please find a check for \$36.00 for 6 hrs research. If we find that we are making progress, we will research further.

Thank you,

Sincerely,

Rosemond Brothers
