FAITH OF AMERICAN TEACHERS

GLADLY do I teach—for I believe in the personal worth
and potential ability of every child and
youth.

REVERENTLY do I teach—for the guidance of the young
toward high ideals and great achievement is a sacred trust.

CONFIDENTLY do I teach—for professional and cultural
studies enable me to meet the complex
tasks of teaching.

PROUDLY do I teach—for the story of our nation and
the history of mankind reflect the
wholesome influence of many teachers.

HOPEFULLY do I teach—for the teaching profession is
gaining in public esteem and education
is advancing toward new and challenging opportunities.

*(Five hundred classroom teachers, administrators, and
specialists employed in schools and colleges thruout the
country, shared in the drafting of this statement of faith.)*
