**LANCER**

## The Road Not Taken

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that, the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.

## MRS. MINNIE HYLER

"The world would be better and brighter if our teachers would dwell on the Duty of Happiness as well as on the Happiness of Duty, for we ought to be as cheerful as we can, if only because to be happy ourselves is a most effectual contribution to the happiness of others."

Sir John Lubbock

Minnie Hyler has certainly done her part to make the world better and brighter. Anyone who has heard her humming down the hills or chuckling to herself over a student theme can attest to that.

Her pleasant disposition has made many a reluctant English student like British lit. in spite of himself. Her love of English is, quite simply, contagious.

Mrs. Hyler was educated at Appalachian State University, receiving both the B.S. and M.A. degrees. She is the wife of George Hyler and the mother of two grown children, Nancy and George Jr. She is also the doting grandmother of Katy and Ryan. If you don't believe they are the smartest, prettiest, and most talented children ever born, just ask Mrs. Hyler! She even carries pictures to prove it!

Mrs. Hyler has been at Surry Community College twelve years, and in that time she has influenced and enhanced many lives, both academically and spiritually.

For her contribution to all our lives, we happily dedicate this issue of the Lancer to her.

# BOARD OF TRUSTEES

Seated: Clyde Johnson, Dean of Administrative Services; John P. Frank; Eleanor H. Jones; Mrs. W. Eric Jarrell; Oscar W.S. Smith. Standing: W. Frank Comer; Fletcher Harris; Robert E. Merritt; Floyd E. Rees; Dr. James M. Reeves, Dean of Student Services; Dr. Swanson Richards, President; B.F. Folger, Jr.; Mrs. Hal Stuart.

The Board of Trustees of Surry Community College has thirteen members. Each of the following appoints four of the Trustees: the Governor of North Carolina, the Surry County Board of Commissioners, and the boards of education of Mount Airy, Elkin, and Surry County. The thirteenth member is the President of the Student Government Association, who is an ex officio non-voting member. The twelve appointed members serve eight-year terms, but the terms are staggered so that three new members are chosen every odd year.

## PRESIDENT OF THE COLLEGE

**DR. SWANSON RICHARDS**

A graduate of Appalachian State University, and Florida State University, Dr. Swanson Richards has been president of Surry Community College for twelve years. He served in numerous positions in the Surry County School System before coming to the college.

Dr. Richards sets a good example for us students through his leadership roles in several organizations within our county and state. His outstanding personality and service to our college distinguish him as an excellent president.

## STATEMENT OF PURPOSE

The purpose of Surry Community College is to enable citizens of our area to increase their skills and knowledge. "To each His Farthest Star" is an appropriate motto. Surry Community College will fulfill its purpose by:

- Providing, through open door admissions and within the statutory and fiscal limits, programs and instructions which will give each student the opportunity to start where he is and progress toward his occupational and educational objectives.
- Ensuring that when each student has successfully completed a program that he will have the skill and knowledge to meet the demands of the job for which he has prepared or to transfer and succeed at another institution.
- Providing social, cultural, and recreational activities to assist students in developing their leadership and social skills, their appreciation of aesthetic values, and a more productive use of their leisure time.
- Developing effective ways of evaluating college programs, to make adjustments as needed, and to make appropriate reports to the public.
- Encouraging and stimulating the innate desire for learning.
- Making Surry Community College a stimulating and rewarding place to work and study.

# LAMBDA EPSILON OMEGA

The Student Advisor Program at Surry Community College is a program in which second-year College Transfer students serve as a big brother/sister, a helping friend, or a small-group facilitator to the first-year College Transfer students. The program is designed to help individuals understand themselves and to attempt to understand and help those with whom they come in contact.

All of us use coping mechanisms to deal with life's everyday pressures. Some of us use these mechanisms more effectively than others. Some of us find these everyday pressures overwhelming and feel as if we have nowhere to turn for assistance. For most of us, discussing our concerns openly can be the first step in coping more effectively. Hopefully, the Student Advisors will be someone the college transfer students can confide in and from whom they can get help.

Each helper is selected on the basis of his maturity, interest in helping others, ability to relate to others, and willingness to complete all of the training sessions.

Each peer helper is responsible for ten to fifteen students. During the first month of Fall Quarter, each advisor meets with his or her group for one hour each week at a time convenient for the group. During these group sessions, the freshmen have an opportunity to discuss concerns or ask any questions they might have. Group topics might focus on such topics as transfer information, how to adjust to college life, how to make friends, and how to make decisions.

Sponsor, Mrs. Sue Jarvis

# MISS NORTH CAROLINA TEENAGER, 1984

Marsha Medley

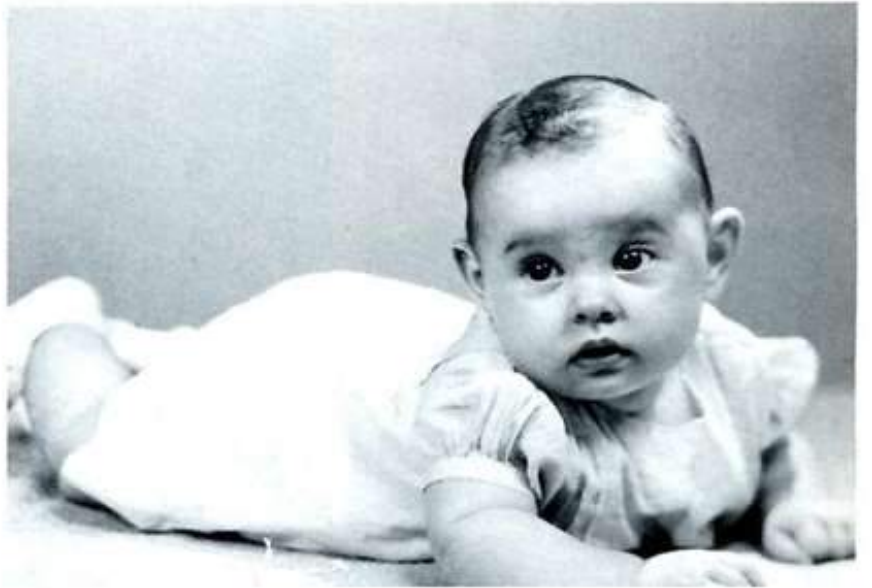

Marsha Medley, eighteen-year-old daughter of Mr. and Mrs. Dwayne Medley of Ennice, NC, captured her first title, Miss Alleghany High School, in November, 1983. Marsha went on to win a second title in April, 1984, at the Global Miss competition. She brought home winner's trophies in the following events: Most Talented, Best Model and Best Model of Evening Gown, and she was High Overall Contestant, winning her the title of Global Miss 1984.

The height of Marsha's pageant achievements came on July 14, 1984, at the City Center Marriott Hotel in Charlotte where she competed for the coveted title of Miss North Carolina Teenager. She competed among a field of over fifty contestants in the categories of interview, swimsuit, evening gown, and on-stage questioning. The title she won is second only to that of Miss North Carolina. Marsha's future plans are to continue competing in pageants.

# PAULA LARKE

## OUR VISITING ARTIST FOR 1984-85

She's an actress born in Winston-Salem, NC, where most recently she spearheaded along with Moore Alternative School in Winston-Salem, a project called OASIS (Older Adults Sharing in School). OASIS is a program which unites our older generation with the younger ones in sharing of traditional crafts and stories from our past. OASIS was a huge success and hopefully other communities will try this program.

She received her training in professional theatre on the touring and Broadway stage with the New York Shakespeare Festival. She has sung, danced, and acted in *HAIR*, *TWO GENTLEMEN OF VERONA*, *AGAMEMNON*, and most recently, "for colored girls who have considered suicide/when the rainbow is enuf." She has produced, directed, and performed her own musical acts and cabaret readings in concert across the United States.

Ms. Larke is emphatic about the role of the dramatist or actor: "The first dramatists ever were the storytellers of each culture. It is my ambition to find our storytellers, allow more folk to hear them, portray the characters that formed our history and preserve their stories for posterity."
