Dear Esther,

I have copied pages from the William Rawely & Mary Davis Rawley Family Bible to be shared with others in the Surry Community College - Genealogy Library or where ever they can be of use.

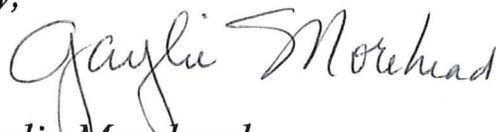

The Bible is in very poor condition – but - by adding the 1850 Census one can get the complete data for this family. This Bible is also important for the Matthew & Elizabeth Davis death data.

I also have included my current family group sheets. The < & > mean that I do not have proof of those names or dates.

I have not proved who Mary Davis' parents are. Evidence seems to be that John Davis is her father – because he is listed in the Rawley Family Bible. I know that William Davis had a daughter named "Mary" because she is listed in his Will. However, she was born almost a year before Wm. & Ruth were married – which seems unreasonable.

I appreciate the Genealogy data I found in Surry County and hope that something I have researched will be of help to someone else. I have my sources listed if anyone is interested. They can contact me at morehead@infowest.com.

Sincerely,

Gaylie Morehead
