

GIRL SCOUTS

Girl Scouts at Central

Central has a long history of sponsoring and promoting Girl Scouting. There has been much change in Girl Scout organization over the years so there have been numerous different troops but the focus has always remained the same...to instill in young girls the values expressed in their law: ***I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.*** While much written history of Girl Scouting at Central appears to be lost, the author can attest to watching the coronation of Queen Elizabeth on 2 June 1953 on a leaders black and white TV when few of the scouts were fortunate enough to have a TV. Leaders Rebecca Frank, Ruby Lambert and Dot Hale taught their girls the fine points of needlework and preparing foods. Girl Scouts today may have more fun activities but they also have more opportunities to do good in the world around them. Numerous troop numbers have been associated with Central. The current one is #40465. This troop of young ladies has a great record of accomplishments. Several have obtained the coveted Gold Award after planning and carrying out projects to help the environment or persons in need.

Gold Award Girl Scout

Sarah Martin

Surry County

Sarah worked with students at BHT Primary School throughout the school year and summer to help them improve on their reading skills. She provided the students with resources and books so they could have materials to read outside the classroom. She also decorated and installed two Little Free Libraries- one at Jones Intermediate School and one at Tharrington Primary School.
