Mr. C. M. Reeves

Dear Sir,

Yours 10th recd. did you ship the
stuff to Sumter S.C. and did McGowan Green
Co. order any thing they promised they would.
Did you make claim against Dow Ry for damage
on Car apples. I believe I will go back to Maxton
Let me know by return mail if you can ship a
small Car say

20 barrels good apples

20 crates Cabbage

8 Bu Potatoes in 2 Bu sbs

6 " Onions " " " "

What kind of apples are coming in now
The people always want to know the name.
So put some name on Barrels.

to Maxton

You can ship say Thursday that
will give you time to select good
Apples. If you can buy wine Japs they
sell well as they are red. If Burlington
are not all gone put in some. It keeps so
warm down here that am a little afraid for
Cabbage. For I want you to keep a loose out
when Bobb Payne sells his Tobacco for I want
the money. If you see M Colburn ask him how
much money he let Bobb have add to what you
let him have then take the amt from \$37⁵⁰
and the balance take from \$195⁰⁰ and
you have what he owes me for money
advanced him. Then 225⁰⁰ is the rest

me

he agreed to give. but if I get
the money I advanced less and I am to
allow him for building barn & say for
or \$100 on rent will be delighted.

His Tobacco. Horse & 2 Cows might bring
\$200 to \$250. I don't want to go to Mary
Now. Pay for on Car. You will find
the rates on Cabbage apples &c is the same
So agent at Maxton told me. both 22¢ each
When I hear from you as to what day you
will ship. I will go down there try to see it
by time it gets there. Don't send any quotation to
Red Spring Maxton. Lumburg & Lumberton.
Yours truly J W Gentry
