Here at North this year there are eleven men who have hustled to make their team one of the best we've had in quite a few years. Each one of those eleven should be proud of the way he played and was never selfish.

The Greyhounds were up against faster, taller, and quicker teams this year, but they never lost their composure. As the season got underway each game proved to be a tough match which was very close until the final fighting minutes. After the Christmas break, the team got on the ball and hustled, winning 11 of their last 13 games. Their games pleased the Hound crowd as they played more and more like a well-built, proud, and aggressive team.

The team is composed of three seniors and eight juniors, which gives us an idea of what next year's team will be like.

The senior members are Gary Payne, Warren Hiatt, and Mike McKinney. Gary Payne, a forward, is the Hounds leading scorer and is always a threat under the boards. Warren Hiatt, who is a guard-forward, is a valuable player who must come into the game under intense pressure. Warren is known for always doing his best. Mike McKinney, our third senior, plays guard. He is always ready to go into the game and do his very best. Mike is a good hustler who supports his team to the very end.

The eight junior members are Barry Badgett, Barth Tesh, Gerone Penn, Bernie Young, Walter Shuff, Randy Dollyhigh, Steve Macey, and Greg Smith. Barry Badgett, our center and a leading rebounder and point scorer, has had an extremely good season this year. Barth Tesh, a high-scoring guard, has threatened other teams with his quickness and agility. Gerone Penn has aided the Hound attack with his shooting and rebounding skill. Bernie Young is most noted for his outside shooting and aggressive defense from his guard position. Walter Shuff has seen a considerable amount of action this year and has proven himself as a man of quickness and desire to win. Three members of our team haven't seen much action but they have definitely helped their team through their never-ending encouragement. Randy Dollyhigh, Steve Macey, and Greg Smith are commended on the fine job they have done.

Coach King and Coach Dearmin have been the two "rear-kickers" behind the team this year. It has been the Coaches' job to keep their team in shape and they've really done a great job. Chris Wagoner has done his job as an efficient manager and Rebecca Smith as a scorekeeper to back the team.

This has been a good year for basketball but next year proves to be a good one also. Everyone who has had a part in the season should be proud of the North team.

DEAR GERTRUDE

Dear Gertrude:

I have dated this boy a few times and I've gone crazy over him, but I don't think he feels the same way about me. He used to go with this girl but they are broken up now, and all he does when we are out is talk about her. He also talks about other girls he has dated. I think he should keep it to himself. I don't know if he is doing it to make me jealous or not, but if he is, he's doing a pretty good job of it. I love him and don't know how to win his love. Will you please help me?

Signed: Jealous  
Girl In Love

Dear Jealous:

The guy you're dating probably doesn't realize that he is talking about the girls. Maybe it is your fault, too. You should hint to him about the fact that he is with you and not her. I don't believe he will get mad over this because he will realize that you are right. If you really want his love, you should be yourself and you should also be very understanding.

Gertrude.

Dear Gertrude:

How do I inform a certain teacher of his bad breath?

Signed: "Green  
Phanton".

Dear "Green Phanton",

You could always bring a bottle of Scope like they do on the commercial. This will be very useful if you leave him a note saying "Try it we'll like ya."

Gertrude

Dear Gertrude:

The woman in the library keeps going s-h-h-h to me. What should I do?

Signed: Noise-Maker

Dear Noise-Maker:

A library is a place where people go to work and to study because they need a place which is quiet. If you must talk try to do so quietly.

I. Q. BOWL RESULTS

The North Surry participants in the High I. Q. Bowl journeyed last Saturday to the University of North Carolina at Greensboro for the first elimination rounds. The forty teams were divided into sets of five teams each with each set participating in four rounds of questioning. In the set of which North Surry's team was a member, Reynolds High School won the rounds. Thirty two of the forty teams were eliminated. The eight teams, final winners in the event, are the high schools of Grimsley, Sanford, Reynolds, High Point, Central, Northeast Guilford, Lexington, Page, and Williams. Mrs. Amoss, who accompanied the group, said that she was really impressed with our teams' performance.

NEW LOOK IN FAMILY LIFE

The family living classes have gone from the study of romance, engagements, marriage, and "baby making" to the technique of smocking pillows. Senior boys will no longer be seen with their track shoes hanging around their necks, and their duffle bags in their hand, but instead, will definitely be noticed carrying their material in one hand and sewing basket in the other!

CHORUS MAKES TRIP TO MILITARY ACADEMY

The North Surry High School Chorus, directed by Mr. Sandy Beam, presented a concert Tuesday February 22 at the Oak Ridge Military Institute. Presented were selections from the Broadway Musical Oliver, Americana, Folk Sang Suite, featuring Miss Patti Miller as soloist. The faculty and students were deeply enthused by the performance. The North Surry Madrigal Singers also gave a fine performance. After the concert the students were entertained with a tour of the grounds, social hour, and refreshments.

The students greatly enjoyed the trip and thank Mr. Poplin for the opportunity.

## DEBATE TEAM PLACES SECOND

Our debate team won second place last Wednesday, February 16, in the round-robin debate held at Reynolds High School in Winston-Salem. The Reynolds High Team placed first. These two teams will journey to Appalachian State University on March 24th and 25th to compete in the District contests. The members of the N.S. team are Larry Williams and Wade Nichols, affirmative team, and Terri Wilmoth and Jerry Collins, negative team. The debate theme was, Resolved: That the jury system in the United States be significantly changed. Congratulations from the Bark staff!

## DEBATE TEAM HEARS LOCAL ATTORNEY

Mr. Carol Gardner spoke to the debating team members Monday, February 14th during the third period. His talk concerned the court systems of our state and nation, to help the debaters in the round-robin debate in Winston-Salem.

## \$36.37 ARE KEYETTE PROFITS

Monday, February 14th, the Keyettes turned a helping hand to earn money for their club. Dressed in blue jeans, floppy hats, and armed with smiles and scrub brushes, the Keyettes performed tasks for the teachers and student body. Hair was combed, shoes shined, books carried, lockers cleaned, and classes taught by the "Sweetheart Helpers". Profits as turned in so far to Mrs. Ramsey total \$36.37.

## TWO FACULTY MEMBERS HOSPITALIZED

Mr. B. F. McCann, agriculture teacher, and Miss Louis Kendall, guidance counselor, have been hospitalized recently. Mr. McCann with pneumonia and Miss Kendall with foot infection. The Bark staff expresses best wishes for a speedy recovery for both.

Other faculty members have had bouts with flu lately, as well as numerous students, and to them we dedicate the following poem:

### HOUNDS CRUSH BEARS

Victory is sweet anytime, but when it's a victory over the Bears, by 24 points, the ecstasy is two-fold.

That was the feeling at N.S. Friday night Feb. 11 as the Hounds took an 88-64 final season victory.

The Hounds were devastating as they swept the boards and blazed the nets. To top it all off, Gary Payne hit a 30-foot-plus shot right as the buzzer ending the third quarter sounded. Gerone Penn was a stalwart under the boards with Barry Badgett backing him up. Tesh, Young, and Shuff were quick and agile as they brought the ball down-court.

In the first quarter, North played well and led 20-11. However, in the second period the Hounds zeroed in on the goal and plastered the Bears to lead at the half 48-24. The die was cast and the Bears were doomed. In the third period North moved further ahead to lead 69-39. Also in that period, Johnny Wagoner took a muscle spasm in his lower back. He left the game and was taken to the local hospital, treated and released. In the final stretch the Hounds went to their bench and relieved the starters. The Hound bench played well but the Bear regulars outscored them 25-19. This final win left the Hounds firmly in second place in the conference with a 13-5 record and 14-6 overall.

### HOUNDS TROUNCE REBELS

With tempers flaring and Bernie Young being ejected from the game, North Surry beat the Rebs 61-48 in the final game on Tuesday, Feb. 15. The game was much closer than the score indicates and North was down much of the game.

In the first period scoring was slow as neither of the teams could get going. The Rebels led 9-7 at the end of the period. The Hounds were hounded by the Rebs in the second period and were to make many mistakes that East Surry took advantage of.

At halftime, to the disappointment of the home crowd, East led 24-18. With sparks in their eyes and fire in their hearts, the enraged Hound team went to work in the third quarter. After quite a few fouls and exchanged words the Hounds had outscored the Rebs 18-7. The Hounds put the stopper in the bottle as they laid it on the bewildered East Surry team in the final frame and won the game 61-48.

**HOUNDS OUTPLACE VIKINGS**

In a "cardiac causer" the Hounds held off an inspired North Stokes team 62-59, Saturday evening, February 19.

In the first period the Hounds outscored the Vikings by a narrow margin of 22-19. The pace slowed down in the second period as the Hounds got only 12, with the Vikings close behind with only 10.

In the second half, the third period saw the Vikings lead 18-14. The final frame saw the Vikings and Hounds lock horns and score point after point at 12 apiece. However the Hounds held on to win in spite of the fierce Viking comeback.

**SCORING FOR THE HOUNDS:**

- Badgett-----14 pts.

**JAY VEES CRUSH VIKINGS**

Roll on, J.V.'s roll on! The Hound J.V. team gave the North Stokes Junior Varsity a sound trouncing in the second game played on Monday evening Feb. 14. The score North Surry - 63, North Stokes - 42.

After 40 seconds the first basket was scored by North Stokes. However, the Hounds were not to be denied a victory. On some good plays by the Hounds, they stretched their lead to 12-4 when the Vikings called time-out to try and settle themselves. Nothing would work for the Vikings as the first period ended, 16-7 in favor of the Hounds. The Vikings picked up the tempo in the second quarter, but North outplayed them and led at the half 29-18. The third quarter saw North build its lead to 44-39. In the final frame, with the Hounds lead still mounting, Coach Don Smith sent in his reserves. With 1:13 to go, the reserves did well and played till the buzzer sounded. Five players hit double figures for North, compared with two for North Stokes.

## SPORTS

The 8th grade ended their basketball season playing the Dobson Tigers. The score in the Varsity was North Surry 62 and Dobson 30. The score in the Junior Varsity was North Surry 31 and Dobson 41.

Both teams had good records. The Varsities had 12 wins, 2 losses. The Junior Varsity lost both of their games to White Plains. The Junior Varsity lost once to St. Paul and twice to Dobson.

## CIVIL WAR DEBATES AND RELICS

Two 8th grade classes were invited to visit Mr. Cameron's room to listen to Civil War Debates. The debate was very good and interesting. A week later Mr. Odell brought some Civil War Relics to Mr. Cameron's room. He had a very good collection of Relics, and it was interesting to listen to his story of the Civil War.
