THE SINGING SPEER FAMILY

The Speer Family is the oldest organized group in the field of gospel quartet singing, and is a popular favorite wherever people listen to a radio, watch a TV screen or gather to sing gospel songs.

G. T. "Dad" Speer started his career in gospel music in 1908. He married Miss Lena Brock, also a talented musician, in 1920, and they raised a family of singers that has become known all over the United States and Canada. The original group consisted of Mom and Dad Speer and their four children. Time, of course, has necessitated several changes in personnel. The two daughters, Rosa Nell and Mary Tom, retired from full-time singing with the group after their marriages. Dad Speer, pioneer of the endeavor, passed away September 7, 1966, but the group is continuing the great work that Dad Speer started. The present group of singers includes Mom Speer and her two sons, Brock and Ben, all members of the original Speer Family. Other members include Brock's wife Faye, Miss Ann Sanders and Harold Lane.

The demand for public appearances by the Speer Family is greater than it has ever been before. In addition to appearing in gospel concerts and all-night singings, they also sing for civic gatherings and for city-wide revivals and camp meetings. Their hope and prayer is that someone will be made happy and the kingdom richer by their work.

They are seen on some of the nation's most popular syndicated TV shows. They have recorded 17 long-play albums of gospel music, one of which has recently been made available in an 8-track stereo tape cartridge. They currently record for RCA Victor and Heart Warming Records.

The Speers travel many thousands of miles each year in a modern sleeper bus, offering their variety of gospel songs, hymns and spirituals presented in forms ranging from solos to sextet arrangements.

Their versatile repertoire includes some form of inspiration and entertainment for persons of all ages. A cordial welcome is extended to everyone to see and hear "America's First Family of Gospel Music", the Speer Family.

Even though they have won many trophies, the highest honor came to the Hopper Brothers and Connie at the 1964 National Quartet Convention in Memphis, Tennessee when they won the grand trophy making them the No. 1 amateur quartet in the United States. As a result, they received a recording contract recognizing them as one of the up and coming quartets in the nation in the Gospel Singing field.

The Hopper Brothers who first started singing about eight years ago in their own church in Madison, N.C. have appeared in state competition and are much in demand by church and civic club gospel singing events. For three years now they have had their own radio program on Station WMYN in Madison each Sunday afternoon from 4:30 to 5:00 p.m.

Quartet members are Claude Hopper of Madison, manager and second tenor; Will Hopper, tenor of Madison; Monroe Hopper of Madison, Bass; Steve Hopper of Winston Salem, baritone and Paul Hopper of Madison is public relations director also, a bass singer. Connie is Mrs. Claude Hopper, pianist for the group.

MASTER'S QUARTET OF BURLINGTON

The Master's Quartet was organized in the year 1951 by four young men who had yielded their lives to Christain work through the spiritual teaching of the Andrews Memorial Baptist Church in Graham, N.C. The demand for the services of this quartet has grown to new heights in the last few years. It is known as one of the most spiritual quartets of today. Four albums have been produced with two of these still available for purchase. The Quartet has a weekly Raido program which is in the ninth year of broadcasting. For transporation, they use a Trailways Bus equiped with sleeping quarters and air conditioned for complete comfort. The quartet is yet to go full time but little time is left for other activity besides public work which each member is engaged in.

The manager, spokesman, and lead singer for the group is a personable young man with great zeal for gospel music. He is married and has one child, his name is Joe Loy.

Singing the baritone is the preacher boy of the group. A young man with an appealing, sincere voice accepted by the most critical ear. He is married and has three children, his name is Dan Webster.

Singing first tenor is one who has been enjoyed by audiences up and down the land with his most pleasing Irish tenor voice. He is married and does not have any children, his name is Walter Gurkin.

Singing bass for the quartet is a young fellow who is known as the little fellow with a big voice. A voice as big as the great outdoors. Not only does he have a big deep bass voice, but tones that are smooth as silk. He is married and has one child, his name is Jimmy Collins.

Accompaning the quartet is the youngest member of the quartet and is becoming well known by folks who enjoy gospel music. Only twenty-one, from the mountains of North Carolina, his name is Roger(Dale)Arrington.

Down through the years the Lord has smiled upon the Master's Quartet and whenever you hear them sing you can rest assured that they are doing their best to help somebody along the way.

THE JOURNEYMEN QUARTET

During the month of August,1964, four young men, a young lady, and her husband met together to form a gospel singing group. Their first meeting was held in a little country church, Yelverton's Grove, near Smithfield, North Carolina. The young lady was Allie Rose, who became the pianist for the group. Her husband, Norwood "Buck" Rose, while not having a singing part in the group, became a vital member who does a lot of driving and other jobs while accompanying the group on trips.

The other men were: Bobby Craft, singing first tenor; Royce Pittman, singing second tenor; Gordon Wells, baritone, and Don Balltzglier, singing bass as well as managing the group.

In the weeks to follow; they adopted a name suggested to them by a friend, Mr. Avis Adkins. The name was The Journeymen. From that time on they strived to achieve a "sound" as unique as the name itself. The name came quickly. The "sound" was to require many hours of hard work and sacrifice by their families, as well as by the members of the group themselves.

Their purpose in singing became clear to all observers as they began to travel. This purpose was, still is, and, I pray, always will be, to spread the gospel of Jesus Christ, their Lord and Savior, to challenge the hearts and minds of people who do not know Christ as their Savior and to spiritually bless the hearts of all listeners who do.
