Rick.

I WON'T BE ABLE TO SAY ALL THE THINGS THAT I WOULD LIKE TO SAY BUT I WANT TO SAY THEM EXACTLY LIKE I WANT TO. YOU HAVE CERTAINLY AFFECTED MANY LIVES HERE - ESPECIALLY MINE. THERE ARE TIMES THAT I WONDERED WHERE SHE WAS DOING THE LEARNING. IT HAS BEEN A PLEASURE BEING YOUR COACH AND YOU HAVE MADE ME A VERY PROUD COACH. YOU NOW GO INTO THE BIG LEAGUES WITH ALL THE TOOLS, HAVING ONLY TO APPLY THAT DETERMINATION OF YOURS. NEVER LET YOUR COMPETITIVE EDGE BE DULLED, NOR TEMPTED TO BE SECOND WHEN YOU BELONG IN FIRST.

GIVE ALL AND SETTLE FOR THE BEST - THAT'S YOUR WAY OF DOING THINGS. CALL ME IF I CAN EVER HELP! I WISH YOU THE VERY BEST. THANK YOU FOR MANY FINE MOMENTS.

Far below the Blue Ridge Mountains,
There's a place we love,
And we live there, always seeking
Higher aims above.

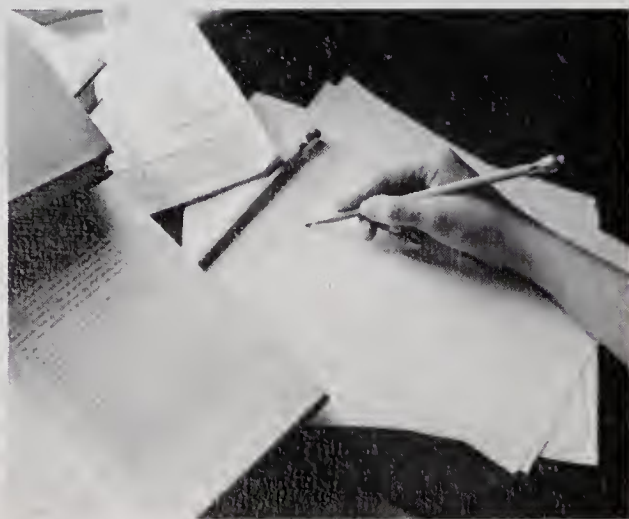

We've a school of which we're proud;

• • • **REMEMBER**

A Letter from the *EDITOR* . . .

Life is just a series of fleeting moments. We are constantly "anticipating" and then "remembering". Remembrance brings a touch of sadness into our hearts, especially for those of us who won't be a part of Elkin High next fall. In our ELK, we have captured those precious moments which mean so very much.

Editing the ELK has been an exciting, challenging, and rewarding experience for me. My special thanks go to the wonderful student body, without whom the annual would have been impossible, for who can write anything without good subjects?

The members of my staff were excellent workers, always willing to help each other and me. Martha Joines, our staff photographer, was indispensable, and her many hours of hard work are worth rewarding. To Joe Cockerham and Mac McNeill go special thanks for their help with our photography. Miss Wolfe's original ideas and willingness to help provided much encouragement for all of us.

Without Mrs. Holthouser, the annual would have been impossible. Her many hours of work, her advice, and her undying enthusiasm gave me that extra bit of confidence which was needed.

An extra word of thanks goes to my family and friends who had to "put up" with me when things were not "going my way". Their patience and kind words of encouragement helped more than anything.

The ELK means very much to me, and I sincerely hope the students at E. H. S. will appreciate the way we have tried to picture them, for this is their annual.

Maureen Cochrane

The trend continues:

While the cost of living continues to rise, electric rates get lower and lower.

Through improved efficiency, research and development, increased usage and other factors, Duke Power has reduced electric rates many times - six times since January, 1960. This trend makes electricity one of today's best bargains - a bargain that Duke Power is working to make even better.
