WE GROPE IN darkness
Until education begins
To light our worlds,
And make amends.

Year by year
Knowledge is meant.
And memories go back
To those days well spent!

LONG AND HARD study,
Deep concentration,
Combined with ambition
And one's determination.

As we draw closer
To another year's end,
We find our true selves
And part from the "trend".

You'll forever reign,
But before we have to leave
Thanks to you again.

Thee we won't forget.

Whom we'll cherish yet.

SCHOOL SONG

On Mount Airy! On Mount Airy!
Fight, fight, for our fame!
Show the rest that we're the best
And make them fear our name!
(rah! rah! rah!)
All together, win forever,
Brave and fearless be!
We're on the warpath for our victory!
(rah! rah!)

ALMA MATER

Oh we love the Halls of Ivy and
To thee we sing,
This, our only Alma Mater
Evermore shall ring.

Chorus:
As we go our separate biways,
Thee we won't forget.
Hail to thee Dear Alma Mater
We will cherish yet.

Blue and white, yes, we will treasure
You'll forever reign.
You have watched and helped us to grow
Thank you now, again.

PENNEY'S

Always First Quality

Deenie,

Thank you so much for caring. Thank you for caring the most, complaining the least, working the hardest, and giving all you had when everything was down. Others may take the credit, but we know where it's due. We, as no one else could, realize what you have done and where we would be without you. Who stayed up the latest, lost more sleep, missed more classes, and paid more dearly than you? No one, Deen. Thanks for something we can all be proud of—a book that will always hold a place in our hearts.

THANK YOU FOR CARING!

As we stand at the gateway to the future our thoughts may travel back over the years. Our past holds many joys and sorrows which may bring tears to our eyes as we realize we must leave these halls of happiness behind and venture onward. The pathway will be long and hard, but the memories we cherish of our days at Mount Airy High will give our hearts a lift as we reach out to build our castles in the sky!
