Sr If you will hire me
up about 300 ft good nice poplar
plank mostly 2 inch after it is dressed
and some $\frac{1}{2}$ inch & some $\frac{3}{4}$ inch
and about 300 ft good pine 7 ft long
say one log that will make plank 15 to
20 inches wide for Bottoms & Boxes
the Balance good heart pine 12 inches
wide $\frac{3}{4}$ inch thick dressed on one side
for coffin lumber I don't care about
the pine being kiln dried, so it is air
dried it will do, all the pine to be
7 ft long the poplar to be good and
dried If you will get the plank up
for me and keep it in the dry after it
is dressed untill I can come after
it I will pay you the cash for it

OUR FIELD OF SUCCESS.

Illustrated pamphlet on Urinary Diseases. It includes numerous testimonials from well-known people. Sent by mail for ten cents in stamps. Send for it at once.

STONE. STONE IN THE BLADDER, no matter how large, is crushed, pulverized, washed out, and perfectly removed by our surgeons in the most skillful and safe manner possible, and without any cutting, thereby avoiding the great and imminent danger of the old and commonly employed cutting operations for stone. Send ten cents, in postage stamps, for pamphlet.

That no case of this class is too difficult for the skill of our specialists, is proved by cures reported in our illustrated treatise on these maladies, to which we refer with pride. To intrust this class of cases to small experience, is a dangerous

Above is Fac-simile of Gilt Label, Patented and Copyrighted.

Important Reasons for Selling
Dwight's Cow Brand
OF SODA.

It is PURE.

It PLEASES THE CONSUMER.

It MAKES WHITE BREAD, and gives the FLOUR
a good reputation.

Poor Soda makes yellow bread, and injures
the reputation of your flour.

If you desire the best, ask for DWIGHT'S
COW BRAND, and accept no substitute.

Our wrappers are highly ornamented, and bear
our name and the COW trade-mark as per the
above picture.

Some Jobbers prefer to sell THEIR OWN
BRANDS, because they pay a larger profit: these
are generally inferior, but cost the retailer just as
much

TWO POUNDS OF DWIGHT'S COW BRAND
OF SODA IS MORE THAN SUFFICIENT FOR A BARREL
OF FLOUR; and when it is known that poor Soda
spoil the Bread, dealers should sell only the best.

1885.

JOHN DWIGHT & CO.
