THIS company manufactures Atlas White Portland Cement as well as its regular gray product. Atlas White has all the strength of gray Atlas and in addition is pure white in color and non-staining. Write us for booklets describing such uses of Atlas White as Stucco, Non-Staining Mortar, Ornamental Cast Stone Work, Swimming Pools, and Railroad Highway and Municipal Uses.

And with LUMNITE Cement, (a product of our affiliated Company) you can Build Concrete Today and Use It With Safety Tomorrow — because LUMNITE Cement gives full strength concrete within 24 hours. Write us for information about this time saving cement.
