CONSTITUTION

Article I. Name and Membership

Section 1. This body shall be known as the Surry Baptist Association.

Section 2. Membership in the Association shall be composed of the Association's Officers, ministers who are pastors of churches affiliated therewith, and messengers elected by affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers in addition to the pastor. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided that no church shall have more than ten messengers.

Section 4. Baptist churches affiliated with the Surry Baptist Association shall be expected to support through prayers and gifts the Surry Associational and Southern Baptist causes at home and abroad.

Such co-operating churches will be considered as being in good standing.

Article II. Purpose

Section 1. The purpose of this Association shall be to devise and promote measures for increasing the harmony and spiritual power of the churches within our bounds, and to promote and develop their energies in advancing God's Kingdom throughout the earth in compliance with the teachings of the New Testament and in co-operation with the State and Southern Baptist Convention.

Article III. Annual Church Letters

Section 1. The churches shall report annually not only the statistical information but any facts concerning the general welfare. The clerk shall furnish each church with printed forms for their annual report at least six weeks before the annual meeting of the Association, and the churches are requested to have these reports returned to the Clerk at least two weeks before the annual meeting of the Association.

Article IV. Officers and Their Duties

Section 1. The Officers of the body shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Associational Missionary, and the heads of the organizations as set forth in Article IV, Section 6.

Section 2. The Moderator or Vice-Moderator shall preside over all sessions of the Association and the Promotion Committee. The Moderator shall be a fraternal visitor to the churches throughout the year. He shall be elected for one year and shall not succeed himself after the second consecutive year.

Section 3. The Vice-Moderator shall preside at the request of

or in the absence of the Moderator at the meetings of the Association and the Promotion Committee.

Section 4. The Clerk shall keep an accurate record of the proceedings of the body, furnish the churches with the blank letter forms, supervise the printing of the minutes, and distribute them to the churches as soon after adjournment as possible. He shall also serve as secretary of the Promotion Committee.

Section 5. The Treasurer shall have charge of all funds of the Association, and shall disburse the same in accordance with the budget of the Association or for the purposes for which the funds were contributed. He shall render an itemized report of his receipts and disbursements to the budget committee upon request and to the Association in the annual meeting.

Section 6. The Associational Sunday School Superintendent, the Training Union Director, the Woman's Missionary Union Superintendent, the Brotherhood President and the Vacation Bible School President shall be elected by their respective organizations according to their own methods. The names of these officers shall be furnished the Nominating Committee who shall present them to the Association for approval at the time of the election of the Officers of the Association.

Section 7. The officers shall be elected at the afternoon session of the annual (fall) meeting. They assume their duties at the close of the annual meeting at which they were elected and shall serve until the close of the next annual session.

Section 8. The Associational Missionary shall be nominated by the Missions Committee at any regular session of the Association or any regular meeting of the Promotion Committee. His election shall be by a two-thirds majority vote of the messengers or members present. He shall serve until the relationship is terminated by mutual consent. He shall prepare annually a Calendar of Activities setting forth dates and places of meetings of the organized work. He shall work with the churches at their invitation and as time permits. He shall promote the whole program of the Association and the State and Southern Baptist Convention, seeking to arouse missionary interest among the churches and enlisting the churches to co-operate in the support of the cause fostered by the Association. His work shall be under the direction of the Missions Committee, and he shall have administrative supervision of such work as shall be assigned him by the Association, the Promotion Committee, or the Missions Committee.

Article V. Committees and Their Duties

Section 1. The Committees of the Association shall be: Committee on Organization and Admission of New Churches, Program, Ordination, Budget, Nominating, Trustees, Missions, Promotion (Executive), Place and Preacher, Resolutions, and Committee to nom-

inate the Nominating Committee. The Moderator and Associational Missionary shall be ex-officio members of all committees.

Section 2. The Committee on Organization and Admission of New Churches shall be elected annually and shall consist of three pastors and three deacons from churches in full fellowship with the Association.

The duties of this are set forth in the following paragraphs:

Any group of baptized believers in Christ desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and co-operation with this Association shall be requested to fulfill the following requirements:

A. Notice shall be given to the Moderator of the Association of the desire to organize a church before any such organization takes place. The Moderator will then instruct the Committee on Organization and Admission to visit and counsel with the group desiring to become a church and bring a report to the Promotion Committee which shall study and pass upon the need for such an organization.

B. The location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with this Association.

C. Upon being approved by the Promotion Committee the group will then request the Committee on Organization and Admission to examine the Church Covenant and Articles of Faith of the proposed church. If this committee approves the Church Covenant and Articles of Faith the group will then proceed to be constituted into a Baptist Church of the same faith and order.

D. The new church having been duly organized and constituted may at the next annual meeting of the Association, or any annual meeting thereafter, present a letter to the Association asking for recognition and seeking fellowship with the Association including with this letter a copy of the Church Covenant and Articles of Faith adopted by the body, as well as a report of the work since the time of organization as it regards all phases of our Baptist Program. The church shall be expected to have had a part in the support of the causes fostered by the Association and the State and Southern Baptist Conventions.

E. The Organization and Admission Committee shall examine the letter and report of the new church and will recommend one of the following decisions.

- a. Acceptance of the church under watchcare for one year.
- b. Further consideration for action at the next annual meeting.
- c. Rejection of the request for membership.

If the church is accepted under watchcare this committee will at the end of that year recommend that the church be accepted into full fellowship provided that after examination the record of work done and co-operative spirit of the church is commendable. A two-thirds

majority vote of the messengers present shall be needed for such action. The Moderator will extend to the messengers the right hand of fellowship.

Section 3. The Program Committee shall consist of five members who shall prepare an order of business for the annual meetings. Printed copies of the suggested order of business shall be distributed to those attending the opening sessions of the Association. The chairman shall be designated by the Nominating Committee.

Section 4. The Ordination Committee shall consist of five pastors. Initially one member shall be elected for five years, one for four years, one for three years, one for two years, and one for one year. In each succeeding year one member shall be elected for a term of five years. When necessary others may be elected to fill vacancies of unexpired terms. Churches desiring to ordain preachers are requested to place their candidate before this committee for examination on the following principles: Christian experience or conversion, call to the ministry, educational preparation for the task, moral and spiritual fitness, doctrinal beliefs and knowledge of the Bible, attitude toward denominational work and objects, support of denominational causes, and purpose to serve.

A candidate shall be looked upon with favor for ordination who is a member of a Missionary Baptist Church and who has been called as pastor of a Missionary Baptist Church and who is in agreement with historic Baptist principles and is in harmony with our co-operative program of work.

Candidates are to be urged to prepare themselves for the ministry as far as possible in regularly recognized Baptist colleges and seminaries. Recommendation will be made by the committee to the church where the candidate holds membership. The committee will assist the church in the ordination service at a time convenient to the church and the members of the committee if such assistance is desired.

Section 5. The Budget Committee shall consist of the Officers of the Association and the Chairman of the Missions Committee. The Moderator shall serve as Chairman. This committee shall meet before the annual meeting of the Association and prepare a budget to cover all anticipated needs of the Association for the next annual Associational year. The committee will cause this budget to be printed and distributed to the messengers at the annual meeting. The committee will suggest a pro rata share of the budget for each church affiliated with the Association for their consideration and approval.

Section 6. The Nominating Committee shall consist of five members. They shall be elected by the Association and serve from the close of the annual session in which they are elected until the close of the next annual session. This committee shall nominate all the Officers (except those specifically provided for otherwise — see Article 4, Section 6) and members of the following committees: Organization and Admission of New Churches, Program, Ordination, Trustees.

and Missions. They shall also nominate representatives for the following denominational institutions and work: Religious Literature, Evangelism, Hospital, Orphanage, Homes for the Aging, Temperance and Public Morals, Relief and Annuity, Stewardship, State Missions, Home Missions, Foreign Missions, Christian Education, Memorials, and any other representatives that may be deemed necessary. Those selected shall be placed before the Association at the annual meeting for election. The Nominating Committee also shall present for the approval the names of those selected by the various organizations to head their work. This committee shall make nominations to fill vacancies occurring during the year at the regular meetings of the Promotion Committee.

Section 7. The Trustees shall consist of three members. The chairman shall be the member with the longest term of service as a trustee. It shall be the duty of the Trustees to hold in trust all property and effects of the Association, take care of and keep the same in repair, accept bequests for the Association, and perform all other duties which the Association may signify.

Section 8. The Missions Committee shall consist of seven members, at least two of whom shall be women. Two of these shall be nominated by the Nominating Committee and the remaining five shall be the heads of the four Associational organizations: Sunday School, Training Union, Woman's Missionary Union, Brotherhood and the Associational Treasurer. The chairman shall be designated by the Nominating Committee. This committee shall direct the work of the Associational Missionary and confer with the churches concerning their co-operation with and financial support of the Associational program and the program of the State and Southern Baptist Conventions.

Section 9. The Promotion (Executive) Committee shall be composed of the Officers of the Association, the Surry representative on the General Board of the State Convention, the ministers who are pastors in the Association, and one lay representative elected by each church. In no case shall any church have more than four members on this committee. Between annual meetings of the Association this committee shall act as the Association in matters requiring consideration. This committee will furnish a name or names to proper Officers of the Baptist State Convention for the member of the General Board of the Baptist State Convention from Surry Association. The officers of this committee shall be Moderator, Vice-Moderator, and the Clerk who shall be the secretary. The Moderator shall see that the committee meets at least quarterly and at any other time deemed necessary. He shall be expected to prepare a written report of the actions of this committee to be presented to the Association at the annual meeting. Eleven members shall constitute a quorum to transact business after notice of such meeting has been given to all members. The committee shall act as an agency of the Association in the promotion of the causes fostered by the Association.

Section 10. At the first session of the annual meeting the Moderator shall appoint the following committees to report at this meeting of the Association:

- a. Place and Preacher
- b. Resolutions
- c. Committee to nominate the Nominating Committee

Section 11. Other committees for specific reports and work shall be appointed by the Moderator as the need arises.

Article VI. Meetings and Visitors

Section 1. The Association will meet annually on Thursday after the third Sunday in October (beginning with the October meeting in 1958) and will meet semi-annually on Thursday after the third Sunday in February. The Association may be called into special session if necessary by a majority vote of the Promotion Committee. All business shall be conducted according to Kerfoot's "Parliamentary Law," but in cases where the meaning may not be clear the Moderator may exercise his discretion, subject to appeal to the Association.

Section 2. Visitors from sister churches and similar bodies may be invited by the Moderator to sit with the Association, to participate in its deliberations, but may not have the privilege of voting.

Article VII. Powers and Prerogatives

Section 1. The Association shall have no power whatever to infringe upon the rights of the churches. It may advise or recommend measures of usefulness for their adoption and guidance, but cannot bind them in any way. However, it may justly claim for itself, for its purpose, and for its recommendations the very highest consideration and regard.

Section 2. The Association may withdraw fellowship from any church that becomes disorderly in practice, or that treats with contempt its purpose and requirements, or upon the request of a church for its own dismissal.

Section 3. The churches constituting this Association shall each retain complete self-government under Christ as the supreme Head, Lawgiver, Governor, and Lord over His churches, and unite only that they may more successfully promote the cause of Christ throughout the world.

Article VIII. Amendments

Section 1. Any section of this constitution may be amended at the afternoon session of any annual meeting of the Association by a two-thirds majority vote of the messengers present, provided the proposed amendment is presented in writing at the morning session of the same day.

Rules of Order

1. Each session of the Association shall be opened with a devotional.
2. Any member wishing to speak shall arise and address the Moderator.
3. No member shall speak more than twice on the same subject without permission of the Association.
4. All motions made and seconded shall be definitely stated by the Moderator before discussion and the vote.
5. No motion shall be withdrawn after discussion without the consent of the Association.
6. When a motion is under discussion, no new motion or proposition shall be considered, except a motion to adjourn.
7. After a motion has been decided, any member having voted in the majority may move a re-consideration.
8. All questions except as related to the amendment of the Constitution shall be decided by the majority of the votes cast.
9. The Association shall have the right to determine what subjects it will consider and the order of their consideration.
10. These rules may be amended at any time during an annual session of this Association by a majority.

Declaration of Faith

We subscribe to the Declaration of Faith (as set forth in the New Hampshire Confession of Faith) which has been approved and adopted by the Southern Baptist Convention.

The Surry Baptist Association was organized at Richmond Church, now Little Richmond, Surry County, North Carolina, August 13, 1903. Fourteen of the original nineteen churches are now members of the Surry Association. All of the churches are in Surry County except Paul's Creek and Willis Gap which are in Virginia.

This Association was formed from the Yadkin Association which held its first session at Eaton's Meeting House in Rowan County on August 28, 29, 30, 1790. It extended over all the northwestern part of North Carolina. The statistical tables show churches from Surry, Wilkes, Rowan, Iredell, and Burke Counties.

ASSOCIATIONAL SUNDAY SCHOOL REPORT FOR 1957-58

The Sunday School is a major part of every progressive Baptist Church. It is organized for the teaching of the Bible to people of all ages, and serves most efficiently in reaching the unchurched in the community.

The 66 churches of the Surry Association last year reported 12,291 members. In these same churches we reported last year 11,047 enrolled in Sunday School.

During the current year we have had two clinics with 18 churches participating and several churches had individual Study Courses. The total number of Study Course awards for the year is 188.

It is our earnest prayer that we shall do much better this year and to this end we make the following recommendations:

1. That we adopt for this year the theme, "That They Might Have Life".

2. That the Sunday School leadership of each church in our Association be urged to: Determine to gain minimum of 10 per cent in enrollment and 15 per cent in attendance; Move up the pattern of organization by starting new classes and departments.

a. Determine to gain minimum of 10 per cent in enrollment and 15 per cent in attendance.

b. Move up the pattern of organization by starting new classes and departments.

c. Start a new Sunday School this year.

d. Follow a weekly visitation plan.

e. Provide a training program which would include January Bible Study Week, Preparation Week, and Operation Home Study.

f. Hold a Vacation Bible School and conduct a mission Vacation Bible School.

g. Give priority to personal witnessing.

h. Encourage all Sunday School workers to participate in the regular Associational Sunday School meetings and programs in order that our own work may be strengthened and that, through co-operation, all churches may carry out their divine commission.

Respectfully submitted,
Frank Hensley
Associational Sunday School Supt.

BROTHERHOOD REPORT

The past year has been a good year in our Brotherhood work. The following is a brief summary of our work and activities:

1. Executive and planning meetings were held prior to our regular quarterly meetings.

2. Our quarterly meetings consisted of two conferences held in connection with the Woman's Missionary Union and two mass meetings for our men at which time mission films were shown. One of these meetings was a fellowship meeting. We enjoyed a delicious chicken dinner and a wonderful message brought by Dr. Sylvester Green. All meetings were well attended and I feel that our Brotherhood Work has been strengthened.

Our missionary, Rev. John Biddle, and your Brotherhood President have visited in many of our churches for the purpose of promoting the Baptist Brotherhood.

3. Our Brotherhood sponsored a Royal Ambassador soft ball league.

4. Four new Brotherhoods were organized. We now have twelve Brotherhoods in our Association.

I am grateful to each of you who have contributed in any way to our Brotherhood work. Also, I am grateful to God for anything that has been accomplished.

Now, let us do better in 1959 than we did in 1958. Our goal is to strengthen every Brotherhood organization in our Association and to organize at least six new Brotherhoods.

Respectfully submitted,
Lonnie C. Brown

REPORT OF THE EXECUTIVE PROMOTION COMMITTEE OF THE SURRY BAPTIST
ASSOCIATION OCTOBER 23, 1958

The Executive Promotion Committee met four times during the past Associational year. These meetings were too poorly attended to be very effective.

I submit this conspectus of our activities:

1. We tried to stress promotion at these meetings. We had quarterly reports on the progress of the work in the Sunday School, Training Union, Woman's Missionary Union, Brotherhood, Associational work and the Seminary Extension Center.

2. At the request of the State Board, a committee was appointed to suggest several names for a prospective representative on the State Board from the Surry Association.

3. Mr. Lonnie Brown was appointed to serve out the unexpired term of Mrs. R. L. Wilson on the Nominating Committee.

4. The following persons, submitted by Mr. R. L. Kizer, Chairman of Evangelism for the Association, were elected to serve as chairman of the various committees for the Evangelistic Crusade April 12-26, 1958:

Chairman of Prayer - Lonnie Fleming	Extension & Colportage - Joe Crews
Fellowship & Clinics - Everett Marion	Music - J. W. Hylton
Attendance - Mr. Walker	Census - William Martin
Visitation - Paul Hester	Church Enlistment - John Biddle
Radio and News - Preston Taylor	Special Rallies - Joe Maye
Publicity - R. J. Hartman	

5. Walter Walker, Lonnie Fleming and Paul Hester were appointed as a committee to nominate an Associational Sunday School Superintendent and an Associational Training Union Director for the ensuing year.

Respectfully submitted,
Joe B. Maye, Moderator

REPORT OF MISSIONS COMMITTEE

The work and duties of this committee are still in the process of being solidified as to responsibilities and purposes. Rather than to magnify our failures of this year, we propose to suggest some things which we believe will be of help in bringing about a closer relationship of our churches and pastors to each other, and them to the total mission program of our Association. First, the Missions Committee will meet quarterly with the Associational Missionary to discuss and plan the work of the Association. Second, we would suggest that the churches and pastors call on this committee of the Missionary for whatever services they may be able to render. Both stand ready to help you at your invitation.

The Missions Committee recommends two things for your approval: First, this year our Association paid \$882.48 on the home for our missionary. This left an indebtedness of \$8534.20 to be paid. Of the amount paid, \$401.07 was for principal and \$481.41 was for interest. In order that we might retire our debt more rapidly, this committee requests the privilege of soliciting .50 cents per member from the constituency of our Association.

Second, in order that the work of our Association be better publicized and coordinated, we recommend that our Association observe Associational Missions Day each year as set by our Baptist State Convention and to be promoted by the individual associations.

Respectfully submitted,
Everett Marion, Chairman

1957-58 REPORT ON THE NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Statewide, progress can again be reported in the eighth year of operation of the Homes. A total of 119 residents and helpers can be accommodated in the two Homes in Winston-Salem and the one in Albemarle. The average number of residents in the three Homes has exceeded a hundred this past year. Needless to say, the atmosphere of congeniality, cheerfulness, and the general outlook upon the part of the residents is manifested to everyone who is fortunate enough to visit any of the Homes.

The August issue of the Homes Bulletin of 1958 shows a present indebtedness of some \$20,000 is still due on our probable \$750,000 investment. This issue of the Bulletin further tells of the efforts to raise \$100,000 in eastern North Carolina to match an offer of \$50,000 from Mr. Don G. Matthews to establish a new unit of the Homes in Hamilton, N. C.

The August issue of the Homes Bulletin also gives a list of the associations and their respective churches that have given during the past year. This report shows that forty-eight churches in the Surry Association gave \$2,052.92. In addition to this amount on October 1, 1958 the First Baptist Church of Mount Airy sent a check for \$375, Mountain View \$25.00 and a Mount Airy corporation \$100.00. This makes a total of \$2552.92 given in the past year. Only the Pilot Mountain and Piedmont Associations exceed this amount in the State.

Our special annual collection day is held on the third Sunday in February. Statewide, probably no more severe weather has been experienced in a generation than on the third Sunday of February of this year. This no doubt accounts for our failure as well as the failure of other associations to do as well as we did the previous year. As your representative, however, I am proud of what forty-eight churches in our association did do, and considering the services rendered by the Homes for our aging, I trust this coming year we will be able to report a one hundred percent participation on the part of all our churches in the association in assisting in this most worthwhile endeavor.

Respectfully submitted,
P. W. Green

Surry Associational Representative
of the North Carolina Baptist Homes
for the Aging, 1957-58

NORTH CAROLINA BAPTIST HOSPITAL
1958 REPORT

Our Baptist Hospital provides a well-rounded program of medical care and training under Christian guidance and influence.

It serves our people when they are sick and need specialized medical care which requires facilities beyond those available in their own communities. The Hospital works in full cooperation with our local physicians. It offers a wide range of specialized training in the different fields of medicine and surgery, in nursing, in various other fields of medical care, and in pastoral care.

Last year the Hospital provided bed care for 16,000 patients. There were 120,000 visits to the clinics and offices of the medical staff and chaplains. Service patients came from 92 of the 100 counties of the State. The services of the medical staff were given free to all service patients, and the Hospital spent more than half a million dollars in providing free care for them beyond what they were able to pay.

A service patient pays what he can of the cost of this care. To help make up the difference between what he can pay and the cost, the Hospital has some assistance from welfare agencies and the Duke Endowment for patients who can qualify, but it must depend primarily upon the Mother's Day offerings. This fund can be used only in cases of real need and after the patient's family has paid all it can and all other possible help has been secured.

Two factors are forcing the Hospital to seek a largely increased Mother's Day support if it is to be able to continue such a service to our sick: First, hospital costs everywhere have increased more than 30% in the last five years; Second, as the number of North Carolina Baptists increases, the demand for this service increases.

Fortunately there has been an increase in the amount of Mother's Day offerings, also. These contributions have grown by 20% in the last five years. Yet, it is clear that only through greatly increased support by our churches can the Hospital hope to continue to give the large volume of free service it has been giving to our people.

We believe Baptist of North Carolina will provide the necessary funds if they realize the need, for we have found that when churches acquaint their people with the need, the response is excellent. When the hospital movie and slide film have been shown and an active effort has been made to present the Mother's Day program, offerings have been generous. Our need, therefore, is simply for our churches to inform their people of the need more effectively. We shall be happy to assist you in your efforts.

THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.
1958 Report

Administrative Changes and Expansion of Services Noted:

June 30, 1958 marked the culmination of 15 years of progressive leadership by W. C. Reed with the Baptist Children's Homes of North Carolina. After serving as Superintendent of Kennedy Home for seven years, Mr. Reed moved to Thomasville where he served as General Superintendent for eight years. Under his supervision the Children's Homes experienced one of their greatest periods of building, growth, and expansion of services. At present North Carolina Baptists probably provide more services for dependent children than any other similar group in America. Those associated with our child care program have, in the 73 years of its history, developed a program which is recognized as one of the best in the nation. Dr. W.R. Wagoner, of North Wilkesboro, was elected by the trustees to succeed Mr. Reed. Dr. Wagoner assumed his duties July 1.

Another Year of Progress: The year 1957-58 has been a fruitful one in expanding services. Since October 1, 1957, North Carolina Baptists have directly served a grand total of 753 children. In addition to these, our social workers have been able to place with relatives or other agencies more than 200 children where their needs are now being met. Each application has been investigated by our case workers. During the past year we were able to admit about one-fourth of the applicants as compared with one-fifth admitted in 1956. Through the dedicated resourcefulness of our social workers, many homes were re-established while others were saved from breaking.

Indian Orphanage Now Our Responsibility: Last year's report pointed up the need for expanding our Foster Homes and for the care of the Indian children at Pembroke. The Baptist State Convention at its annual meeting last November voted unanimously to accept the recommendation of the Board of Trustees of the Baptist Children's Homes and to make the Odum Home at Pembroke a part of the North Carolina Baptist Child Care Program. This work, with 16 children, has been under the care and support of your Homes since January 1958. Money has been set aside to build a new cottage at Pembroke for the Indian children. We are now working to get a clear title to the land. When that is done, we will move rapidly to erect the building.

Financing an Expanding Program of Child Care: North Carolina Baptist have two sources for supporting the Children's Homes: Source Number 1 is a combination of the Once-A-Month Offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the Convention. Source Number 11 is the Thanksgiving Offering. Every dollar marked "Thanksgiving Offering" comes to the Children's Homes. Last year we asked for an increase of 10 per cent in the Thanksgiving Offering. The churches responded with a 15 per cent

increase. This increase of \$31,000.00 enabled us to support the Indian work at Pembroke and at the same time to considerably expand the Foster Home Program. We have confidence that North Carolina Baptists will continue to remember deserving children at Thanksgiving

increase. This increase of \$31,000.00 enabled us to support the Indian work at Pembroke and at the same time to considerably expand the Foster Home Program. We have confidence that North Carolina Baptists will continue to remember deserving children at Thanksgiving with a generous offering.

Looking Toward the Future: During the coming year a cottage will be erected at Mills Home for boys and a cottage at Kennedy Home for girls. These new buildings are being made possible by special gifts and bequests.

Serious consideration must be given in the near future to more adequate care for the children whose emotional stability has been seriously damaged. North Carolina Baptists have the potential resources with which to meet this growing need.

A bundle of Charity and Children should go into every Baptist Church in the state. If your church is not receiving this attractive and informative paper each week, please write Editor Marse Grant at Thomasville immediately and begin a club in your church. All pastors and Sunday School superintendents will receive complimentary copies if they will send their names to the editor.

Most important of all, remember to pray for the children being served by your Children's Homes. Some carry heavy burdens which can be lightened with your prayers and material support. The administration and staff members also appreciate every expression of your love and concern for this Christ-ordained ministry.

RELIEF AND ANNUITY BOARD 1958 Associational Report

Since its organization 40 years ago, the Relief and Annuity Board has paid out benefits totaling nearly \$27 million. In 1957 alone, \$2,245,861.18 in benefits was received by more than 5,000 retired or disabled ministers and denominational leaders and widows.

At the close of 1957, there were approximately 17,500 active members in the Board's various retirement plans, with nearly 20,500 churches, Boards and agencies cooperating. During the year, membership in the plans increased by 2,454.

Each year continues to show an increase in the number of retirement, disability and widow annuities. Last year 503 persons were added to the Board's annuity roll, 136 more than the previous year.

Promotion

Mailing of "THE YEARS AHEAD", the Board's official publication was increased to 30,000 in February 1957. A new color film, also with the title "The Years Ahead", was produced during the year. It is being used throughout the Southern Baptist Convention at state, associational and district meetings to explain the Board's work and to show the benefits provided by the various protection and retirement plans.

Presently, only 34% of our Southern Baptist ministers are enrolled in the Annuity Board's protection program. The Board's Promotion Department is constantly working to enlist the thousands of others in this vital program. A study of the retirement or pension plans of other denominations reveals an important fact. In the denominations showing the greater percentage of their preachers in the protection program, the church assumes the entire financial responsibility, paying the pastor's dues as well as its own.

Out of the approximately 11,000 Southern Baptist churches now participating with their pastor in this protection program, around 36% are paying both member and church dues. It is hoped our churches will give this matter some serious thought as a possible solution to giving these other preachers and their families the protection they need through the Annuity Board's program.

Financial Security

The Board's financial security is dependent on the work of the Investment Department. It is this department's duty to safeguard and increase by interest additions, the funds belonging to members of the retirement plans. Last year, 97.55% of the Board's total assets were invested for this purpose. Because of the splendid program of investments, the Board was able to add an additional credit of 1/2 of 1% to all the Board's reserves at the end of 1957. The basic rate of interest is 3%.

The Plan in North Carolina M. R. P.

On July 1, 1957 six hundred and two members were participating actively in the North Carolina Ministers Retirement Plan. As of the same date in 1958 M.R.P. membership stands at 553. This reflects the decreasing trend as expected since the Plan was closed to new members on January 1, 1956 when the Southern Baptist Protection Plan became operative in our state. During the year 23 annuities were set up - 22 Age Annuities and 1 Disability. The balance of the decrease is accounted for by transfer to other states; to Southern Baptist Protection Plan and by death of 5 members.

At present 190 Annuitants are receiving benefits from the M. R.P. and 1 from S.B.P.P.

S.B.P.P.

On July 1, 1957 we had 302 members in the Southern Baptist Protection Plan. During the year 115 new certificates were issued; 6 M.R.P. members transferred to the Protection Plan; 20 transferred from other states to North Carolina for a total increase of 141. On the other hand, 6 North Carolina members transferred to other states and two members withdrew from the Plan, leaving a net increase of 133 so that the Protection Plan now has 435 members. We have pending and in process 38 applications making a total of 473.

Total membership in both Ministers Retirement Plan and Southern Baptist Protection Plan now stands at 1,026. This means that about 35% of our possibilities is covered in our Plans.

We are encouraged with the year's progress but urge all pastors and workers to lead their churches to participation.

Ottis J. Hagler is Secretary of Retirement Plans in North Carolina and his address is Baptist Building, Raleigh, North Carolina. He is anxious to help pastors and churches obtain the benefits of the Plan in case of disability, old age, or death. Call on him!

Officers of the Board

Administrative officers of the Relief and Annuity Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

REPORT ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS

Our moral decline has been largely caused by a depreciation of personal integrity. The spirit that impelled Lincoln to walk miles to pay back a few pennies overcharged for a grocery item, or that which inspired Lee to advise a mother that her son should be taught to deny himself, has been laughed to scorn by our generation. Men with "sacred honor" are increasingly difficult to find.

And when men lose their personal integrity, they become cowards, unable to stand before any expediency, and their country is made a "fen of stagnant waters", bringing death to the flowers of virtue.

Concerning Literature and Church Libraries: pastors, Sunday School teachers, and other civic minded citizens need to make a special study of the trash being distributed by present day news-stands. Many of these publications are clothed in conservative covers for the purpose of deception.

Inside the covers, the materials sneer at chastity and christian morality as ridiculous and outmoded concepts. They glorify prostitution, advocate adultery, and give advice on the art of seduction. A distressingly large audience is reading this filth with a consequent debasement of personality and christian ideals.

Adequate church libraries are invaluable in counteracting these publications that poison the mind and soul. More than 700, or 20 per cent of the churches in the Baptist State Convention are realizing that fact and have established libraries. They are taking the positive approach to the problem by getting good books and people together.

Providing people with the best in reading material, we have the opportunity to turn them away from the vile and vicious habit of reading what will harm and destroy their christian witness. No one can fully estimate the powerful force our church libraries have in saving homes, solving emotional problems, facing social issues, deepening prayer life, overcoming temptations and strengthening every department of the churches.

I suggest that: Every church establish a church library and every church mobilize all forces available in seeking to eliminate the sale of pornographic literature.

Concerning the problems of Beverage Alcohol: The most persistent and serious problem, alcohol, cannot be "solved" by any one approach. We must muster science, sanity and sanctification to this great task. Education, legislation, and consecration are all needed. Both Individual efforts and concentrated attacks aid in the battle against this "running sore of humanity". The following "skirmishes" are all part of the overall campaign against the forces of evil.

We commend those who have exposed the excesses and duplicities connected with the sale and use of alcohol.

The most conspicuous success has been the documented story of the furnishing of free liquor to the members of the Legislature. The accurate information given The (Raleigh) News and Observer enabled this paper to make real news with picture and word description of irrefutable facts. Some improvement in the situation has already taken place. Continued pressure, following leads already established may help clarify more of the mysterious doings of liquor lobbyists and ABC board members.

The corrupting influence of alcohol has been shown by the laxness in enforcement of existing liquor laws on the local level.

ABC board officials have been called to task for allowing the sale of liquor to minors and the use of under-age waitresses in places where beer is sold. We commend the alertness of groups throughout the state who have called the attention of the proper authorities to these lax policies toward law enforcement.

We commend Baptists for the support in time and money which they have invested in the Allied Church League.

Lonnie Fleming

REPORT ON STATE MISSIONS

In the field of State Missions among North Carolina State Baptists there is a great work to be done. There are 4,500,000 people in the state. About 2,100,000 of the people are affiliated with some church. The remainder are unchurched. If 25 per cent of these are unsaved, then 62 1/2 percent of the people of North Carolina above the age of eight are lost. North Carolina, therefore, is far from being half Christian.

We have over 846,000 Baptist Church members in North Carolina. Perhaps 40 percent of these are enlisted and are being taught and trained in giving, serving, and living. This means that 60 per cent of our church constituency is not dedicated in the Christian profession. In this undeveloped area, the churches have their primary challenge.

Our people need to be taught and trained. This work is being done by State Missions through the Sunday School, Training Union, Brotherhood, Royal Ambassadors, Church Development, and Music Departments.

Sources of support for State Missions are: Cooperative program, Sunday School Board, Home Mission Board, Woman's Missionary Union Week of Prayer, and Sunday School offerings in the churches. If the needs are met, it will take \$603,000.00.

Therefore, will you as an individual and your Sunday School and church do your part so that the first part of the Great Commission might be obeyed--and that these great ministries might be continued to the extent that next year North Carolina and the world might have many more Christians and be more Christian.

Respectfully submitted,
G. Walter Walker

REPORT ON HOME MISSIONS

1958 has been the last year in the "Conquest for Christ" emphasis in Home Missions. Special interest has been centered around rural churches, big city churches and missionary education. The field is Southland U.S.A., Alaska, Panama and Cuba.

Ministries include:

1. Missionary education
2. Publications
3. Work among the negroes.
4. Direct missions
5. Cooperative missions
6. Military personnel
7. Jewish, deaf, migrant people
8. Rural churches
9. City missions
10. Evangelism

In 1959, "New Life for You" is the theme for the Baptist Jubilee Advance. Plans and programs lead up to the revival period in 1959 - March 15 - 29 April 12 - 26

Helps for this are available from your Baptist State Convention and your Secretary of Evangelism of Surry Association. As new life comes to individuals of Southern Baptist Convention, Home Missions will receive new life to start again the cycle to make new disciples.

Christians of the Southern Baptist Convention need to:

1. Study Bible, plus Home Missions
2. Pray earnestly and diligently
3. Dedicate total personality
4. Give sacrificially - time, talents, tithes and offerings
5. Teach our youth by precept and example that they may have God's call to give their service, their lives, in missionary service.

Respectfully submitted,
Rev. W. L. Campbell

REPORT ON FOREIGN MISSIONS

"In Japan, as in Texas, each soul is precious". "The first work of the whole church is to give the gospel to the whole world". "Missions is my mission".

Accepting these quotations as true, let us consider the basis of missions - community, state home or foreign. First, there is the urgent need which all the world has for salvation. This need is not limited to any one area, country or race. Rather, it is equally urgent for all. The further fact that salvation can be had only through belief in and acceptance of Jesus as Saviour adds impetus to the necessity of preaching Christ and His atoning word to every creature. The experience of saved men and women everywhere, in all ages, prove that the gospel is the power of God unto salvation to everyone that believeth. In Nigeria as in Surry County.

With full assurance, then, that "He can save unto the uttermost everyone that cometh to God by Him", we accept our task, or privilege, of World Missions, constrained by the impelling command of our Master: "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost, teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world". Matt. 28: 19-20.

As Christians, we cannot set aside this command. Making disciples of all nations is not a labor to be undertaken at our option or convenience. God is at work in our hearts giving us an increasing awareness of the world ministry He expects of us. We must translate His compassion into service day by day as we give Him to the World.

All of us are deeply grateful to our Foreign Mission Board for its tremendously effective ministry under the direction of Dr. Caughen and his associates. More than 2000 dedicated missionaries, together with 6000 nationals, are serving in 39 countries in varied ministries: evangelistic, educational, medical, publication, orphanages, good will centers, etc. Each would require a full report to give even a partial picture of what is being accomplished. At home, the ministry of the Board is equally effective to all our churches as it makes possible an unbelievable amount of promotional literature and visual aids. The Commission should be a must in every Baptist home. And yet, in the face of world needs, all accomplishments become pitifully small.

Four obligations rest upon our churches in Surry Association as we face this wonderful task of World Missions: (1) To teach World Missions. The doctrine of missions is so much a part of our "Articles of Faith" as is the doctrine of salvation. (2) To give an opportunity to every member to have a part in World Missions. The least as well as the greatest should share in this glorious task.

(3) To pray- "Day by day for the world I pray"- Let us see to it that because of our prayers our churches are missionary in interest, in gifts and in living representatives on the fields. (4) To share in the "2 plus" program of giving for World Missions and the 11% increase in special gifts through the Lottie Moon Christmas Offering. The stakes of our stewardship should be strengthened so that the cards of our love and witness shall bind the whole world to Him.

Mrs. Roy Davis

REPORT ON VACATION BIBLE SCHOOLS 1958

"I am not bound to run but I am bound to be true". May this motto be the motto of every adult in Surry County, may we be true to the trust our children have in us and give more boys and girls the opportunity to enjoy Vacation Bible School in 1959.

This year there were 2,371 boys, girls and faculty members enrolled in our Vacation Bible Schools with an average attendance of 2,097. Our mission gifts through the Cooperative Program were \$471.44. 41 of our churches made this report possible, two of these being colored schools.

Our thanks to every person making this report possible, especially to Mrs. Mae Omie Mosley, our State worker.

Respectfully submitted,
Mrs. Arlin Watson
Vacation Bible School Superintendent

STEWARDSHIP REPORT

Is stewardship old and out of date? Many would like to think so, but if it is, so is Christ and Christianity out of date. If we continue to feel that tithing is out of date, we are denying some lost soul the opportunity of knowing the way of eternal life, and robbing ourselves of the joys of a fully consecrated Christian life. Let each one remember the teachings of the Apostle Paul when he said, "Upon the first day of the week, let every one of you lay by him in store as God hath prospered him." (1 Cor. 16:2). "Will a man rob God? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings". "Bring you all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it." (Mal. 3:8 and 10).

Stewardship is not to be misunderstood as only covering the financial phase of our life. If true, God's work will suffer greatly. Our talents come under stewardship, also, both our physical and mental abilities. There is much work that has to be done in person. Jesus tells us that, "The harvest truly is plenteous but the laborers are few." (Matt. 9:37). Therefore, if we are Christians, we are to help wherever our abilities will let us. Surely we want to be good stewards. 1 Corinthians 4:2 tells us that it is required of a steward to be found faithful.

There is a great need for more financial support by our people and also there is much room for each one to put his talent into practice. In 1957, only 15 1/2 % of our church membership tithed. Let your talent help someone else to tithe. The advancement of God's Kingdom waits upon our stewardship.

Jack Joyce

REPORT ON RELIGIOUS LITERATURE

If Christ walked the highways and byways of Surry County as he walked the roads by the Sea of Galilee long ago - and if he dropped by your house for a social call as he dropped by the home of Mary, Martha and Lazarus, would you move frantically through the house gathering up magazines that you would not want Him to see on your tables? In all too many homes He would find stacked here and there popular literature which is unclean and fills the mind with unwholesome thoughts. There is no excuse for any Baptist "falling" for the rainbow colors and tricks of art that so many publishers use. The Baptist denomination has every right to be proud of the literature it produces for the uplifting of every member of the family.

When the North Carolina Baptist State Convention was organized in 1830, the Constitution stated its main purpose as: "the promotion of missions, education, social service, and the distribution of sound religious literature." How much of this sound, clean Christian literature comes into your home each week to lift up, inspire, and enrich the hearts and minds of your family? Are you a subscriber to the state paper, the Biblical Recorder? If Baptist would grow, then they need to know. Biblical Recorder gives to you a chance to be informed about all the phases of Baptist work in North Carolina. It belongs in the home of every Baptist family. If your church does not have a club plan, urge them to start one right away. How splendid it would be if we could encourage our churches to adopt the every-family plan through the church budget!

Baptist literature is wide spread and far reaching. We cannot discuss all the many fine books, magazines, and papers, but let a word be said for Home Missions, Commission, and Home Life. What an asset if we Baptist would subscribe and read these fine publications! Informed people must of necessity be reading people. Baptists must read if they would know the magnitude of Baptist growth; they must read if they would know the challenge of the areas where there is need for more growth.

Mr. and Mrs. Baptist church member, if you have children in your homes between the ages of nine and marriage, give them the best reading material available. Fill their growing minds with the things that will help them to grow spiritually. Ambassador Life, Tell and Y.W.A. Window classify as truly sound Christian literature for your youngsters to read. Bring these magazines into your home; you'll be glad you did.

With so much good material coming daily, weekly, and monthly from the Baptist press, everyone of us can have in our homes publications we are proud to read and to have our neighbors read. Let the reading table in your home give testimony to your Baptist faith and practice.

Respectfully submitted,

Mrs. Paul K. Lowe

ROYAL AMBASSADOR REPORT

This has been a good year for the Royal Ambassadors in the Surry Association. Much credit for the things done in the work this year goes to Rev. R. L. Wilson, former pastor of Calvary Baptist Church and Associational RA Leader.

Last November 5th, we had our Conclave with Fellowship Baptist Church. Dr. Luther Copeland, missions professor at Southeastern Baptist Theological Seminary and former missionary to Japan, brought an inspirational message to the fifty men and boys present.

The big project this summer was the promotion of a softball league among the chapters. Seven of the chapters entered the league. The season closed with Calvary defeating Holly Springs in the play-off. At the close of the final game, Calvary was awarded a trophy by the Surry Brotherhood, after which the Brotherhood treated the RA's of the Association to a weiner roast at Veteran's Park.

For the new year, there is a Leadership Course for the Counselors to be taught Friday night, October 31, at the Highland Park Baptist Church. In November, a Conclave will again be held for all the Chapters. Next summer, we hope to have all of the chapters enrolled in the Softball League.

The boys of today will be the leaders of tomorrow. We must take time to teach, train, and enlist them in God's service.

Respectfully submitted,
Everett Marion, Associational R A Leader

REPORT ON CHRISTIAN EDUCATION

Christian Education has been considered very important for many years in North Carolina. Christian men and women concerned about the training of young people in order that they will be happy, well trained, and useful christian citizens realize that christian education is very essential. These people have prayed and labored untiringly and as a result, we now have seven Baptist Colleges in North Carolina. Each one is an institution of which we can be very proud.

Our seven Baptist Colleges in North Carolina are Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate. Each of these christian institutions puts its stamp of christian truth and christian interpretation on its classroom teachings. Each seeks to train its students to live more intelligent and devout christian lives. You will find on studying that there are at least seven marks of a christian college that give it a distinctive position in the field of higher education.

The first mark of a christian college is its christian ownership. Our christian colleges are happy to belong to christian people who take pride in their progress and who share in their support. They are owned by 844,689 Baptists of North Carolina. The Trustees are elected by the Baptist State Convention.

This past week I had the privilege of visiting my Alma Mater, Meredith. What a thrill it was to find new buildings completed, others being constructed, while all the girls and teachers were just as busy as could be in their work! It made me very proud to be a graduate of one of our wonderful colleges!

The second mark of a christian college is its christian administration. The administration of a christian college begins with the trustees who are christian men and women, those who feel an imperative for christian service. These trustees have elected as presidents of these colleges, men of christian faith and character and who realize they are in a place to serve Christ and His Kingdom.

The third mark of a christian college is its christian faculty. We have more than 400 competent christian teachers. It is impossible to measure their wonderful influence on our young people.

The fourth mark of a christian college is its christian students. Most of these 7,634 students are from christian homes. They are expecting all the good things they had in christian homes plus all the essentials found in any college. Our Baptist colleges meet their demands. They find the training needed to fit them for better and wider service in a christian way of life.

The fifth mark of a christian college is its ideals. The christian faith is based on a great design for good living as seen in the life and work of Christ- It strives for perfection -- not always attained, but always sought.

The sixth mark of a christian college is its christian teaching. Undergirding all instruction in a christian college is the Bible. A study of the Bible gives one a fresh interpretation of history, languages, science and the arts.

Finally, the seventh mark of a christian college and real test is its christian service. The end product of a christian college should be christians at work for the Kingdom. You can go to nearly any place in the world and you will find the influence of someone who had come from one of our wonderful Baptist colleges.

May every Baptist in Surry Association decide today to give more loyal support in every way to these seven wonderful institutions that belong to us and are training our wonderful young men and women for greater service for our Saviour and King.

Respectfully submitted,
Mrs. Lottie M. Wallace
