Dedication

There is a place in our hearts with the memory of the person who started us, the Senior class of 1958, on the first phase of our scholastic journey.

Our most difficult hours have been enlightened by her neverceasing friendliness and her encouraging smile. Her fine school spirit and gentle understanding have made her more than a teacher a true friend also. It is with great pride that we, the senior class of White Plains High School, dedicate the 1958 edition of the Plainsman to the person, whose undiminished kindness has left a great imprint on our life MRS. ZELLA CHILDRESS.

In Honor of Our Exchange Student

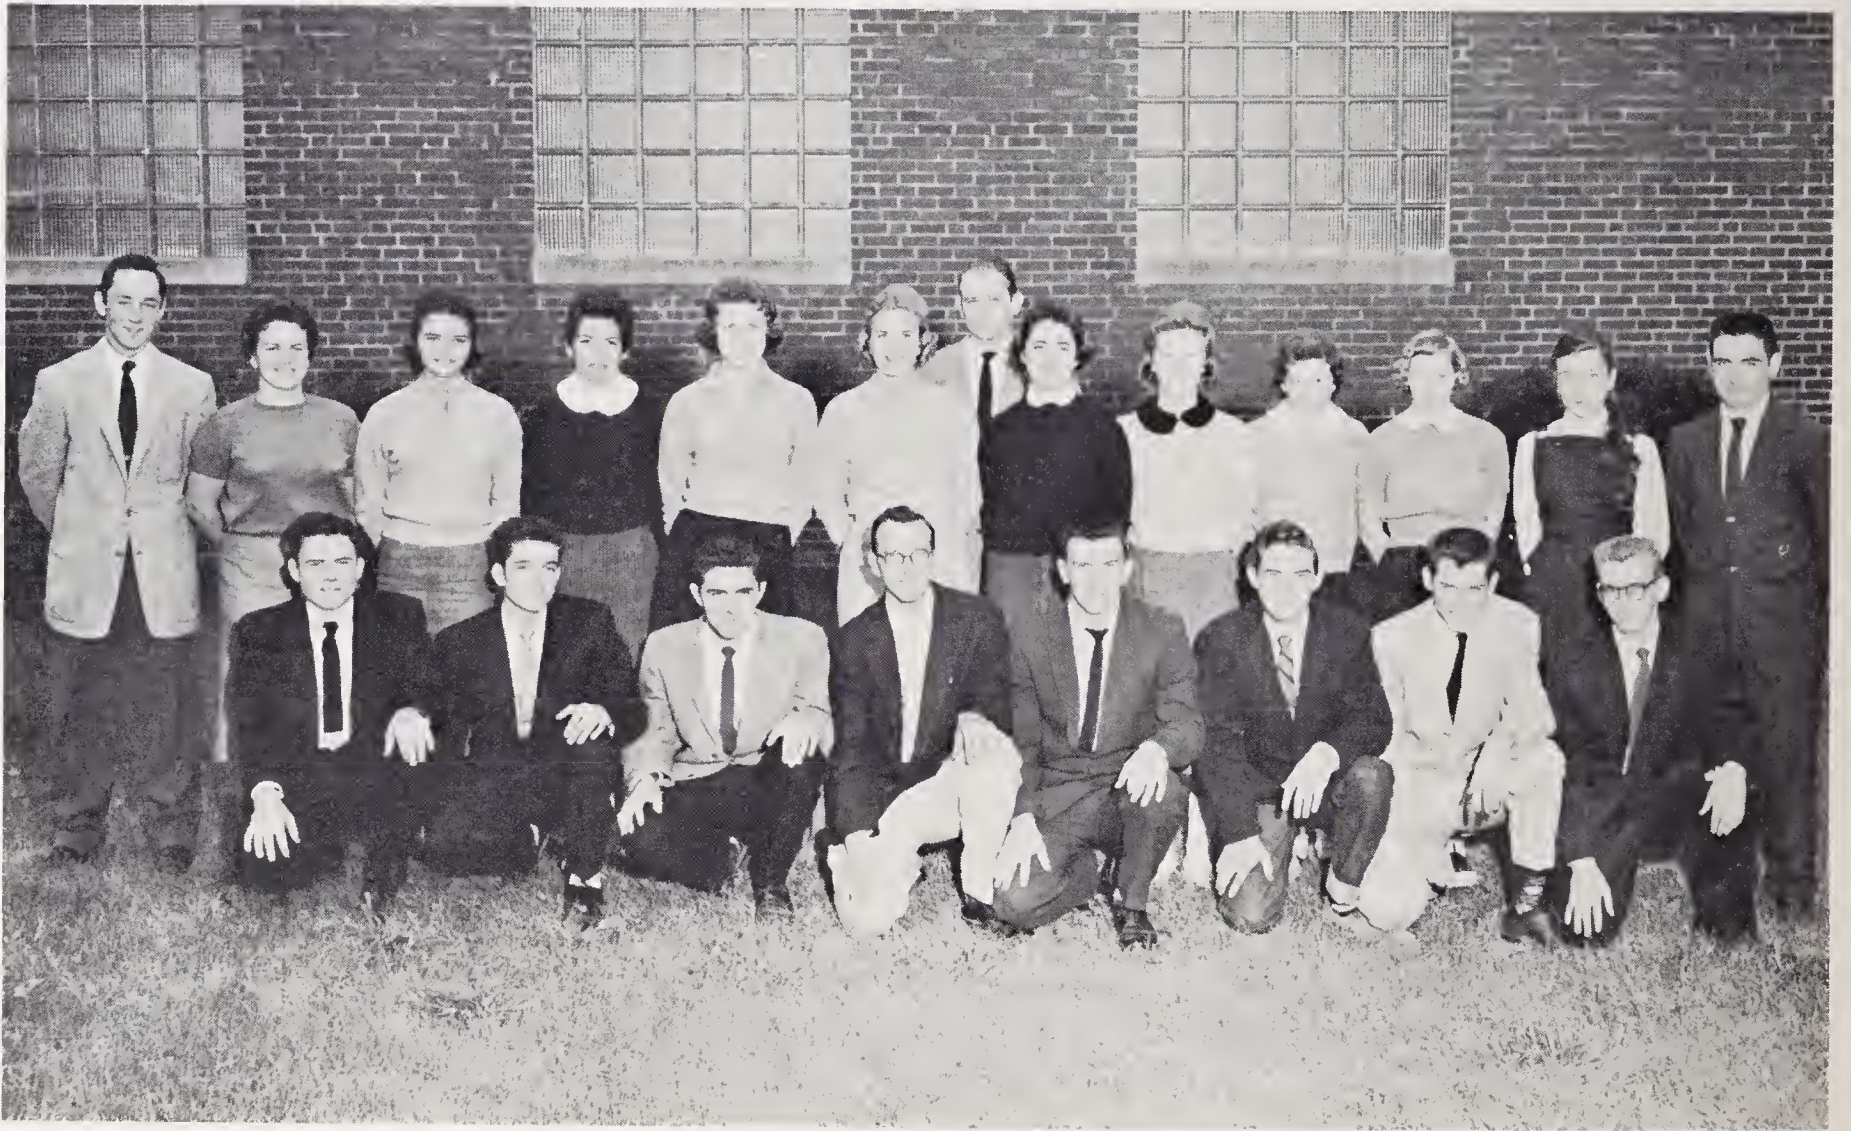

We rejoice in the friendship of
one.....

Whose courage amazes us
Whose infectious smile charms us
Whose pleasant manner pleases us
Whose energetic spirit delights us
Whose Faith empowers us
Whose unselfishness rebukes us
Whose weakness concerns us
Whose humor made our day

Class Song

(TUNE TO TURN BACK THE HANDS OF TIME)

To White Plains High so dear,
Time has come to say good-bye,
Thru the years we've lingered here,
With friends so dear.
We have had a gay time,
And we'll ne'r forget you,
For to you we'll all be true,
Throughout the years.

Dear parents and teachers, too,
We are very proud of you,
All these years you've pulled us through
Thanks be to you.
Long and hard the years have been,
But they're almost at an end,
Graduation day is here,
Class of '58.

CHORUS:

Good-bye dear school of ours,
Good-bye to friends of ours,
Soon life will begin anew,
Good luck to all of you.

Class Poem

Here in this school, forsaken by our laughter,
A silence of the past hangs over all.
The permanent finality of after
Clings to familiar objects. In the hall
the faces still keep their places,
And from the desk the teacher stirs a need,
We could not rearrange things or discard
Mementos of the happiness we have had.
We could not put out of our mind one word,
Of the remembered things our beloved teachers
have taught us. And even when we are far
apart, we could not keep White Plains High
School out of our heart!

Class History

We, the seniors of nineteen hundred and fifty-eight, look backward twelve years to the fall of nineteen hundred and forty-six. Soon a large crowd of first graders, were learning to read, write, and do arithmetic under the guiding hands of Mrs. Childress, Mrs. Chilton, Mrs. Taylor, Mrs. Badgett, and Mrs. Edward Lovill (formerly Annabelle Taylor). In the fourth grade we lost one of our classmates due to a car accident. On we trod to Mrs. Sisk's fifth grade and Mrs. Lawrence's sixth grade. We lost another one of our classmates also because of a car accident. After this we continued through the classes of Mrs. Simpson and Mr. Charlie Cooper.

Then we, the seniors of '53 entered high school in the fall of nineteen hundred and fifty-three. It did not take long for us to get into the swing of things with the help of our homeroom teacher, Mrs. Patterson. Our class officers were: President: Jimmy Childress, Vice-President: Frances Jackson, Secretary: Pat Jackson, Treasurer: Ralph Huffman.

Our Sophomore year was an exciting one, crammed full of parties, picnics and fun. The biggest highlight that year was our Sophomore picnic held at Reynolds Park. Our sponsor was Miss Hiatt, now Mrs. Brodus Atkins. Class officers were: President: Jimmy Childress, Vice-President: Ralph Huffman, Secretary: Libby Marshall, Treasurer: Phyllis Scott. Since we had a course in Biology this year, we were out on "field trips" quite often.

Our Junior year began with the election of class officers. President: Jimmy Childress, Vice-President: Ralph Huffman, Secretary: Pat Jackson, Treasurer: Phyllis Scott. Under the leadership of Mrs. Charlie Cooper we began to plan the banquet and raise the money with which to finance it. This was done by selling cards, furniture polish, and refreshments at ball games.

The Junior-Senior Banquet was held May 3, 1957 at the Reeves Y.M.C.A. in Mount Airy. The theme "Starlight and Roses" was carried out in the decorations and entertainment. Another highlight of this eventful year was the Junior play, "Bolts and Nuts," which was given on May 10, 1957. This year our class journeyed to Tanglewood Park for our class picnic.

In the fall of nineteen hundred and fifty-seven, ten boys and eight girls returned to their final year in school. Our class got to a good start under the leadership of Mr. Ed Lovill and our class officers were President: Ralph Huffman, Vice-President: Frances Simmons, Secretary-Treasurer: Byrona Bunker. Also, we selected the "Plainsman" staff, class colors, flower, motto, mascots and superlatives.

This year the Juniors gave the Junior-Senior Banquet in our honor, and we can certainly say it was thoroughly enjoyed by all of us. We received our long-awaited class rings also, and jeepers did this make us happy!

Graduation at last!

Graduation was upon us, we could hardly realize that we were almost ready to leave White Plains High. On May 29, 1958 twenty proud seniors marched down the aisle to receive their diplomas. We had completed our twelve years, and were now prepared to either go on to college, or to go out into the world and seek our life's vocation.

Class Prophecy

This year, as in the bygone years, someone in the senior class has been elected to predict what the graduating senior class would be doing a few years after they graduate. The honor of being Class Prophet has been bestowed upon me by the graduating class of 1958.

Racing Fans: Have you read the latest issue of "Racing for 1978?" If you did you will notice that two boys from the 1958 class of White Plains High School, Don "Speedy" Atkins and Bill "Bullet" Kidd, have formed a world famous racing team. Although they are the drivers, they give much of their credit to their faithful crew of "girl" mechanics, Byrona Bunker, Phyllis Scott and Janet Badgett.

White Plains is very proud of the world famous big game hunter who went to school at White Plains. Jungle Jim Hicks is now in Africa.

Guess who is the first woman diplomat ever to represent Spain? None other than Loli Meléndez.

Attention: All people who eat! Go see the new manager of Piggly Wiggly, Billy Cassell.

During the entire history of Wake Forest College, it now seems that they are having their best year in sports and they give most of the credit to their fabulous new coach, Ralph "Shorty" Huffman.

Notice: All bachelors. What do you think of the new New York model that is rocking the ladies clothing world? Headlines now point to Miss Georgia Harrell.

Warning to all girls who are still a "miss," that mean 'ole wolf, Wade Cruise, is on the prowl.

The world's largest manufacturer of potholders, owned and operated by Gene Draughn, is very fortunate to have as its secretary, Millie Marshall.

If you have a toothache, have no fear, Pat is here! Go see Dr. Pat J. Jackson, Dentist, in Mount Airy.

Attention: All people who are in deep, dark trouble. Jimmy Childress is now a world famous Criminal lawyer, but he has high rates!

Lula Potts is the North Carolina state champ in tobacco tying.

Frances Simmons and Wendolyn Venable are co-owners of Mount Airy's new beauty shoppe. S and V Beauty Shoppe.

Wayne Johnson is now the largest land owner in this part of North Carolina. He owns Haystack and part of White Plains.

And just who built that new eight-lane turnpike between Winston-Salem and Washington, D. C.? Me... Wayne Wilson, I am now a state architect.

And now as we go out into this big world may we, as the Senior Class of 1958 live up to our prophecies, and become even better than the classes before us.

WAYNE WILSON
Class Prophet

Last Will and Testament

We, the seniors of White Plains High School of nineteen hundred and fifty-eight being almost certain that we are of insane minds, and hoping we are completing what has been a wonderful life for the past twelve years, do declare this our Last Will and Testament.

To the faculty we leave them wondering how we got away with so much.

To Mr. Reece we leave the deportment sheet, which is a very big list!

To the Sophomores we will our ability to be undefeatable.

To the Freshmen we leave our great sympathy. Good Luck!

To the Juniors we would like to leave the following articles:

Don Atkins leaves his ability to repair "Hot Rods" to Earl Wilson and Wallace Jones. Watch those screw-drivers!

Byrona Bunker leaves her ability to drive to Patsy Fletcher and Ann Brintle. Hold 'er down girls.

Phyllis Scott leaves her height to Nancy Badgett and Glenda Tickle.

Frances Simmons leaves her instinct of being mischievous to Jimmy Gunter. Do a good job of it Jim.

Georgia Harrell wills her good looks to Nancy Moore. Watch those lines!

Jimmy Childress leaves his ability to pitch ball to Archie Creed.

Janet Badgett wills her deportment grades to Rex Younger. Watch that laughing, Rex!

Jimmy Hicks leaves his ability to be a great hunter to Chang Bunker and J. B. Schmidt.

Wayne Johnson leaves his henpecked ways to Ben Nichols and Daisy Simpson.

Wade Cruise leaves his greatest ability and past-time of being a "wolf" to Archie Haynes.

Wendolyn Venable leaves her ability to skip class of Kay Reece.

Billy Cassell wills his old smoking place to Clarence Marshall.

Billy Kidd leaves his ambition to drive a hot rod to Yvonne Tickle.

Millie Marshall leaves her great talent at the piano to Starr Sisk.

Pat Jackson wills her blonde hair to Allie Portis.

Lula Potts wills her ability to tie tobacco to Frances Bond.

Wayne Wilson leaves his ability to hate teachers to Ray Hardy. "Don't be Cruel," Ray.

Ralph Huffman leaves his ability to be a little angel to Patty Hicks.

Loli Meléndez wills her ability to speak English to Aubrey Nichols.

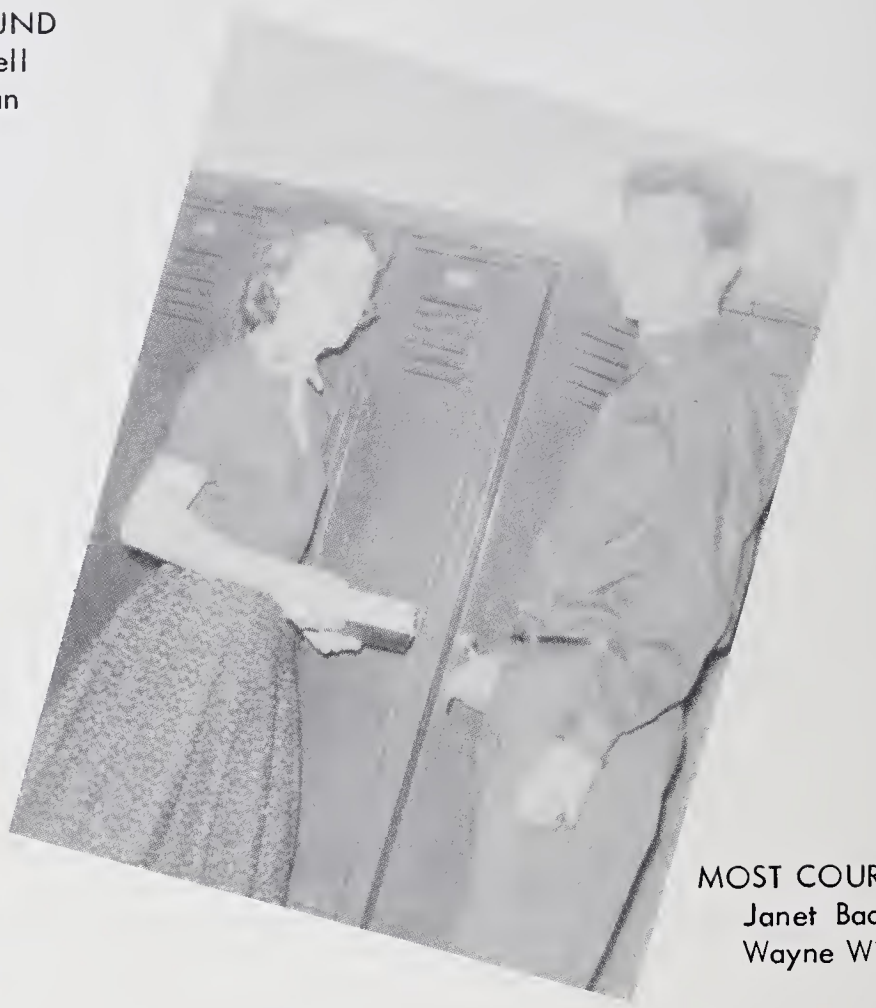

I, Gene Draughn leave my ability to understand Spanish girls to Dean Draughn.
