Make A Journey With Clubwork

For President Joan Bowman, official duties began at the 1990 Christmas Banquet with the "passing of the gavel" by immediate past-President Wendy Carriker.

1991 PRESIDENTS MESSAGE

To the Members of the MAJWC:

It is with great pride and excitement I greet the year 1991. Pride, because as President of the Mount Airy Junior Woman's Club, I have the opportunity to work with some of the finest ladies I know. Excitement, because I know with the leadership of our group we will have a lot of accomplishments throughout the year.

Together this year in fellowship and friendship we will continue to join together to make our club stronger than ever before. We play a vital role in our community which we can be proud.

My motto this year is "Make A Journey With Clubwork." Each day as each of us leave our homes we set out for a journey that we seek to accomplish. This year our journey will be to help others along the way.

So I invite each of you to take a journey with me this year for the betterment of our community.

Thank you in advance for all of your time, effort and dedication.

PRESIDENT'S MESSAGE

I hope each of you and your families had a Merry Christmas and a Happy New Year! I can't believe that 1991 is already upon us. I know we will have full and exciting year. A preboard was held Thursday night Jan. 3rd. Officers and committee chairmen exchanged information and began plans for the coming year. Your 1991 yearbook will be at the meeting if you did not get yours at preboard. Please check the information about YOU to make sure it is correct. My theme this year is "Make A Journey With Clubowork". This year I hope our journey will be to help others along with way.

We need to be thinking about a nominee for the Linda G. White award to be made at the dinner meeting. Qualifications are: The activities of a clubwoman who is 40 years old or younger. She will be judged on her NCFWC district and local work from 1-1-90 to 12-31-90 along with her participation in the community affairs, church, civic, political and other service organizations. Also considered is her cooperation with individuals and club members plus her honors and awards. The winner of this award will be announced at the state convention in March.

I would like to take this opportunity to thank each of you in advance for your time, effort, and dedication. I know in our busy lives today, it is hard to find the time to volunteer. A special thanks to Wendy for her help in this busy time. It has helped to make the transition much easier.

Joan

P.S. Take a litte kindness each day, mix it with love and understanding . . . Spread it on everyone you meet.

FIRST VICE-PRESIDENT

Happy 1991! Let's start the new year with installation of our 1st new member, Dee Ann Guthrie. We have received application for membership from Pam Lisk. She's employed at Primary Care as a medical radiological technician.

She's married to Bennie Lisk, a retail banking manager with Centura Bank and they have 2 children. They attend Central Methodist and she is sponsored by Stephanie Mapp.

We are hoping to have a social in February. A Mardi Gras theme is being planned. If possible, we would like to have this in someone's home to keep the cost to a minium. If you would be willing to do so, please let me know. Suggestions for any other socials would also be appeciated.

If you are interested in being a Secret Pal, I'll have the forms at the dinner meeting.

Sandra

Dear Wendy.

I just wanted to thank you and the other members of the Junior Woman's Club for inviting me to your January meeting. I enjoyed being there so much and to help judge the crafts was truly a privilege. I hope you all do well in the next level and go on from there to be finalists and winners. You are a talented and remarkable group, worthy of much recognition.

Every time I am with all of you I marvel at the many worthwhile interests and projects you pursue as a group. Knowing how busy you are with jobs and family, only makes your deep caring beyond all that, more impressive than ever.

I have enjoyed the lovely basket so generously supplied by Amy - Please thank her especially for me. Even though she did it for the group to give me, I want her to know of my gratitude. I put the wonderful dish towel to use the next day and all the delicious items were enjoyed and consumed in daily order. The basket is so useful and the assortment therein will be remembered as continuous treats at our house.

Thank you again — Best wishes to all - Love, Pat

P.S. I would like to donate the enclosed print to your scholarship fund if loan of your club.

Dear NCFWC Board of Directors

January 9, 1991 - No.2

WHO? - YES YOU!

If you are a new club president, you may wonder who or what is the NCFWC Board of Directors. YOU ARE, along with those that are listed in the Constitution and Bylaws, Article VII (blue section of the Yearbook). Be sure that you get a copy of the NCFWC Yearbook and other materials from your predecessor.

HAPPY NEW YEAR

May each of you have had a wonderful holiday season and may 1991 be a very good year for you and your clubs. The following are the dates for you to put in your new calendars as you get them all updated with NCFWC activities:

1991 - January 31 - NCFWC Executive Committee Meeting, Raleigh
March 20 - NCFWC Legislative Day, Raleigh (Information forthcoming)
March 23 - NCFWC Arts Festival, Salem College, Winston-Salem
May 1-3 - NCFWC Convention, High Point Radisson, High Point
June 7 - "Forum for the Future", Crystal Gateway Marriott Washington, DC
June 8-10 - GFWC 101st Annual Convention (same as above)
July - District Summer Tour (dates to be announced)
October - District Fall Tour (dates to be announced)
November 8-10 - GFWC Southeastern Region Meeting, Greenbrier, WV
November 15-16 - NCFWC Mid Year Board Meeting, Grove Park Inn, Asheville

---

SURVIVORS and WINNERS

Many of you will have completed your NCFWC reports and sent them to the appropriate NCFWC officers or chairman or you have gotten them underway. I know that you are proud of the accomplishments of your members and I do hope that you have shared their work through these reports so our North Carolina reports to GFWC will truly reflect what our clubwomen have accomplished during 1990. We appreciate your efforts and if you have survived the holidays and the reports, you deserve a "Night Out." DO ENTER FOR AN AWARD IF YOU HAVE BEEN ACTIVE IN A DIVISION OR DEPARTMENT. It only takes a little more effort and many awards have no entries especially from the General Clubs.

Attached to this Bulletin (Club Presidents only) will be the information on the GFWC Awards that has appeared in a GFWC CLUBWOMAN Magazine. You could be a national winner also!

NOT ALL OF YOU WILL TAKE HOME THE SILVER OR CERTIFICATES FROM CONVENTION BUT EACH OF YOU AND YOUR COMMUNITIES ARE THE TRUE WINNERS BECAUSE YOU AND YOUR MEMBERS HAVE GIVEN OF YOURSELVES SO SELFLESSLY.

*** GFWC INFORMATION ***

Please note that if you are the Club President you will receive mail from GFWC that they hope you will share with your clubmembers. THE LATEST MAILING WAS MARKED URGENT AND THOUGH IT ARRIVED DURING THE HOLDIAYS, I HOPE THAT YOU WILL HAVE GOTTEN YOUR MEMBERS NOTIFIED OF THE OPPORTUNITY TO WRITE TO SADDAM HUSSEIN ENCOURAGING A PEACEFUL SOLUTION IN THE MIDDLE EAST.

A name change that may not have noticed - Plan International USA was formerly the Foster Parent Plan. Many clubs are involved in this project so be sure that you note the material is now using the new name, Plan International USA.

SHARE WITH GFWC

The GFWC CLUBWOMAN Magazine wants to have articles and pictures from the local clubs included in each magazine so I hope that you will LET ME OR BETTY TOBERT KNOW if you have a project that you would enjoy sharing with everyone. I have been asked to be sure that we are represented so I NEED YOUR HELP!

LEGISLATIVE DAY

Our Legislative Committee, chaired by Pat Davis, is making plans for us to visit with our legislators on March 20. Please read your February and March CLUBWOMAN Magazines for more of the details. This is an opportunity that we have not had for several years and we hope that there will be a great deal of interest.

NCFWC ARTFEST

Your February CLUBWOMAN Magazine will have more information from Mildred Wishon about the NCFWC ARTFEST project that was initiated last year. Mildred has graciously agreed to chair it again for the 1990-92 Administration and she will be glad to answer any questions that you may have. Please work with the Volunteer Coordinator of our Retardation Centers and find a student that you might sponsor for this contest that is held during our Arts Festival. Please note that this has been expanded to include some of the crafts. This is new to some of the Centers so you may need to begin now to make contact with the Center that is most conventient to you. The rules are as follows:

RULES FOR THE NCFWC ARTFEST CONTEST

WHO MAY ENTER:Any resident of any age at the five Mental Retardation Centers in North Carolina who is sponsored by any NCFWC club.

CATEGORIES:

(1)Art-a painting, drawing, collage or any two dimensional medium or combination of media in color or black and white. Graphics and/or type can be used to delineate the theme. Designs should be prepared on illustration board, heavy drawing paper or posted board. The maximum size of the work is 16" x 20".

(2)Crafts-A contestant may select one of the four crafts to interpret the theme of Life, Liberty or Happiness.

Nature Craft:Dried flowers, pine cones, painting on rocks, corn shucks, shells etc.
Paper Craft:Paper mache, paper sculpture, quilling, 3-D elevation, decoupage.
Dye Craft:Batik, hand or block print, stencil, tie dye, liquid embroidery
Decorative Painting:wood, metal, cloth etc.

DEADLINE: Send names of state entries to arrive no later than March 9, 1991 to: Mrs. Mildred S. Wishon, 1082 17th Ave., NW, Hickory, N.C. 28601.(Telephone:(704-327-4983)

Sponsoring Clubs have the responsibility of transportation and lunches for contestants and other guests who wish to attend the District and State Arts Festivals.

Dear Friends:

Thank you for your donation of $10.00 which we have deposited to Volunteer Services for use in special events and activities planned for our residents.

Your donation will help to make it possible for us to have the activities on our campus provided for residents and for special needed items that are purchased for individual residents.

We have our Very Special Arts Festival on May 23 and 24 on WCC Campus. You are all invited to come and enjoy the festivities and the artwork by residents and other handicapped people from the Western N. C. Area.

Sincerely

PRESIDENT'S MESSAGE

1991 has gotten off to a great start. Thanks to the Arts Dept. for a good job at the January dinner meeting. We have a lot of talent in our club. I hope many of our members will try to attend the District 6 Arts Festival on February 2 at Surry Community College.

Thanks to all who participated with the Education Department's selection of our Sallie Southall Scholarship recipient.

I've also heard some good rumors about the other department projects. I'm just really excited about all our departments this year. Everyone seems ready to get the ball rolling. Home Life will be hosting our February dinner meeting.

Correction to your yearbook - Sharon 's #789-5857.

Joan

FIRST VICE-PRESIDENT

Welcome to another new member, Pam Lisk, to be installed at our Feb. dinner meeting. Pam's address to 1937 Tanglewood Dr., Mt. Airy. Her phone # is (H) 789-8852 (W) 789-0454. She will serve on the Arts Dept. Please add this info to your yearbook.

We have received an application from Tina Butcher. Her address is 125 Smith Rd, Mt. Airy. She is employed at First Union as a teller supervisor. Her husband Todd, is now serving in the US Armu in Saudi Arabia. She attends Piney Grove Baptist and enjoys cross stitch, reading & walking. She is sponsored by Ann Towe.

This is really great to have applications and installations each month. Keep them coming! Invite your friends to a meeting or social. Spread the word about the interesting things we do.

Lets all remember to wear ourname tags at our meetings. It makes it easier for our prospective new members, speakers, guests. If you don't have a name tag, I will have some available for at the dinner meeting. If you bring a guest, see me for a name tag for them also. Wendy has agreed to put together some cross stitch kits for those of you who need to make one. If you don't "stitch", make a new friend who does!

Our Mardi Gras social will be 2-16-91 at Betsy Manieri's. We will take a count at the dinner meeting.

The cost will be $5 a person. We will need volunteers to help with some of the food. Gail Theard will be making red beans and sausage. We will need tossed salad & dressing, french bread, rice, king cakes (see Amy Slate), chips, dips, etc. - sign up at the dinner meeting. BYOB (mixers provided). There will also be a Cajun Auction. Sandra

For Your Information

Here is a little about New Orleans Mardi Gras so you will know in advance what you are celebrating:
Mardi Gras began in New Orleans in 1837. It was formerly a Christian celebration in medieval Europe. The Mardi Gras season begins on January 6th also known as "Kings Day" or Epiphany or the Twelfth Night (12th day after Christmas). The carnival season continues until Mardi Gras day or Fat Tuesday which is the culminating day of the pre-lenten season. Therefore, it is the day before Ash Wednesday which is the beginning of Lent.

Mardi Gras consists of lots of parades and balls. The parade groups, also called "Krewes" toss well over a million dollars worth of "throws" from their floats to the crowds in the streets. "Throws" are beads, plastic trinkets, aluminum medallions called doubloons, cups, frisbees, flowers, panties, coconuts plus more. We will have a sampling of "throws" for you to wear and keep at our party!

King cakes are made by the bakeries in New Orleans only during the Mardi Gras season. There is a little baby (Jesus) hidden in the cake and the person to get the baby in their piece of cake has to provide the next King cake.

RECOMMENDATIONS OF THE BOARD

*Motion to accept Pam Lisk into club membership
*Motion to provide refreshments for AIDS support group
*Motion to donate $285 to the Veterans Hospital in Salisbury to purchase a TV
*Motion to use raffle money from Christmas banquet towards TV for Veterans Hospital in Salisbury.
*Motion to donate $60 for medicine for Justin Collins of Dobson, 18 months old who has twin compression syndrome

Surry Arts Council can always use our support, but especially with the committees for the Mayberry Magic 1991 Follies - give them a call if you can help.

The New York production of a Chorus Line will be at the War Memorial Auditoriuml in Winston-Salem 2/19-21. Tickets are $25.50 .and $27.50 and can be bought through Ticket-tron (800-543-3041). It will then travel to Charlotte , Feb. 22-24th.

Cross Stitch enthusiasts - mark your calendar for April 4-7 for the Spirit of Cross Stitch Festival at the Benton Convention Center in Winston-Salem.

Wendy

CONSERVATION

Our emphasis this year is on our environmental issues, conservation, and education. So get to know your garbage and care about what happens to it.

I will continue to take your newspapers if you will bring them to meetings. Wal-Mart now has a recycling bin for newspapers, aluminum, and plastic. Also, we ask that you bring those magazines and catalogs to dinner meetings.

Several teachers have expressed a need for them.

Please let me know if there are any special projects you would like the Conversation Dept. to undertake this year.

Kathy

HOME LIFE

Our department met and we have planned a busy spring. We hope you all will help us out with our projects. We will host the February dinner meeting. Bring your raffle money. We'll have some "great" items! Kathy Tilley is our speaker. She'll speak to us about the "Surry Friends of Seniors" program at the Health Dept.

The nursing home on Allred Mill Road needed 72 door decorations for the month of February. We will make them and get them delivered by early February.

Ou r annual club Bloodmobile is scheduled for Monday, March 11th , 1-6 pm at the new Red Cross building near the Armory. I will pass a sign-up sheet for food and working times at the dinner meeting. Please plan to help.

We have planned an Easter Egg Hunt for our parents and children for March 23rd at 3pm in the park behind the Gilmer Smith House. We will serve refreshments. Rain date is April 6th.

I will take your old magazines. They'll be recycled into waiting rooms at the hospital.

Call me if anyone needs to be remembered.

We are planning a shower for Yokefellow. They are in need of cornmeal, flour, and green beans. Thanks!

Pam

PUBLIC AFFAIRS

Citzenship - It is the goal of the Public Affairs Dept. to encourage each member to be a registered voter. Each of you will be asked by our dept if you are registered to vote. In order to register, go to the front desk at the Mt. Airy Public Library with your social security number and the name of the place where you were registered last. That is all there is to it. Our goal is to have 100% registration within our club.

Last year we sold flags. This year we will order flags for those within our group that want a flag. We will let you know the price at the meeting, probably $10.

Also printed in this newsletter are rules of U.S. Flag Etiquette. Please read

and enforce.

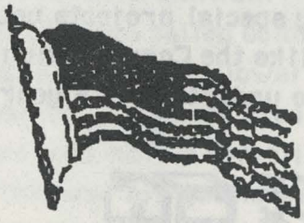

After being in contact with the Veteran's Hospital in Salisbury, the board of directors decided to purchase a TV that meets hospital specification for $285. The hospital has an on-going TV campaign fund. Having visited at the VA Hospital in Salisbury, I noticed the TV's displayed a plaque with the name of the organization donating the TV.

We had planned to send "rice krispie treats" to Saudi Arabia before the service asked that packages be withheld at this time. But, please do remember our service men and women by sending them a Valentine.

Crime Prevention - About 75 booklets, "Older Adults & Crime & the Fear of Crime" have been placed in Dr. Kerley's office by Public Affairs.

Safety - Home Security Tip: Security of the home increases in relation to the amount of money and effort expended. Avoid looking like a "good prospect" for burglary. Your home should have locks (best door locks are the mortise-type) and a "someone's home" appearance. Minimize shrubbery around your house. It can screen intruders.

Bennie

FLAG ETIQUETTE

The following are rules and customs of displaying the flag of the United States of America for use by the homeowner.

a) Display the flag only from sunrise to sunset unless illumniated during the hours of darkness.

b)The flag should not be displayed on days when the weather is inclement, except when an all weather flag is displayed.

c)The flag should be displayed on all days, especially on national holidays. State holidays & other days proclaimed by the President.

d)No flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States of America.

e)When the flag of the U.S. is displayed from a staff projecting horizontally or at an angle from the window sill, balcony or front of a building, the union of the flag should be placed at the peak of the staff unless the flat is at half-staff.

f)The flag should be displayed with the ... down, except as signa... distress in instances of extreme danger to life or property.

g)The flag should never touch anything beneath it, such as the ground, the floor, etc.

h)The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.

EDUCATION

Our local Sally Southall Cotten scholar is Renee Greene from Surry Central High School.

Please bring your gold Lowe's receipts to the dinner meeting. We also need you to bring any magazines that you are ready to discard.

PRESIDENT'S MESSAGE

Thank you to Home Life & Kathy Tilley for Feb.'s Dinner Meeting. Also, thank you to everyone involved in our Mardi Gras social. Everyone who attended seemed to have had a wonderful time. A special thanks to Betsy and Gail.

Pam, Jeannie, Sandra, and I are planning to attend the State Arts Festival at Salem College on 3-23-91. I am sure this will be an exciting day.

We have been contacted by the Cancer Society to help man phones for their annual Jail-A-Thon on 3-21 & 3-22 from 9am to 8pm. If you are interested we will have a signup sheet at the dinner meeting. Who knows you may want to have someone put in jail!

At our dinner meeting we will begin reciting the "Pledge of Allegance to the Flag." We should be very proud to live in the "land of the free and the home of the brave."

The March dinner meeting will be hosted by Public Affairs . . . Hope to see you all there. Joan

P.S. Thanks Secret Pal & the baby from the King cake does bring good luck!

FIRST VICE-PRESIDENT

We have received two applications for membership . . . Amy Snyder and Leigh Ann Epperson. Amy lives at 753 Cross Creek Dr and is married to Allen Snyder who is with First Union. They have 2 sons and a daughter. Leigh Ann lives at 2074 Cynthia Dr, is married to Kelly Epperson who is with WPAQ, and they have one son.

We will have 2 installations at the dinner meeting . . . Pam Lisk and Tina Butcher.

Thank you to all who helped with the Mardi Gras social.

Sandra

RECOMMENDATIONS OF THE BOARD

- To accept Debbie Warren's resignation.
- To accept Tina Butcher into membership.
- To donate $200 to the Surry Arts Council.
- To donate $10 a month to a teacher to help with class projects. This school year we will adopt Betsy Manieri's class.
- To donate $50 to Hospice of Surry County.

Martha

TREASURER

It was great the way so many of you cleared your accounts last month. There are still some old balances that need to be handled. Any past due balances will be reviewed at the March Board Meeting for

continued membership. Again, please call me at home if you have any questions or need to discuss your account. Also, many thanks to Joan and Sandy for handling the money at the meeting.

Cathy

DEPARTMENT REPORTS

ARTS

With Easter coming soon everyone thinks of Eggs. Here's a recipe for Sugar Eggs that are very easy to make. The eggs are hollow inside with a panoramic scene of bunnie and flowers to mark the coming of spring. A demonstration will be held at the dinner meeting and a workshop will be held at my home on Wednesday, March 20 at 7:00 pm to assemble the eggs. (You will need to bring your own shells - everything else will be provided.)

Sugar Shell
1 cup granulated sugar
1 teaspoon water
Knead sugar and water to resemble damp sand. Pack sugar into half of egg mold (a Leggs Egg cut length wise works well) Scoop out center leaving 1/4" shell. With a metal spoon, cut end whole in pointed end of mold. Repeat with other mold half. Carefully, invert on plate and let dry. If the shell is too thin, it will collapse. Yields 2-3 complete eggs. Decorate with Royal Icing.

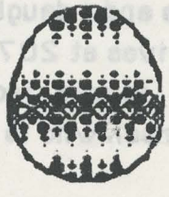

Royal Icing
3 tablespoons Wilton Meringue Power (available at Wal-Mart & Dicksons)
1 lb (4 cups) confectioners sugar
6 tablespoons warm water
Beat all ingredients at high speed for 7-10 minutes until icing forms peaks. Keep icing covered with a damp cloth while using. Store in air-tight container. Color with paste food coloring.
Note: Royal Icing is edible. It dries candy hard & is perfect for joing the eggs plus making the inside decorations.

A big thank you to Joan, Jeannie, Sandra, & Pam for representing us at the State Arts Festival on 3-23-91 at Salem College.

Red, White & Blue Bows will be for sale at the dinner meeting for $2.00 a piece - all proceeds will go to the Arts Department.

Kits for name tags will be available at the dinner meeting - also chart is in the newsletter.

Wendy

CONSERVATION

The Conservation Dept n... 2-18-91 for dinner at Kathy Tilley's home. Many plans were made to keep us busy improving and preserving our earth. You will be hearing much more from us concerning all types of recycling on a monthly basis. Here are some facts from "Earth Matters: Food For Thought":
Weekly Sunday Papers - It takes an entire forest - over 500,000 trees - to supply Americans with their Sunday newspapers each week.
Junk Mail - Americans receive enough junk mail in one day to produce enough energy to heat 250,000 homes. That adds up to one hundred million trees per year.

Kathy

HOME LIFE

Remember!!! Our bloodmobile is Monday, March 11th from 1 to 6pm at the Red Cross Chapter Building near the Armory. If you signed up to bring food or to work, please do not forget!! Those of you who took phone numbers, please remember to call.

Begin saving Heinz baby food labels. Money from Heinz will be sent to a local children's hospital. More

ation at the meeting.

Easter Egg Hunt is
rch 23rd at 3pm at the
lmer Smith House.
Remember to bring your used plastic eggs to the March dinner meeting.

The Yokefellow donation this month is OATMEAL. Please bring a box to the meeting.

We will have a Mother's Day Make Believe Tea on Mother's Day. This is for Cystic Fibrosis. More about this at the meeting.

PLEASE begin saving your UPC code bars from Scott products. Proceeds from this project go to the Ronald McDonald House. Some products are: Job Squad Towels, ScotTowels, Viva Towels, Waldorf, Family Scott, Cottonelle, Soft n' Pretty Bathroom Tissue, Baby Fresh and Wash-A-Bye Baby Wipes, Softkins Cleansing Wipes.

We have received a thank you note from Stephanie Pavic, thanking us for our support of the Aids Support Group.

Pam

EDUCATION

Please remember to bring gold Lowe's receipts. These will be used to purchase Apple computers and software at local schools. Teachers in our club can use magazines for classroom activities. Betsy Manieri is MAJWC's adopted teacher for this school year. The club donated $30 for her to purchase supplies.

ATTENTION: Schools in need of supplies!!! Shower at the March dinner meeting!! Please bring any of the following (new or used):

crayons	magic markers
scissors	newsprint
rulers	glue
stickers	rubber cement
pencils	poster board

A HOBY leadership scholarship participant will be chosen. MAJWC will donate up to $150 for this seminar.

If there are books you plan to discard, please bring them to each dinner meeting. Children's books will be donated to local schools. Adult books will be available for any clubmember who would like them. Those not dispersed will be donated to local agencies.

All the stitches are cross stitches. The symbols show you what colors to use. Be sure all your stitches lay in the same direction: bottom stitches one way and top stitches in the opposite direction. To outline follow the directions below.

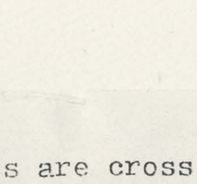

TO BEGIN STITCHING - Seperate your six strands of floss and thread your needle with two strands of light green. Find the center of your fabric and count 12-14 spaces to the left depending on the length of your name. Stitch rose first, then your name using the alphabet provided in back stitch.

TO FINISH - Iron interfacing, bumpy side to WRONG side of stitching. Trim to fit plastic name tag holder.

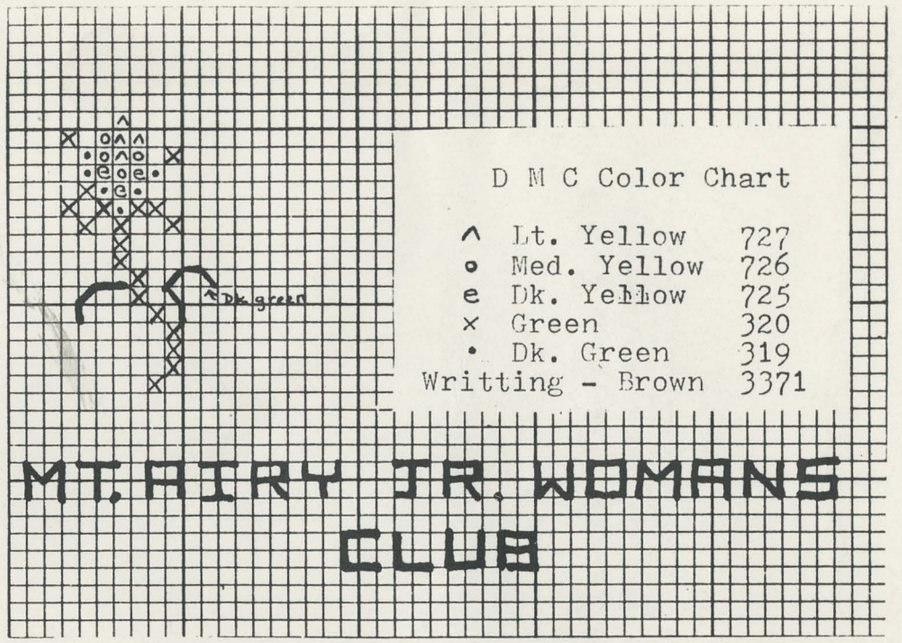

Every effort has been made to assemble this kit error free. If you have problems or shortages write to: Wendy Jane Creations

PRESIDENT'S MESSAGE

Thank you to Public Affairs for our March dinner meeting. Also, a thank you to Pam Harrill and her department for a successful Bloodmobile. This is the first time in several years we have met our goal.

Sandra, Pam, Jeannie, and I attended the State Arts Festival at Salem College. We had a nice tour of Old Salem. It's not all meetings!

North Carolina Federation of Women's Clubs' State Convention will be May 1-3. Junior Night will be on Thursday. Sandra and I are planning on attending Junior Night and Wendy will be serving as a page. It would be nice if we bring home a state silver award.

We have been contacted by the Chamber of Commerce to serve as hosteses for a 4th of July celebration for veterans and our men that served in the Persion Gulf crisis. They need about a dozen volunteers to assist in passing out programs, flags, etc. We will have a signup sheet at the meeting.

I look foward to seeing you at the dinner meeting with the International Affairs Dept. as hostesses.

Thank you secret pal for the lovely flowers. They could not have come at a better time. They made my day.

Have you taken time out to look around at what a beautiful time of year it is? In our busy lives sometimes we forget to stop and "smell the roses". Joan

FIRST VICE PRESIDENT

Two new applications for membership have been received . . .Barbara Jones lives at 133 Brentwood Drive in Mount Airy (789-5403). She is married to Weldon Jones and has 2 children. She is a full-time student working towards a bachelors degree. Barbara is sponsored by Jeannie Noble. Bonnie Flythe lives at 1110 N. Main St. in Mt. Airy and is married to Jimmy Flythe. Bonnie is a full-time homemaker with one son. She is sponosred by Dee Ann Guthrie.

Please remember to wear your name tag and be sure at the dinner meeting to get one for your guest. Plans for a social are being made for May and June. Sandra

RECOMMENDATIONS OF THE BOARD

- Motion to donate $100 to NC Public TV
- Motion to donate $25 to Special Olympics

Thanks to my Secret Pal for my Valentine's and Easter gifts. Martha

TREASURER

The current balance is $1,830.49. The good news is that most accounts are now current. Please remember to give me a call if there are any questions or problems with your account.

Cathy

DEPARTMENT REPORTS

ARTS

Thank you to all who attended the Sugar Egg Workshop last month. I think it was very successful and we have found a fund raiser for 1992! If anyone has ideas or crafts they would like to do in a workshop, please let the Art department members know.

As reported at the March dinner meeting, we would like to make a substantial donation to the Western Carolina Center in Morganton to help fund their Very Special Arts Festival. We may attempt a trip to visit them.

CRAFT TIP: A great way to remember Grandma and Grandpa this year . . . Take your "little darlings" hands (or feet) and paint them with a nice coat of stencil paint. Then press them onto a clean prewashed t-shirt or sweat shirt. (Place cardboard or newspaper inside shirt to avoid seepage.) When dry, iron with a hot iron to set in paint. Don't forget to sign and date the masterpiece with paint or permanent markers. There's a golf shirt "somewhere" in Mt. Airy with a tiny blue foot print on the pocket and a black heel.

POINTS ON PARLIAMENTARY PROCEDURE

It wouldn't hurt if we took a minute to read pages 72-76 in your yearbooks on Parliamentary Procedure. We need to remember to make and second a motion BEFORE it is discussed. Then after the discussion we "move the question" and vote.

Wendy

CONSERVATION

Please remember to bring your spare bud vases (with ribbon if you still have it). We plan to recycle them for distribution to mothers who may not otherwise be remembered on Mother's Day. We plan to have string shopping bags for sell at the dinner meeting. These bags are an excellent way to decrease grocery bags usage and hold an amazing amount.

Do not bring your plastics for recycling! We were unable to locate a [illegible] redistribution center [illegible] a reasonable radius. Pl[illegible] do continue to bring your newspapers.

EARTH MATTERS:

A can thrown away will still be litter up to 500 years from now. Energy saved from one recycled aluminum can will operate a television for 3 hours. Making aluminum cans from recycled aluminum uses 90% less energy than making aluminum cans from scratch. Pepsi cans are now aluminum.

Kathy

EDUCATION

Thank you for your support of Mount Airy City Schools. The items brought are already in use. Betsy has put the money donated into action within her classroom.

Mrs. Bush is the Honary Chairman of the GFWC Literacy Project. This is the "Year of the Lifetime Reader". Please share the title of any wonderful book we should all know about. These titles will be listed in the newsletter.

Continue to bring Lowe's gold receipts. We have collected $400 in receipts. One point will be given for each receipt given in the name of Mt. Airy Junior Woman's Club and reported to Jeannie.

HOME LIFE

Please continue to save your Scott UPC symbols, your Heinz baby food labels, and your magazines.

The Easter Egg Hunt was "rained out". Rain date is Saturday, April 6th at 3p.m. at the Gilmer Smith Park.

We are planning to schedule a tour of the Gertrude Smith House. More information at the meeting. Pam

INTERNATIONAL AFFAIRS

The International Affairs Department will sponsor an international cookie exchange at the April dinner meeting. Each person needs to bring **54** cookies, a container to take your cookies home in, and your recipe. We will try and put together a cookbook and give one to each member. If you are having trouble finding a cookie recipe, call me. I have several.
Penny

PUBLIC AFFAIRS

Please register to vote if you haven't already. We will be asking (one on one) soon. In order to register, go to the front desk at the Mt. Airy Public Library with your social security number and the name of the place you were last registered. Our goal is 100% voter registration within our membership.

We have 1 US flag left. The price is $10.00. The flag will be at the meeting if you want it.

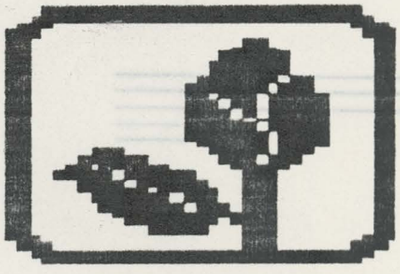

We received a thank you note from the VA Hospital in Salisbury for the money donated to purchase a TV.

The Chamber of Commerce along with other orgranizations will hold a 4th of July celebration. We have been asked to be hostesses for the 11am event. There will be signup sheet at the meeting.

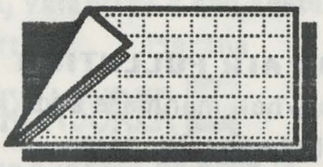

SAFETY: Public Affairs is looking into holding a babysitters clinic early this summer. Details have not been worked out on this yet but there would probably be 4 to 5 two hour sessions covering safety, emergencies, etc. More about this later.

INDOOR AIR POLLUTION results when manmade and natural chemicals, gases, particles and other substances are produced or released in the house. These pollutants come from household cleaning products, wood or fuels that are burned, building materials and products, furnishings, paint strippers, pesticides, the soil under a house and human activities. Air fresheners release pollutants almost continuously.

The American Red Cross is sponsoring at the new Chapter House from 6:00 to 10:00 pm the following classes:
April 9-11: Standard First Aid (Includes CPR). Cost of $26.00 includes books.
April 16-18: Adult, child, infant CPR. Cost of $29.00 includes books.
If you take both the cost is $46.00. Wesley Wood, a parametic, is the instructor. Call the Red Cross office to register. Bennie

MT. AIRY JUNIOR WOMAN'S CLUB
1991 GFWC CELEBRATION REPORT

The Mt. Airy Junior Woman's Club celebrated General Federation of Woman's Clubs Day at our monthly meeting in April 1991. The GFWC Celebration committee presented a program in which a brief legislative history of GFWC was read along with a statment of the purpose of GFWC. A few facts about the "way things were" in the 1800's were shared with club members which drew a few chuckles. Some of those facts included that leisure activities in the late 19th century aided courtship, and that women never expected advancement to higher paying jobs, "It is not assumed they (women) have the calibre for executive positions". Jennie June Croly, realizing that women needed to form an organization that would bring them all together, founded Soroses in New York City in 1868 which brought Woman's clubs together to form GFWC in 1890.

Our Birthday Celebration theme was carried out with a birthday cake inscribed with "HAPPY BIRTHDAY GFWC" that was served as dessert to all our members. This annual celebration serves as a reminder for how much women's lives have changed and helps to keep the goals of our club founders in perspective.

Program: Chuck Morris, Mt. Airy City Schools Superintendent
Hostesses: Education Dept

PRESIDENT'S MESSAGE

Thank you to International Affairs for our April meeting.

The 89th convention of the North Carolina Federation of Women's Clubs will be May 1-3. Wendy will be serving as a page and hopefully she will give us a report at the May meeting. It may be such fun that we will all want to serve as pages next year. This is a very impressive convention to attend. It is conducted in a very formal and organized manner. I hope everyone will get the opportunity to attend a state convention.

Please remember to turn in point sheets. We are already through half our club year. My does time fly!

Thank you secret pal for the lovely birthday gifts!

Joan

RECOMMENDATIONS OF THE BOARD

- To pay for the dinners of two additional guests that will be accompanying our scholarship recipient.

Martha

TREASURER

The current balance is $841.80. Many thanks to all who cleared all old balances. As you can tell by our balance, it is imperative to keep all balances clean. Thanks again!

Cathy

SECOND VICE-PRESIDENT

Department chairmen need to get District reports to me by August 27th (August Board Meeting). I will contact you in August to remind you. Please contact me if you have any questions about reporting.

Thank uou to mu secret pal. You have been wonderful.

Kelly

ARTS

After speaking to the director of Creative Therapy at the Western Carolina Center in Morganton, I realized how much they can use our help. The residents make ceramic wind chimes and sculptures to sell to help support themselves. Their 30 year old kiln is close to death. Although we could not provide the total amount for a new kiln, I think we could work toward a substantial donation. We will be planning a fund raiser or two for this "cause" and look forward to your help and support.

The Surry Arts Council has many programs for the summer months. Please support them also.

Wendy

P.S. Thanks to my secret pal for my anniversary flowers.

EDUCATION

Our department is honored to host the May dinner meeting. There is a lot on tap so don't miss it.

First, the membership will be overwhelmed when you meet Renee Greene, the Mount Airy Sally Southall Cotten Scholarship recipient. Please bring a gift so that we may shower her. Her father and her guidance counselor will be in attendance.

Second, Chuck Morris, Superintendent of the Mount Airy City Schools, will be our guest speaker. His topics are very timely. He will discuss the School Bond Referendum and his four year plan for the system.

Also, apples were sent to all the teachers in the Mount Airy system for Teacher Appreciation Week.

Remember to continue reading. This month's book of the month is *Raney* by Clyde Edgerton. This is a humorous, wonderful story about a North Carolina family written by a North Carolina author.

We have nominated Renee Greene for the Jaycee's Distinguished Citizenship Award.

Finally, please remember to make a positive vote for the School Bond Referendum on May 24.

Thank you for writing our state legislators.

PUBLIC AFFAIRS

Citizenship - The Mt. Airy Juniors will help with the July 4th Celebration at Veteran's Park sponsored by the Chamber of Commerce. Last meeting, I passed around a signup sheet but never received it back. Another signup sheet will be passed around at the May meeting. Please commit yourself to work for 2-2 1/2 hrs on 4th (begins at 11am). Please register to vote. We will be asking at the meeting!

- The American Red Cross is sponsoring a Babysitting Class at the Red Cross Building, Saturday, May 11, 1991 from 9am - 4pm. A charge of $12.00 will be for supplies for the girls and boys ages 11-14. They will learn to do simple first aid, feed infants and children, diaper and dress babies, and how to play with children of different ages and more. Each participant needs to bring a bag lunch (they will supply the drinks) and also a large doll or teddy bear. Call a boy or girl and let them know about this class. Perhaps you would like to sponsor a boy or girl as a future babysitter for your child. Have them call the Red Cross Building so they will be listed as a participant.

If any of you took the Standard Aid or Adt Child Infant CPR sponsored by the American Red Cross, count it on your point sheet and also let me know for reporting purposes.

Crime Prevention - Do not leave your purse in the grocery cart while in the store. You may be embarrassed when you get up to the check out. Wallets can be lifted out easily.

Heritage - At the meeting, I will have a small bit of Mt. Airy history.

To the Sally Southall Cotten Scholarship Committee:

It is with great pleasure, we recommend Carolyn Renee Greene for the Sally Southall Cotten Scholarship. Renee embodies all the traits Sally Southalll Cotten instilled in women across our great nation.

Renee has been through adversity, having lost her mother of cancer three years ago. She shoulders the responsibility of the household duties which include not only housework, but the care of a younger brother. She has set attainable goals for herself and is willing to work and sacrifice to reach those goals. Renee plans to attend Surry Community College and then transfer to a four year college. This in itself is a testament to her devotion to her family. With the expenses of having more than one child in college and one child in elementary school, Renee understands she will have to work and provide an education on her own.

Renee is a warm and endearing young lady who will succeed on her own merits. She has been active in several areas of her school; including cheerleading (co-captain), SADD, Pep Club (president) and the Fellowship of Christian Athletes. While participating in these activities, she has also maintained high academic standards. She is 5th in a class of 171 and has a 98.1 grade average. She has received the Academic Award for 2 years and has been on the honor roll all 4 years.

The membership of the Mount Airy Junior Woman's Club is sure that Renee Greene is an applicant whose future is deserving of such a scholarship as the Sally Southall Cotten Scholarship.

Re: Renee Greene

I would like to recommend to you Renee Greene for your Sally Southall Cotten Scholarship. Renee is a dedicated student who excels in every academic area. She possess excellent critical thinking skills and is able to comprehend beyond a normal level for high school students.

As well as being an excellent student, Renee actively participates in every facet of school life. She is vice-president of the Pep Club, co-captain of the cheerleading squad, a member of the National Honor Society, Science Club, Students' Against Drunk Driving. Renee possesses the ability to lead, organize and cooperate which makes her an outstanding role model for other students. She is able to formulate original ideas and carry them through. She is dependable, honest young lady who is determined to be successful.

I urge you to give Renee very serious consideration for this scholarship because I do not think you will find anyone who is more deserving or who would be as appreciative for the help in continuing her education. She is the type of young person who will be successful both in college and in life.

Sincerely yours,

Gene Everette
Counselor

Whom It May Concern,

I feel that Renee Greene is an outstanding
ndidate to receive the Junior Woman's Club
holarship. She has been an excellent student
roughout her school career. Her leadership qualities
ve been evident as she participated in the
llowing clubs and academic organizations:

1. 2 years as Co-captain of Junior Varsity and Varsity Cheerleading Squads.
2. Vice-President of Pep Club
3. Science Club
4. Varsity Club
5. SADD
6. FCA
7. National Honor Society
8. Honor Roll all 4 years
9. 2 year Academic Award
10. Newspaper Staff

While the above achievements are important and impressive, I believe Renee's qualifications are also founded in her caring and compassionate nature. This is apparent in the commitment she shows towards her family and friends.

I find Renee to be a very responsible young woman with much to offer society as one of our brightest young citizens.

Sincerely,
Carol Lawson

TO WHOM IT MAY CONCERN

Re. Carolyn Renee Greene

It has been my privilege to have known Renee since birth. She has many outstanding characteristics, some of which are not found except in successful and dedicated young people.

One of these qualities of life in becoming successful in accepting the role of leadership. Renee endured a traumatic experience in the long-suffering illness and death of her Mother some three years ago. She stepped forward shepherding her brother and sister, concerning the work in the home, study chores, without resentment for either. Her ability to lead and get others to give their best efforts has been very impressive to me.

I have been ask to submit many letters of recommendation for students concerning scholarships and other academic awards over the last thirty years, but there have been none more deserving than Renee Greene.

Sincerely,

Clifford O. Scott

To Whom It May Concern:

I have been a single parent for over three years. It is a very hard and trying experience. After being married for nineteen years I was suddenly left alone with four children, after my wife died.

My income was reduced considerably and it has been very hard to get by. My goal with four children still at home is just to break even. Renee is a very hard worker and a good student. She needs all the help she can get, as I am unable to provide financial assistance to her. My other daughter is at Surry Community College in Dobson, North Carolina and I have a son at Surry Central High School in Dobson, North Carolina.

As I do not have the money to pay for her college education I think she is a very deserving and needy applicant and we would appreciate all help you could offer. As you look at all the things she has done and accomplished, and as you read her letters of recommendation, I am sure you will see that Renee is truly a special person and a special applicant.

Thank you,

Paul T. Greene

MY FUTURE PLANS

Education is important because it enables me to continue learning and developing my skills as a person. I enjoy doing my best and adding to my abilities by furthering my schooling. Going to college will help me get a good job and will also let me meet people from different walks of life. It will also help me mature more as a person.

I plan to attend Surry Community College for two years and then transfer to a four year university. My major will be in the field of accounting. I like to work with numbers and have always excelled in mathematics. I hope to eventually become a Certified Public Accountant.

Financial assistance is needed because there are two other teenagers at home. My sister is nineteen and currently attends Surry Community College and hopes to transfer to a four year university. My brother is fifteen and a freshman in high school. I live in a single parent home as my mother passed away two years ago, therefore, my father is the only source of income. I would try to find a job, but my home responsibilities come first.

Your consideration of my application will be greatly appreciated.

Sincerely,

Renee Greene

Junior Section
1990-92

March 15, 1991

Dear Ladies,

My congratulations to your club for having Wendy selected as a Page for our annual NCFWC Convention. As you already know from your March CLUBWOMAN, Convention is May 1-3 at the High Point Radisson. Having served as a Page myself in years past, I know that expenses incurred at Convention can begin to add up. Even though great pains have been taken to keep costs down, I'm sure the Clubwomen that represent your club would appreciate any financial help that you could give. Also, if a Page has children, any carpooling to various activities would make life easier for those left at home. Please take some time on your busy agendas to discuss ways you could help those that are serving our Federation. Each of us lends our time and talents to the Federation, either on the local, district, or state level; and each of us knows that the time we give effects our life.

If your club has already planned to help with expenses and/or life's details, please accept my sincere appreciation. If not, I hope that you will see fit to do so. I know that your Page will thank you, and NCFWC thanks you for lending her to us. I hope to see many of you in High Point. Take care.

To: All Juniors in North Carolina
From: Kim Pearce, Junior Membership Chairman

Convention 1991 is upon us! Our Junior Theme, having employed the use of the Hot Air Balloon, is "Up, Up and Away with Juniors!"

Junior activities will begin on Thursday, May 2, 1991. We will have our Business Meeting at 3:00 P.M. that afternoon, followed by a Junior/General Reception at 6:00 P.M. The Junior/General Banquet will begin at 7:00 P.M. After this banquet, this exciting evening will be "topped off" with The Junior Fun Night.

Please encourage all your members to attend. This is an excellent way to get all members "charged" and excited about Federation. Junior Fun Night should prove to be very interesting. The "child in all of us" may well come out with the games we'll play.

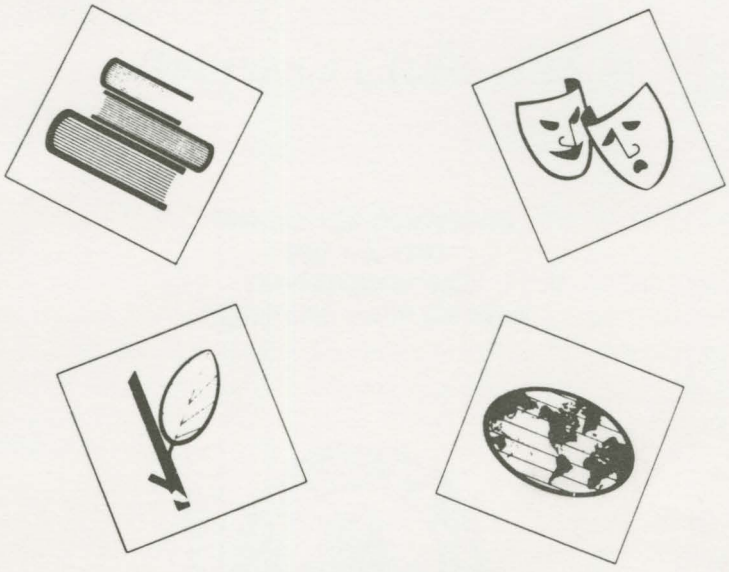

Don't forget to come by the Junior Suite while you are at the Convention. This is the "official" gathering spot for Juniors. There will always be something going on and something good to eat!

Presidents!, I really need you to send me a list of those members attending Convention who are mature enough to be "aging out" of our ranks. I'll have a nice surprise for them.

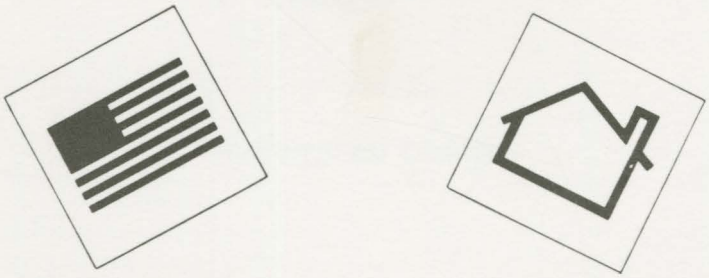

We really look forward to seeing you at Convention for some Federation "Fun & Folly."

FYI: We will be decorating our room doors. Also, the Junior Board will meet Friday, May 3, 1991 from 7:30 until 8:15 A.M.

Mrs. Joan Bowman, President
Mount Airy Junior Woman's Club
1109 Old Highway 601
White Plains, NC 27031

Dear Mrs. Bowman:

I am writing to you as President of the Mount Airy Junior Woman's Club because of an Open Forum letter to the Editor included in the Mount Airy News under date of May 22, 1991. The Editor used an item headline "Recycling Problem Needs to be Confronted."

I would like to set up a special item on our next business agenda for Tuesday night, June 4, for a detailed discussion and question opportunity regarding recycling. Will you please arrange for a committee or preferably the entire Junior Woman's Club membership to visit our meeting at 7:00 p.m. in the Mount Airy Council Chamber. We will arrange for the recycling item to be at or near the beginning of the agenda so that those with limited time can leave early if they choose.

Arrangements will be made with Commissioner Gene Bowman, Chairman of our Public Works Committee, and members of our Public Works staff to plan a presentation for this agenda item with detailed facts and information relating to recycling as we know it to date.

We are glad that the Mount Airy Junior Woman's Club has an interest in recycling and we would like to bring factual and complete details to your attention and give you an opportunity to ask questions. Recycling is very important to our community and will eventually affect all citizens and business in many ways. Please call me (Office 786-3501 or Home 786-4842) to confirm the June 4 date or suggest a date that would be more convenient.

Thank you and the members of the Mount airy Junior Woman's club for your interest in this important nationwide project to help our future.

Sincerely,

W. M. Beamer

Recycling Problem Needs To Be Confronted

Dear Editor:

If city officials don't soon "wake up" to the recycling needs of Mount Airy, they won't be able to "smell the roses" because of the garbage they are unable to dispose of. To get just separated household trash to currently available receptacles requires major scheduling. A special challenge is presented in attempting to find any place in Surry County that will accept plastics on a regular schedule.

Our children are educated that recycling is good citizenship. We are bombarded by the media about the lack of landfill space and the effects landfills have on our ground water. People are accepting that recycling needs to be done yet city officials seem to be taking few steps to provide us the opportunity to recycle on a regularly scheduled basis. They want to keep Mount Airy clean but are certainly missing a great opportunity.

Mount Airy Junior Woman's Club

Club Lobbies For Recycling

By TOM JOYCE
Managing Editor

The Mount Airy Junior Woman's Club has strong feelings about recycling.

So strong that about 30 members of the club attended Tuesday night's regular meeting of the city Board of Commissioners to push officials to get involved in recycling.

However, all the group got in return was an explanation by Mount Airy officials that the Surry County government really has the lead in setting the pace for local recycling programs. That's essentially because the county holds the required state permit for the county landfill in the Holly Springs area, where the city's garbage is dumped.

Another reason offered was that having markets for recycled items are a key to successful recycling programs, and by itself neither Mount Airy nor Surry County can generate enough volume to make recycling feasible.

"More and more all the time, it's looking like the regional approach," city Public Works Director Elmer Dawson told the woman's club members Tuesday night.

Dawson, who had prepared a special presentation on what the city has been doing in terms of recycling in conjunction with the club's appearance at the Municipal Building, said a regional approach would give individual local governments more recycling clout.

However, some of the club members — who peppered city officials with questions after Dawson's presentation — said they believe the city should be doing some efforts on its own. If nothing else, said John Springthorpe II, a local businessmen at the meeting, the city could buy boxes to which citizens or businesses could bring items.

That "would make a statement to the citizens," Springthorpe said.

Wendy Carriker, a member of the club, pointed out that children are being taught in school to recycle and it's frustrating to them and to parents when local outlets for recycling are so limited.

Dawson pointed out that the city has been working with local industries and businesses, the biggest waste suppliers in Mount Airy, on reducing cardboard, the biggest waste product, and seen some success.

Most other local efforts are limited to special recycling days held occasionally by the county in which people can take in items, and other programs of a Surry County recycling committee.

The county has been told it must reduce its landfill input by 25 percent by July 1993.

Despite pleas from the audience Tuesday night, city officials held their ground that recycling is really the main responsibility of the county.

Commissioner Gene Bowman said Mount Airy could break off from the county and begin its own recycling program, only to not get any needed county cooperation later.

After the meeting, Junior Woman's Club President Joan Bowman, said the group plans now to meet with the county commissioners on the matter.

"I feel that our club's direction is going to the county," she said.

RECYCLING EFFORTS
MOUNT AIRY & SURRY COUNTY

Senate Bill 111 (recycling) has awakened everyone to some realities that should have been realized years ago, that is the fact that American people throw away tons of resources that can be and should be recycled or reused.

Following is some information about recycling in and around Mount Airy:

Senate Bill 111 states that local governments holding a solid waste management facility permit from the NC Division of Environment, Health and Natural Resources are required to initiate recyclable materials recycling programs by July 1, 1991 with a 25% reduction goal by July 1993.

Mount Airy does not hold a permit; Surry County holds the permit. Mount Airy uses their landfill and will have to abide by rules and regulations set forth by the county in order for them to meet reduction requirements. At this time, we do not know what plan of action they will take in order to meet the 25% reduction. Therefore, it would not be feasible to try to begin a recycling program until we know what direction the county takes.

In the meantime, some things we have done to promote recycling in Mount Airy.

We know in Mount Airy that industry generates a large amount of cardboard. We also know there is a fair market for cardboard in Winston-Salem and in Elkin.

Back in 1989, Mount Airy called a meeting of the major industries in Mount Airy and tried to encourage them to begin recycling their cardboard. This was also done again in 1990. Due largely to these efforts, well over 200 tons a month of cardboard is being diverted from the landfill via recycling.

We understand from the county that they plan on following up on this and try to get more industry involved in recycling.

Because of the volume involved and the available market we could see that business and industry is where we need to concentrate our efforts. We haul approximately 200 tons a week from business and industry and only about 30 tons from residential customers.

We have had three different organizations interested in putting a cardboard baling operation in Mount Airy, but so far we still don't have one.

Dear Prospective Participant:

On behalf of the Surry County Commissioners, North Carolina Cooperative Extension Service, and the Surry County Planning Department, please accept our invitation to attend and participate in the forthcoming **SURRY COUNTY RECYCLING FORUM.** This important public forum will be held in the **Teaching Auditorium** of **Surry Community College** on **June 20 - 6:30 pm to 9:00 pm.** Admin. Bldg

The purpose of the **SURRY COUNTY RECYCLING FORUM** is to discuss the problems and challenges our county faces in recycling and waste management. The information and ideas exchanged will provide direction and focus as to what kind of policy we need to develop in these critical areas. Presentations will be made by two other counties so that we can gain insight as to what options they are pursuing. In addition, our keynote speaker, **Ms. Mary Beth Powell, Recycling Director - NC Office of Waste Reduction,** will explain the ramifications of Senate Bill 111, which mandates a 25% intake reduction in our landfills by 1993.

Your participation in the Forum will make it a success. If our vision is to be accomplished, it is vital to have the counsel and input from citizens such as yourself who seek workable solutions too the needs of Surry County.

Please make plans to attend. Because of you, and other citizens like you, Surry County is an excellent community. Let's work together to make it even better.

As a concerned and committed citizen, we hope you will call and register to attend this very important forum. If you have specific questions about this forum or wish to register, you may call Joe Saylor in the Surry County Planning Department at 386-9361. To register you may also call the N. C. Cooperative Extension Service (Surry County) at 386-9274 or 366-4424 (Elkin residents).

OPERATION WELCOME HOME

Community Plans Special Welcome Home

By NICOLE HATCH
News Staff Writer

What began as an idea to hold a small event to welcome soldiers home from Saudi Arabia has flourished into a full-scale Fourth of July celebration.

Planned are games, music and fun for the entire family.

Operation Welcome Home, sponsored by *The Mount Airy News* and Mount Airy Area Chamber of Commerce, is a communitywide event designed to honor service personnel from Operation Desert Storm and veterans of past wars and conflicts.

Scheduled at Veterans Memorial Park in Mount Airy, the event will feature a ceremony with special music to honor the service personnel, followed by games and music sponsored by Reeves Community Center and WPAQ Radio.

Barbara Summerlin, who chairs an Operation Welcome Home planning committee, said organizers had no idea the event would flourish and receive as much support as it has.

"We started planning this because we felt like we needed to do something special in our community for July Fourth. And we were wanting to tie something in with the soldiers coming home," Summerlin said.

She and others began holding committee meetings that were open to anyone who wanted to help with the event.

"I knew there was a lot of passion for America developing that there hadn't been before," she said.

"But the phenomenal thing to me was that we had 100 percent attendance at all of our committee meetings, which does not happen all the time."

> "I am very pleased with it. I think it is an opportunity for everyone in our community to show their expressions and feelings for our country."
>
> —Barbara Summerlin

Once the group began brainstorming, the ball was rolling. And what was supposed to be a small celebration turned into a daylong event with activities of all kinds.

"I am very pleased with it," Summerlin said. "I think it is an opportunity for everyone in our community to show their expressions and feelings for our country."

A planned music program pertaining to the Independence Day holiday now includes so much more.

Gates to the park open at 10 a.m., followed by a 1½-hour ceremony at 11 a.m. The ceremony will include the presentation of "The Old Ragged Flag" and Pledge of Allegiance by local Boy Scouts of America troops, a singing of "The Star-Spangled Banner" by Legh Beal and special recognition of honored guests — specifically, Operation Desert Storm servicemen and veterans of past wars.

Speeches will be made by two guest speakers: Col. Leonard Russ, the commanding officer of Research Development Acquisition and Information Systems Activity at the Radford, Va., ammunition plant, and Lt. Col. Leslie D. Dorris, who served in Saudi Arabia as the executive officer of the 312th Evacuation Hospital, an Army reserve unit from Greensboro.

A musical salute to God and country is to be performed by members of the community under the direction of Kathe Beaver. After comments from event organizers, the program will end with a 21-gun salute by the Veterans of Foreign Wars Honor Guard.

Afternoon entertainment is to include a medley of favorite patriotic songs by Elizabeth Martin, songs and skits from "Anything Goes" by the Surry Arts Council and performances by various old-time dance music and bluegrass bands.

Games for people of all ages will include an outhouse race, a water balloon toss, an egg toss, a slingshot contest, a pie-eating contest, "Spam Cram" and much more.

Also, special displays will feature military-related items and a Operation Desert Storm quilt made by the Surry Quilters Guild.

Free hot dogs, drinks and flags will be given to the first 1,000 people to arrive at Veterans Memorial Park Thursday. Hot dogs and drinks will be sold after the ceremony. Summerlin said area residents are encouraged to bring picnic lunches and eat at the park.

The event is being funded by area individuals and businesses.

Contributions have been made by Merita Bread, Robby's Sales, Harrell Oil, F. Rees, J&B Foods (made up of Aunt Bea's, Taco Pronto and C.F. Jones Old Tyme Ice Cream Parlor), Ted Beaver, Blue Ridge-Burke Insurance, Smith's Auto Parts, Surry Temporary Services, John S. Clark Construction Co. and Moody Funeral Services.

Also making contributions were Belk of Mayberry Mall, the American Legion and VFW, Cross Creek Apparel, Wal-Mart, L.K.S. Starrett Co., Insteel Industries, Pepsi Cola Bottling Co., Kerns Bakery, Gracewood Funeral Home, Mount Airy Rescue Squad, the city of Mount Airy, the North Carolina National Guard, Foothills Awards, Workmen's Federal Savings Bank, Waste Management, Airmont Florist, Coca-Cola Bottling Co., Smith Drug Store, the Mount Airy Jaycees, Reeves Community Center, WPAQ Radio, Boy Scouts of America, the Mount Airy Junior Woman's Club, Curtis Packing Co. and Thomas and Howard Wholesale.

Summerlin said that Operation Welcome Home is not intended to be a money-making event. Any funds left over will go toward an existing scholarship program set up by area veterans to help nursing school students at Surry Community College.

Some Really Special People

In the news media, stories such as the one I am about to tell are often referred to as "Fred Nightingale" stories. The "Florence Nightingale Stories" (the obvious ones) usually make the news. But the so called "Fred" stories (the not-so-obvious ones) seldom make the news. Incidentally, "Fred" is used fictitiously, to make a point.

Now if you all will let me bend your ear one more time about July 4th, I promise to put my patriotic spirit on hold — at least temporarily. You see, I believe this "Fred Nightingale story" needs to be told.

Having been involved in civic work for most of my adult life (because I discovered early on that it is probably the most satisfying thing a person can do in their lifetime), I have learned one simple fact. The success of a community project, with the scope of our July 4th celebration, requires the kind of people who are willing to make an unselfish commitment toward an attainable goal. That is exactly why Operation Welcome Home was such a tremendous success.

When the event had ended, I personally received a lot of warm, kind and loving comments that really belonged to the wonderful coimmittee that worked long and hard on the project. Serving as chairman of this group was one of the really special times in all of my civic work.

Ours was a diverse group, brought together with a common passion. Some members of the committee were natives, others transplants. Some were men, some were women. Some young and some old. And of course there was the usual splattering of diverse personalities and general appearance. I won't get into the appearance thing, lest I embarrass those of us who might not fit into the "trim" category.

The fact that we had some former military people on our committee didn't hurt a thing either. Thurm Watts and Pat Barfield, both military men, had one of the really tough assignments. You can't begin to imagine what these two guys went through trying to nail down a guest speaker when every town and hamlet in America was trying to line up someone for their respective July 4th celebrations. They must have contacted every military station anywhere around.

In Thurm's words, once they had a commitment from not just one, but two speakers, "We've gone from being heels to heroes in just one week." Thurm and Pat's plan to produce a military band bottomed out early in the project, about the same time we learned that no less than 170 calls a day were being received, requesting military bands for the fourth.

Gail Theard

As it turned out, we could not have asked for, or hoped for, anything better than the musical salute to "God and Country" our own Kathe Beaver put together. She took about 20 of the best voices in Surry and put them together for what sounded like a 100-voice choir.

Angela Goins' rendition of "God Bless The USA" could not have been any better if Lee Greenwood had sung it himself. And then of course, the wonderful and talented Kathe Beaver moved a lot of us to tears, with her stirring songs and natural charm.

Teresa Garaventa gave "the look" to the celebration as she and her committee members went about decorating Veterans Park to give it a festive atmosphere. The huge banner, made and given to us by Cross Creek Apparel, through committeeman Dick Bourne, was really special. We plan on putting it up and taking good care of it, to preserve a part of our community history.

I don't know how I have managed to never cross paths with busy, talented Gail Theard on some civic project, but I have — until this. She gets all the credit for organizing the greeters at the event — members of the Junior Womans Club. Talk about first impressions!

Another one of the more difficult tasks of putting the project together was tracking down the many servicemen from Operation Desert Storm, as well as making contact with members of their families. Their presence at the celebration was critical. My husband, George Summerlin, and several other dedicated employees of The Mount Airy News, spent literally hundreds of hours as investigators. It paid off! Nearly all of the attractive plaques, made possible by L.S. Starrett and Foothills Awards were picked up by either the soldier himself or a member of his family. My husband said that the reward for him was seeing the soldiers, wearing their battle uniforms, coming through the gates, carrying young children and embracing other family members. A lot of these guys had just returned from Saudi Arabia the day before.

Another heavy-duty responsibility, carried off with expertise, was that of making arrangements for free food and drink, for a crowd that no one could have come near estimating. But Alan Snyder carried this off like a pro. Of course he had some good help from the Jaycees.

And there is just no way to tell all of you what Stentz Badgett and the local veterans organizations meant to the success of the July 4th celebration. I have known Stentz about all of my life, but have never worked on a civic project with him. One thing I learned in short order, if Stentz can't do something, he knows someone who can. There is a lot to be proud of with our local veterans organizations and the fine facility they operate.

To sum it all up, nothing good ever happens easily. It takes a lot of work from a lot of people. And some are usually left out when it comes to passing out the praise and the thank yous. So, a great big THANK YOU to everyone who had even the slightest role to play in this big production.

I don't know how it came to pass that I would have the privilege of chairing such a cream of the crop committee as was the Operation Welcome Home group. They all acted as chairman when it came to taking responsibility for their assignments. As a result, we all went away feeling good, and with something memorable on which to look back.

JOHN HOLCOMB WINS RAFFLE OF JWC

The recent Mount Airy Junior Woman's Club-sponsored gas raffle was won by John Holcomb, Joan Bowman, club president, has reported. The raffle was held July 4 at 1 p.m. at Neighbors on U.S. 601.

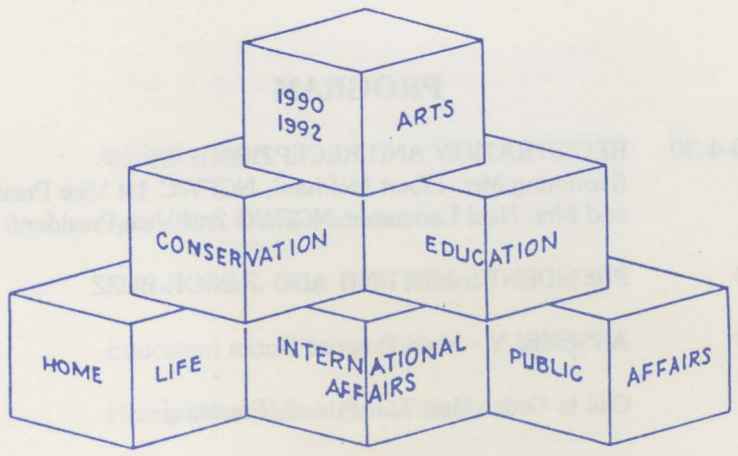

Bowman, who lives in Jonesville, is employed at Rappahannock Wire here. The local club sold $1 tickets for the raffle.

All proceeds from the drawing, Joan reports, will remain in Mount Airy for various charities.

John Holcomb receives his prize from Joan Bowman, JWC president.

A COLLECT FOR CLUB WOMEN

Keep us, oh God, from pettiness;
Let us be large in thought, in word, in deed.

Let us be done with fault-finding
And leave off self-seeking.

May we put away all pretense
And meet each other face to face,
Without self-pity and without prejudice.

May we never be hasty in judgement
And always generous.

Let us Take time for all Things;
Make us to grow calm, serene, gentle.

Teach us to put into action our better impulses,
Straightforward and unafraid.

Grant that we may realize it is
The little Things That create differences,
That in the big things of life we are at one.

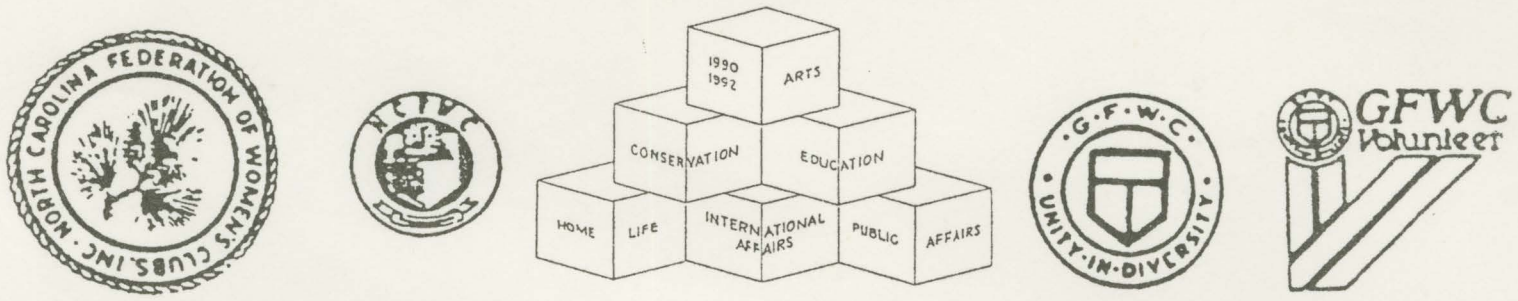

And may we strive to touch and to know
The great, common human heart of us all.
And, oh Lord God, let us forget not
To be kind!

NOTICE OF BOARD MEETING

Tuesday, Sept 24, 1991
Home of Penny Greenwood
7:30 pm

PRESIDENT'S MESSAGE

I would like to welcome everyone back. Can you believe that summer is over. A specialthanks to the Education Department for the May dinner meeting. Also a thank you for the yellow rose you sent following the death of my grandmother.

Our September meeting will be hosted by board members and we will be having a fashion show for children.

I hope everyone is ready to move into our busy time of year. We have several projects planned . . . selling pecans, Autumn Leaves Festival, Arts Department Halloween Party. I would like to say thanks for your support and hard work.

Sandra, Wendy, and I attended the Summer Institute in Salisbury in July. We received a lot of interesting information.

Hope to see you at the dinner meeting!

Joan

P.S. Board members - please remember to bring a raffle gift.

RECOMMENDATIONS OF THE BOARD

- Motion to have written ballot voting on new members by Board meeting members.
- Motion to pay for dinner meeting dinner for Amy Slate and Kim Holcomb who were high salespeople for gas raffle tickets this summer.

Martha

TREASURER

The current balance is $1,112.23. I mailed statements over the summer. If you have an outstanding balance, please clar your accounts asap. This year is rapidly coming to an end and we will be figuring next years budget so it is imperative to clean this up. Thanks a bunch!

Cathy

FIRST VICE-PRESIDENT

Welcome back, how fast the summer goes!!! Thanks to all who attended our social in June and special "thanks" goes to Joan and Johnny Bowman for having the social at their home. "A good time was had by all".

Plans are being made for a social soon. More details at the dinner meeting.

We have two applications for membership. They are Beth Witt, 221 Northwood Dr., Mt. Airy 789-9111. Beth is married to Kelly Witt, employed by Spencers, Inc.

as a designer. She attends Stuart Presbyterian Church. Her hobbies are photography, modeling, coordinating fashions shows, sewing, and art. She is sponsored by Amy Slate.

Denise Hennis lives at 1689 Woodbury Lane, Mt. Airy 789-2369. She is married to David Hennis, is a homemaker, and has three children. She attends Grace Moravian Church. Her hobbies include reading, baking, walking, and bicycling. She is sponsored by Betsy Manieri.

An Orientation will be held on Sunday, September 15 at 3:00pm (place to be announced). New members and board members/or representatives, please plan to attend. New members are : Pam Lisk, Tina Butcher, Leigh Ann Epperson, Bonnie Flythe, Amy Snyder, Barbara Jones.

Please remember to wear your name tags and bring a guest to the dinner meeting.

Have you forgotten your secret pal over the summer? She may need to hear from you.

Sandra

SECOND VICE-PRESIDENT

Thank you to all department chairmen for getting your reports to me. Your support has been wonderful and I really appreciate all your hard work.

Kelly

WAYS & MEANS

Of a possible $1,000 to be raised by the gas raffle 7-4-91, $512 was turned in. Congratulations to Amy Slate and Kim Holcomb our top sellers! They will each receive their next dinner meeting free for their much efforts.

DEPARTMENT REPORTS

ARTS

The Art Department hopes you are allready for a fun filled and active fall. The plans for the Halloween Party are really moving along. Signup sheets will be sent around at the dinner meeting as we will need all the help we can get. We've divided up into committees for decorations, games, music, snacks and raffle, so please think about which committee you might like to help with. The date is November 2 and the tickets will be passed out at the meeting. They will be $15 a couple. Soft drinks and snack foods (chips, nuts, popcorn, etc.) willbe provided. There will be music and a BYOB bar and of course costumes are essential! As stated before the proceeds will benefit the Western Carolina Center and the local schools arts programs.

The Art Market will be opening downtown (in the Western Boot Store) 9-14-91 and will have a grand opening during Mayberry Days 9-27-91. This store is being sponsored by the Surry Arts Council and will sell the arts & crafts of about 48 local arts & crafts persons. Please stop by and show your support. Also anyone interested in joing either as a craftmen or volunteer, please call the Arts Council.

Thank you to my secret pal for my carnations!

Wendy

CONSERVATION

Here is some more "food for thought" from *EARTH MATTERS:*

40% of the pure water you use in your house is flushed down the toilet, 5-7 gallons a flush! You could take a shower every day with the water from a leaky faucet, leaving faucets on while you brush your teeth, washing your dishes. If a family of four takes a 5 minute shower each day, they will use more than 700 gallons of water a week - the equivalent of a three year supply of drinking water for one person.

PUBLIC AFFAIRS

Citizenship: The Mt. Airy Juniors helped with the July 4th celebration at Veteran's Park sponsored by the Mt. Airy News and the Chamber of Commerce. Thanks to Gail Theard, Wendy Carriker, Jeannie Noble, Betsy Manieri, Linda Gillespie, Sandra Marshall, Jennifer Marshall, Adriane Burton, Martha Griswold, Gaynell Dancy, & Joan Bowman for showing up and working 3 hours on such a hot day. It was a wonderful celebration and will be a July 4th I will always remember.

We still have one or more members that have not registered to vote. Please work this into your schedule. It just takes a trip to the library.

Safety: I was impressed to find out how many of you have taken the CPR & First Aid classed. You can't go wrong by taking these courses. Everyone needs it for family if nothing else. Contact the Red Cross for class schedules.

FIRST AID/CPR QUESTIONS (answers at the meeting):

1. If a person collapses, what do you do to determine if he or she is conscious or unconscious?
2. If the person is unconscious, what do you check for?
3. A person who has a completely blocked airway cannot _____, _____, or _____.
4. If a person is coughing forcefully, what should you do?
5. If a person has a serious eye injury to one eye such as an object sticking or embedded in the eye, which eye do you cover?

Crime Prevention: If you mark your valuables with permanent identification numbers (drivers license number), then the burglar may be unable to sell. Then display the sticker "Warning, Operation ID". If a criminal knows all valuables are marked, he will look for easier and more profitable victims. The Mt. Airy Police Dept. has the electric engravers for loan to anyone just for the asking.

For Your Information

Revise Your Point Sheets:
Allow 1 point per gas raffle ticket sold.
Friends of Library and Arts Council may be added under service points.
Recycling allows 2 points per month.
Any other suggestions are welcome.

CLARIFICATION ON VOTING FOR NEW MEMBERS:
- Application read at board meeting
- Write-up in newsletter
- Voted on at following board meeting.

It has been recommended that the vote be by written ballot rather than by a show of hands as in the past.

Thank you!

SECRET PAL FOR MY LOVELY ROSES FOR MY ANNIVERSARY! GAIL

GOD BLESS VOLUNTEERS

Many will be shocked to find
When the day of judgement nears
That there's a special place for volunteers.

Furnished with big recliners,
Satin couches and footstools,
Where there's no committee chairmen,
No group leaders or carpools.
No eager team that needs a coach,
No bazaar and no bake sale,
There will be nothing to staple,
Not one thing to fold or mail.
Telephone lists will be outlawed,
But a finger snap will bring
Cool drinks and gourmet dinners
And treats fit for a king.

You ask, "Who'll serve these privileged few
And work for all they're worth?"
Why, all those who reaped the benefits
And not once volunteered on Earth.

CLUB PRESIDENT'S CORNER

CORRECT PARLIAMENTARY LANGUAGE

Helen Sutton, NCFWC Parliamentarian
(With excerpts from Mildred C. Brown, GFWC Parliamentarian)

1. "The Chair (presiding officer) recognizes Mrs. A." (in a formal setting) or simply calls the person by name.
2. To state a motion "I move that" or " I move to" (not I make a motion").
3. "It has been moved and seconded that (or "to") —."
   "Is there any discussion?"
   "Are you ready for the question?"
4. "The question is on the adoption of the motion that" (or "to").
   "As many as are in favor say "aye" (or "All those in favor".) (Pause) "Those opposed, say 'no'."
   "The ayes have it, the motion is adopted and (announces the result)." or "The noes have it and the motion is lost."
5. "The secretary will read the minutes."
   "Are there any corrections to the minutes?"
   "If there are no corrections (no other words are necessary) the minutes stand approved as read."
   "If corrected, The Secretary will make the corrections."
   "The minutes stand approved as corrected."
6. "Respectively submitted is no longer used in minutes."
7. "The next business in order is hearing reports of the officers, boards and standing committees." (Called on in order they are listed in the bylaws. The chair usually calls on only those who have reports to make.)

RECOMMENDATIONS FROM THE BOARD

When called upon, the secretary reads, "The Board recommends that we ___."
"I move that the recommendation be adopted."
Presiding officer "We have a recommendation from the Board that we _____."
"Is there any discussion?"
"The question is on the Board recommendation to_____."
"As many as are in favor say "aye". Those opposed say "no".
"The ayes have it, the recommendation is lost."

8. "May we have the Treasurer's report?" (A treasurer's report is never adopted. An auditor's report is adopted.)
9. The chair never asks for "unfinished business". The secretary and the chair should have a record of all business not finished (postponed etc.).
10. "Is there any new business?" "Is there any further new business?"
11. The chair does not "turn the meeting over" but announces "The Program Committee will present the program" or "will introduce the speaker."
12. "Is there further business? (Pause) Since there is no further business, the meeting is adjourned."
13. "The motion is adopted/carried/lost."
14. "The motion is out of order." (The member is not out of order unless unruly or disruptive.)
15. "The chair votes "aye"/"no" and creates a tie vote. The motion is lost."
16. The chair recognizes members in debate—those, in favor; then those opposed. Fairness by alternating opinions.
17. "We shall vote by ballot." (Avoid "secret" ballot)
18. Vote "a majority vote" or "a two-thirds vote".
19. A convention is one session; a series of meetings from "call to order" to "adjournment". The presiding officer who "opens" the meeting, also "closes" the meeting.
20. If the bylaws provide that the President is an ex-officio member of committees, she has all the rights and privileges of the committee, but is not counted in the quorum of the committee.
21. The chair stands when presiding. Is seated (or steps back from lectern), when a member is speaking.
    The chair does not participate in the debate, but may offer an explanation of the question.
    The chair remains on the platform at all times unless she releases the chair to the Vice-President in order to participate in debate. Stays off the platform until the question is decided. Then resumes order of business.
22. Knows the rules of the organization and NCFWC.
23. Keeps the membership advised of the projects and programs of NCFWC and GFWC International.
24. Trains the leaders in the organization.

NOTICE OF BOARD MEETING

Tuesday, October 22, 1991
Home of Sharon Reid
7:30 pm

PRESIDENT'S MESSAGE

A special thanks to Board Members for helping for helping with the September meeting.

The District 6 Fall Convention will be held on October 7 in Salisbury. Sandra, Wendy, and I are planning on attending. I hope we come back with some silver awards.

The next few months are the busiest of the year. We hope to have a lot of sales of Pepsi's at the Autumn Leaves Festival, pecans, Tupperware, and wrapping paper. Hopefully our profits will be high to meet our expenses for the rest of the year.

Board meeting will be October 22, at Sharon Reid's home. In the yearbook, it is incorrect.

Point sheets will be handed out at the dinner meeting for a review. Point sheets are not only important for awards but also for reporting and statistical reports we send in a year's end.

See you at the dinner meeting!

Joan

RECOMMENDATIONS OF THE BOARD

- Motion to give $30 on a members account for early payment of dues on or before the November dinner meeting.

TREASURER

The current balance is $647.15. Just a reminder that 1992 dues of $25 become payable November 1. According to our bylaws, "A member not paying her dues by the January meeting shall be dropped from the club roster."

Thanks, Cathy

FIRST VICE PRESIDENT

We have two new members to be installed at our October dinner meeting. Please welcome Denise Hennis and Beth Witt. Please add their names and addresses to your yearbook:

WAYS & MEANS

PEPSI BOOTH - AUTUMN LEAVES FESTIVAL - OCTOBER 11-13, 1991

Please check the sign up sheet in the newsletter and fill any empty slots. Your spouses are welcomed to help out. Remember this is our big money maker and keeps us financially sound for the year!

TUPPERWARE

Please have your orders with money to turn in at the October dinner meeting. Your items will be in by the October board meeting.

GIFT WRAP

Innisbrook Gift Wrap brochures have been distributed to board members. Please see Sharon, Jo, or Joan for brochures. We make **50%** proft on these items so please support this easy moneymaker! Orders with checks payable to *MAWC* are to be turned in by October 31st. Your gift wrap will be here by Thanksgiving.

PECANS

Pecans have been ordered from Calhoun Pecan Company and will be here by the dinner meeting . . . hopefully!

DEPARTMENT REPORTS

ARTS

The Surry Art Markets enjoyed very successful grand openings at both locations - 148 N. Main in Mt. Airy and in Pilot Mountain at 100 E. Main St. in the Centura Bank building. If you haven't had a chance to visit either location, please do so. There is a lot of talent in Surry County and even though the stores are both run by Surry County artists, each store has a very different selection.

A young actors workshop will be held at the Andy Griffith Playhouse for children ages 8-12. There is a $ [illegible] per child and classes will begin October 15. Call the SAC at 786-7998 for more information.

The Handcrafters Guild will be having their Craft Show and Sale at the National Guard Armory on October 11-13 during the festival.

Last but certainly not least, the Halloween Party is shaping up. We now have a DJ who promises to keep us on our toes. Please remember to bring your ticket money or extra tickets to the meeting and turn them in to me. We need to adjust our budget and are depending on the number of tickets sold before October 8th. We will have a short meeting at the Elks Lodge on Thursday, October 3 at 10am to decide on decorations, etc. Anyone able to attend is very welcome! Anyone needing more tickets, please call anytime. Wendy

CONSERVATION

The Chamber of Commerce's Environmental Concerns Committee has put in lots of hours researching and preparing a proposal for our county commissioners. Our program will be very informative. Look for "mother nature" tips enclosed on last page!

HOME STAFF

There will be showers held for the following at the October dinner meeting:

1. Yokefellow pounding - canned meat
2. Canned food for a needy family

Please bring one or more for each.

Thanks, Pam

PUBLIC AFFAIRS

There willbe a shower for the Veteran's Hospital in Salisbury at the October dinner meeting. Items to bring are toothbrushes, toothpaste, combs, disposable razors, shaving cream, deodorant, postage stamps, postal cards, bedroom slippers, suspenders, transistor radios & batteries, electric razor (Norelco), hair dryers, sweaters, paperback books (Westerns), men's caps.

Please bring one or more of these items to the October meeting.

Bennie

Thank you!

Thank you to my Secret Pal for all my very favorite things. You've been wonderful! Amy Slate

45 WAYS TO AID MOTHER NATURE

The world's environment woes are enormous but that does not mean that an individual is incapable of contributing to solutions. The following are ways you can help the environment:

1. Recycle paper, aluminium, cardboard, steel, glass, and plastic.
2. Check the pressure in your tires frequently.
3. Buy energy-efficient appliances.
4. Seek out and buy products made from recycled materials.
5. Plant trees.
6. Use paper or wood products instead of plastic.
7. Compost lawn and garden waste rather than sending it to a landfill.
8. Replace incandescent light bulbs with compact fluorescent ones.
9. Walk, bike, or use public transportation instead of driving.
10. Don't buy products that contain chlorofluorocarbons.
11. Reuse bags, food containers, and the like before discarding them.
12. Take used motor oil to a service station that recycles it.
13. Run only full loads in washing machines, dryers, and dishwashers.
14. Turn off the lights when you leave a room.
15. Make your next car a gas miser, not a gas guzzler.
16. Raise the setting on your air conditioner.
17. Lower the setting on your heating system.
18. Turn off the water faucet every second it's not in use.
19. Don't buy eggs, meat, and fast food in polystyrene containers.
21. Keep you car engine properly tuned.
22. Carpool.
23. Use water-based paint instead of oil-based.
24. Look for environmentally safe products (many are so marked).
25. Whenever possible, buy in bulk to avoid excess packaging.
26. When you shop, carry items home in a reusable cloth bag.
27. At picnics, reuse plastic plates, silverware, and glasses.
28. Avoid so-called "disposable" razors, cigarette lighters, and similar items.
29. Buy a battery charger and use nickel-cadmium batteries.
30. Take a coffee cup to work so you can avoid polystyrene ones.
31. Use cloth diapers instead of disposable ones.
32. When boating, never toss trash of any kind overboard.
33. Snip the rings of plastic six-pack holders before disposal.
34. Keep a litter bag in your car.
35. Install a restricted-flow showerhead.
36. Use laundry detergents that contain no phosphates.
37. Help clean up a beach or riverbank near your home.
38. Install an aerator on all faucets.
39. Flush only human waste down the toilet.
40. Turn off the water heater when you leave on vacation.
41. Wrap an insulation blanket around your water heater .
42. Lower the temperature in your water heater to 120 degrees.
43. Close off unused rooms when using a furnance or air conditioner.
44. Use rags instead of paper towels to clean spills.
45. In cold weather, don't stand in an open doorway talking.

BE NOT CONCERNED WITH AGE

It seems that, as of late, nine out of ten groups or places I have visited are concerned with the aging process, either personally or in regard to a relative or friend. Why? Is it because we are, in general, living longer or we feel that since the world offers so much and we are caught in the mainstream of so much activity we just must live longer to "do it all?" Never before have there been so many sophisticated means of communication meaning that we hear and see everything. The "down side" of this is that we hear about human infirmitives. This makes us worry.

Think about this—Do you somehow you feel you cannot do all you used to do? Beginning to think your memory is not what it was? You should resign yourself to the fact that you're getting on, maybe even over-the-hill? Relax. Every decline in ourselves, or failing, we tend to blame on the aging process. This negative thinking is helped along by these myths:

1. MENTAL ABILITY DECLINES WITH AGE. If you continue to use your mind and have a lot of interests, your intellectual ability will not suffer (unless you have a condition like Alzheimer's Disease).

2. MEMORY GROWS POORER AS WE GROW OLDER. Recent events do get cloudy during the 70s for most people, but your knowledge, facts and skills do not decline with age.

3. AGE BRINGS SERIOUS HEALTH PROBLEMS. Yes, sight and hearing are less acute while reflexes tend to get slower with age. But most other problems are not related to age. They are often the result of bad health habits. Proper diet and exercise can prevent most of them.

4. THE RETIREMENT AGE WAS SET AT 65 BECAUSE JOB PERFORMANCE IS POOR AFTER 65. Not so. It seems that in the 1880s a German chancellor set up the first social security plan to halt the spread of socialism by giving benefits to workers. He chose 65 as the age to begin pension payments because most Germans did not live past 65. Other nations just followed the age he set. It worked like follow the leader.

Perhaps you are only as old as you think. Remain ACTIVE, INVOLVED, ENTHUSIASTIC about life and above all, retain a sense of humor. President John Quincy Adams, at age 80, was asked how he was. His answer: "Mr. Adams is quite all right, thank you. Of course, the house he lives in is a bit dilapidated; its walls are tottering on their foundation; its roof is greatly in need of repair. I think he is soon going to have to move out of his old house into another not made with hands. However, Mr. Adams is quite all right, thank you." A lot of the aging process is a state of mind, a view of life. Avoid dwelling on the fact that something is not as it should be or did not turn out the way it was planned. We are not perfect and there are some things we just have to accept. Focus on what is good, pick yourself up, turn yourself around and take a new direction if this is what is needed. Think young. Move forward.

At this time of the year it seems that even the trees look old, the leaves are falling and they look withered and of no use. BUT WAIT. Think about what is really happening. Nature is entering a quite restful time, a time during which preparation is made for an

"The E's Have It"

Dear Clubwomen,

Whn you ar tmptd to miss a mting and you think that th absnc of on prson dosn't mak a diffrnc, you plac your club, district and fdration in th sam position as a prson trying to typ with on ky missing. Th rsults ar nvr th sam as whn all th mmbrs ar prsnt.

To maintain a halthy mmbrship w must oftn rmind ourslvs that popl ar a prtty ncssary ingrdint in th lif of any organization.

The above was included in a Bulletin from our GRWC President Phyllis Dudenhoffer. You may need to read the message more than once to realize the full important message because one little letter is missing.

Perhaps more than any other letter there are many "E" words that may relate to you and your clubwork. In the paragraph that follows are several "E" words that came to my mind.

In order to have an EFFECTIVE and EXCEPTIONAL club, be sure to ENLIST new members in your clubs and in all your EFFORTS. ENCOURAGE your members and treat them all EQUALLY. Save ENERGY and ELIMINATE concerns with good communication. EMPOWERMENT comes from better EDUCATION but the basics are still to be EARNEST, EAGER and ENTHUSIASTIC.

While we were on Fall Tour last October, Nancy and I referred in some way to a Federation Alphabet using all the letters. You may receive this magazine while we are on tour or soon thereafter. It is our hope that we will be seeing EACH and EVERYONE of you at your Annual Meeting and/or at the Mid Year Board that will be held at the Grove Park Inn in Asheville, November 15-16.

The GRWC Southeastern Region Conference will be at the Greenbriar in West Virginia in November also, and this would be another great EVENT to attend that could EXTEND your knowledge of GFWC and to show support for our Molly Johnson, the GFWC Southeastern Region President with much EXPERTISE.

Clubwork has provided different EXPERIENCES for you and you have EXTENDED your friendships through your club's membership and attendance at District, NCFWC and GFWC meetings. Wherever you go, you are on EXHIBIT as an EXAMPLE of a clubwoman—an ENVIABLE way to EXIST! It is EASY to see that you are the best EVIDENCE of a great volunteer.

You could ENVISION your own list of "E" EXPRESSIONS that would be ESSENTIAL but as you can see this could just keep going because "THE E's HAVE IT!" ESPECIALLY EACH AND EVERYONE OF YOU! THE END!

EVERLASTING LOVE and APPRECIATION
Norma Price

Nancy's Notes

Nancy R. Meek
Director of Juniors

As you read this, your NCFWC President, Norma Price and I will be traveling our great state on Fall Tour. Fall Tour last year was one of the highlights for me. It helped rejuvenate me by seeing all the work clubwomen do in their communities. For many years now I have read or heard about this project or that project and having the opportunity to see it was wonderful. Even when we don't stop in a town, sometimes by chance, we see efforts of clubwomen. And with all you do, that's very easy to do.

Mid-Year Board is, of course, going to be at the Grove Park Inn in Asheville on November 15 and 16. This promises to be a very informative meeting. Workshops and meetings are geared to local clubwomen. Please, if you are a clubwoman involved on the local level only, don't feel that Mid-Year Board is only for District and State officers. It isn't! Nor does it commit you to do anything but help bring new ideas back to your club, and meet new friends. The CALL is in this issue of CLUBWOMAN. Please bring lots of clubwomen and share a room in the beautiful Grove Park. The mountains are especially delightful this time of year. And there are many things to do, so we will be ending by lunch Saturday for you to get some Christmas shopping in or anything else you'd like to do. If you would like a roommate or a ride, please call Kim Pearce, Junior Membership Chairman (919/552-2976) and she can arrange this for you. Let's remember sharing and meeting new people brings the world closer.

The whole idea behind the Federation is that we have the opportunity to bring the power of the individual together to better our "worlds." I'd like to share this little poem by Joseph Norris with you.

Influence

Drop a pebble in the water,
And its ripples reach out far;
And the sunbeams dancing on them
May reflect them to a star.

Give a smile to someone passing,
Thereby making his morning glad;
It may greet you in the evening
When your own heart may be sad.

Do a deed of simple kindness;
Though its end you may not see,
It may reach, like widening ripples,
Down a long eternity.

Take care and I look forward to seeing you on Fall Tour and at Mid-Year Board.

Junior love,
Nancy

MYB KEYNOTE SPEAKERS

OPENING SESSION—FRIDAY

Charlotte Lunsford Berry

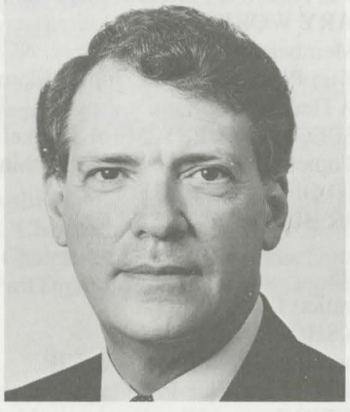

Charlotte Berry, a Red Cross volunteer since the age of 12, took her leadership, her style, her dedication and her sense of the future and went to the nation's capital on New Year's in 1986. She was on important business as the new National Chairman of Volunteers of the American Red Cross. Washington, D.C. has not been the same since. Neither has the American Red Cross.

Mrs. Berry was not content to be a national figurehead. What resulted was a study so far-reaching that it is not only changing the face of volunteerism for the Red Cross, but for other agencies as well. Her three years of service coupled with 1,000 interviews brought forth the Volunteer 2000 Study, a concise and detailed document with 77 recommendations. She said, "We undertook the study because the changing face of our population's lifestyles dictated that we look at volunteerism as a profession—and that we look at it from the perspective of volunteers' needs. How do you recruit, retain, train and manage volunteers to best benefit an organization? That is the question." As a result of her work, the Red Cross won the National Administrators' Volunteer of the Year Award.

Some of the highlights of Volunteer 2000 are: a new definition of volunteers, removing barriers to volunteering to broaden the volunteer pool, recognizing that volunteers are not free, appreciating the full extent of the volunteer contribution and not viewing the volunteer as an amateur. Come to Asheville, meet Mrs. Berry and hear more about her successful program.

SATURDAY BRUNCH

Congressman Charles H. Taylor

Charles H. Taylor, who was elected to the U.S. Congress in 1990, is a native of Western North Carolina's 11th Congressional District. He earned his B.A. and Juris Doctorate degrees from Wake Forest University. During his last year at Wake Forest University School of Law, he filed for and won election for a three-county North Carolina House of Representatives seat. He served for three terms during which time he was elected Minority Leader of the House, a position he held for two terms. Following dissolution of his House District by redistricting, he ran for the North Carolina State Senate and was elected and chosen to be Senate Minority Leader.

While still in high school, Congressman Taylor started a small company organized around tree farming. After graduation, he continued to build the business into one of the largest private concerns of its kind in the Southeast. He is a registered forester and managing director of Transylvania Tree Farms.

Congressman Taylor has served as a member of the North Carolina Board of Transportation, Chairman of the N.C. Parks and Recreation Council and Chairman of the Western North Carolina 4-H Leadership Trust. He is presently serving on three U.S. Congressional Committees: Committee on Interior and Insular Affairs, Committee on Public Works and Transportation and the Select Committee on Aging. The scope of his service on these committees includes energy, the environment, water resources, surface transportation and housing, retirement income and employment for the aging.

MYB SPECIAL GUESTS

FRIDAY NIGHT WORKSHOP

Mimi Shackelford

Mimi Shackelford will make a special appearance at the Friday evening workshop: "A Health Adventure's Program—Introduction to Clowning." She will stress the importance of humor and illustrate the transformation of becoming a clown and how volunteers can use humor in working with various groups. Mimi will appear as YuYu and her topic will be, "Finding the Clown Within."

SATURDAY MORNING WORKSHOP

Mike Kerr

Mike Kerr is a past president of the Asheville Toastmasters and a Toastmasters past regional governor. He currently serves as Education Vice-President for the Blue Ridge Toastmasters. His topic for the Saturday workshop will be, "More Effective Public Speaking." He is an attorney with Hill and Kerr in Asheville.

FRIDAY AFTERNOON WORKSHOP

Ronald J. Manheimer

Ronald J. Manheimer will be the Presenter for the Friday afternoon workshop, Creative Retirement and the Nation's Future. Mr. Manheimer is Executive Director of the North Carolina Center for Creative Retirement at UNC Asheville. As director, he is responsible for the Center's program areas such as leadership, volunteerism, peer learning and teaching, intergenerational programs, wellness, research and retirement planning. Prior to holding this position, he was Director of Older Adult Education for the National Council on the Aging, Inc. He has designed and directed educational programs for and with older adults through universities, museums, libraries and community centers.

He is the author of numerous articles on philosophical issues in human development and holds a doctorate in the History of Consciousness from the University of California, Santa Cruz. He holds an appointment as Research Associate Professor of Philosophy at UNCA.

HOME LIFE DEPARTMENT
Pat Hoyt, Chairman

Summer is over—schools are again in session and clubwomen all over the nation are ready to continue working. We have done well this past year as shown in the excellent reports received from your clubs in January.

We can be proud of our accomplishments and of the foot prints we are leaving for others to follow. Everything we do in Home Life falls under the umbrella of "Building A Vision For A Better Tomorrow" by working to strengthen families through economic issues for women getting back into the work force, teens, long term care, catastrophic illnesses, drug/alcohol abuse and communicable diseases.

We educate (and learn) through our programs and projects. Most of our clubs already have projects in place but if you have completed those you started last year, and want more, there are many to choose from. NCFWC and GFWC have published so many good ideas used successfully by other clubs that the real problem will be to make choices.

One such choice could be the GFWC "Toward A Healthy America Program" funded by the Allstate Foundation. Part of this program is the "Healthy City Awards" designed to recognize communities that provide exemplary services which promote and maintain a healthy community. You can enter any size community, be it an incorporated city, town or village, a neighborhood within a larger city, a region made up of two or more cities or a rural region with common, but not necessarily formal ties. Any club may nominate a community but the club must report on each of the four specified areas of "Infants and children," "Adolescents/Young Adults," "Adults" and "Older Adults." Cash awards will be given for First Place, $5,000; Second Place, $2,500 and Third Place, $1,000. Each program must be verified by an official involved in the program. Entries must be postmarked by April 1, 1992 and mailed to GFWC Headquarters. Your club president or District chairman should have the details or you could write to GFWC. Can you think of a better way to involve your club members with your community?

Another choice could be to encourage your club to become interested in the three phases of another part of the same aforementioned GFWC program. They are the "Health and Fitness Guide" "Individual Health Risk Appraisal" and "Action Plans." This will involve clubwomen individually within the club with each member participating. Could be fun as well as beneficial!

Long term care is still in the forefront of our thinking. To focus on it there will be another round of grants given by the American Council of Life Insurance for the purpose of organizing community long term care seminars. We can work within our communities to ensure quality institutional and community-based long term care services, including home medical and nursing care, homemaker and chore services, alternative housing, social services and financing options. We should continue to assist the seniors who live at home but need transportation to appointments, to shopping centers or to day care centers or who just need some companionship.

Consumer concerns are still of vital interest to all women and their families. Every club should subscribe to the Consumer Information Catalog available from the Consumer Information Center, Box 100, Pueblo, CO 81002.

Another almost endless source of working information in virtually all areas of Home Life is the American Association of Retired Persons (AARP). It is very generous in sending pertinent material to clubs. Their monthly Magazine "Modern Maturity" furnishes one of the best available ways to keep abreast of health issues, economics and legislative matters. Although aimed at the "over 50" generation, all ages will benefit.

As Jonas Salk said, quoted by Jane S. Smith in the Reader's Digest, "The reward for work well done is the opportunity to do more." Who knows that more than a North Carolina Clubwoman!

HOME LIFE DEPARTMENT
Susie Creel, Junior Chairman

First, I want to thank all of the clubs for their excellent reporting. The judges commented on the amount of work all the clubs had done. You all deserve a pat on the back. In North Carolina, Juniors donated $70,512.38 to Home Life projects. They spent 17,417 hours working on 416 projects.

Juniors can make a difference in the Home Life Department. They can sponsor baby sitting courses, visit Senior Citizen Centers, request and receive the Consumer Information Catalog quarterly and support Safe Shelters.

By now, you have all phases of the GFWC "Toward A Healthy America" program. Cash awards are presented to the top 3 cities. Get your club involved. Work with the school systems to help combat teen pregnancy. Health organizations—Cancer, Heart, Red Cross, etc. welcome your help.

Chemical Dependency is the GFWC Junior Special Project. The National Council on Alcoholism and Drug Dependency has started a HOPE LINE. Call 1-800-475-HOPE to receive a special package. Continue your excellent work on the GFWC Youth Suicide Prevention Program. Canine Companions, National Organization on Disability and Special Olympics could all use our support.

Become involved in the Home Life Department. Make a difference in your community.

ECONOMICS DIVISION
Sharon P. Smith, Chairman

If your club is looking for special projects that concern Economics, here are a few that have been done by clubs across the United States: (1) Hold seminars on Living Trusts, wills and insurance (2) Visit long term care homes and provide holiday parties or other needed services for the residents (3) Provide funding or volunteers for activities at local senior citizen centers (4) Sponsor and/or attend baby-sitting workshops and clinics (5) Provide scholarships for working women or displaced homemakers so they can improve their job opportunities (6) Take an interest in legislation concerning senior citizens (7) Participate in Meals on Wheels programs (8) Provide transportation for senior citizens who need to go to the doctor or supermarket (9) Order the Consumer Information Catalog from Pueblo CO 81002 and order free consumer literature (10) Celebrate Consumer Week (11) Sponsor activities for National Women's History Month (April) by honoring women or providing programs.

These are only a few ideas. Let's see your club become active in the Economics Division of the NCFWC Home Life Department.

LEGISLATION COMMITTEE REPORT
Pat Davis, Chairman
NC Joins 34 Other States
Mammography & Pap Smear Legislation Passes

Beginning January 1, 1992, North Carolina health insurance policies have to provide coverage for the costs of Pap smears and mammograms, two cancer screening tests for women. Exceptions: companies that fund and manage health insurance plans for their own workers.

The work of the Life Savers Coalition spearheaded by NC Equity and the American Cancer Society, NC Division, 69 organizations (including NCFWC) and hundreds of individuals across the state provided the necessary back-up and grassroot support to the strong leadership of Representative Anne Barnes and Senator Helen Marvin during the 1991 session of the NC General Assembly.

The next step—working with policy makers and other interested groups and individuals to gain access to screening mammograms and Pap smears for indigent and uninsured women.

GOLD CARD MEMBERSHIP TO CONTINUE

Many of you will be pleased to know that GFWC is continuing the program of having the Gold Membership Cards made for clubwomen who have continued membership in the General Federation for fifty years or more. They do not have to have been in the NCFWC for all these years. They may have been in a federated club in another state. The years of federated membership may be added to equal the fifty years. If you have a member that was not recognized before as well as others that have now reached this milestone, please send the date your member joined, the club she joined, the club in which she presently holds membership, and her name as she wants it to appear on the card to Libby Maddrey, NCFWC President Elect, 910 Seymour Court, Eden, N.C. 27288.

JUNIOR JOURNEYS

Lydia Hayes, Junior Editor

Fall is upon us and the colors outdoors are beautiful. NCFWC Juniors help in making North Carolina a little more beautiful with all their hard work they do in the state.

The International Affairs Department of Pine Level had a Foreign Exchange student from Sweden to speak. The Home Life Department did a meeting entitled "Promote Family Togetherness." Pine Level has done trash pick-ups, celebrated Federation Day and had fund raisers. These Juniors have been busy.

The Ahoskie Juniors have been busy with an assortment of projects. Public Affairs participated in the "Make Believe Tea" for Cystic Fibrosis. They also have made plans to do a bicycle safety project for the community as well as a Citizens Protection Project. Tracie Bell of the Children's Home Society had a program and the same night the Ahoskie Juniors did a baby shower for CHS. Membership had an "Ice Cream Social" for prospective members. What a better and more delicious way of meeting new members. Ways and Means had a garage sale as a fund raiser.

The Education Department of the Youngsville Junior Woman's Club had plans to buy crayons for kindergarten registration at Youngsville Elementary. A "Community Yard Sale" was held as a fund raiser with Youngsville Juniors being in charge of the tables. Adopt-A-Highway clean up is being planned by the Conservation Department.

Have you ever heard of a "Ham'n Yam Festival?" Those Smithfield Juniors did one. With funds from the festival, Juniors were able to make donations to the Heart Fund, the Cancer Society and were able to buy items for their needy mother. The Home Life Department has donated books to Johnston Memorial Hospital. The books will be used with a new program at JMH which will encourage new members to read to their children from birth through their own reading years. Members helped with a DARE Program to benefit children in the community. Smithfield Juniors did a Little Miss Smithfield/Junior Miss Smithfield Pageant for the first time. Congratulations on all of your hard work!

As you can see, Juniors do make a difference in our state. Keep up all the hard work. Keep those newsletters coming!

God Bless & Junior Love,
Lydia

GFWC EXECUTIVE COMMITTEE MEETS IN HIGHLANDS

When the General Federation of Women's Clubs Executive Committee held a three day late summer retreat/workshop in Highlands at the home of Jeannine Faubion, GFWC First Vice-President, the Highlands Woman's Club had the pleasure of hosting an informal Sunday evening dinner at the Calico Cottage for the committee. The officers received Highlands favor, a special dinner and a wonderful exchange of ideas and information was enjoyed by all.

GFWC officers attending the dinner were Phyllis Dudenhoffer, President; Ann L. Holland, President Elect; Jeannine Faubion, First Vice-President; Faye Dissinger, Second Vice-President; Maxine Scarbro, Recording Secretary; Shelby Hamlett, Treasurer and Lee Humphry, Director of Junior Clubs. Hostesses were Myrna Moore, Highland's WC President; Bebe Kelly, First Vice-President; Terri Talley, Secretary; Joann Rhodes, Parliamentarian; Louise Lane, Fibber's Chairman; Dottie Evans, Quilt Ticket Chairman; Renee Hamill, Conservation Co-chairman and Jessie Talley, Executive Board.

ZEBULON WC HAS TUTOR-MENTOR PROGRAM

Zebulon Woman's Club members found themselves strongly motivated this past year when they became involved in two major programs being conducted in their local middle school—Communities in Schools and Leaders of the Pack.

Communities in Schools was a tutor-mentor program for the under-achiever who is the potential school drop-out. Leaders of the Pack promoted leadership in attendance and attitude as well as academic achievement. Club members were involved in CIS as tutor-mentors and hostesses for the workshop for parents and end-of-the-year socials held for students, parents, tutors and supervising teachers. The club's support of Leaders of the Pack included a contribution of $1,000 which was used to pay for a trip for the twenty-five top leaders of the pack.

Funds for these activities were raised by the club serving a Sunday buffet luncheon, which has become an anticipated event by town citizens and by decorating a Love-light tree. The tree decorations were cards purchased by members and friends. The cards were inscribed with the names of persons being honored or remembered and then attached them to the club's Christmas tree. At their Christmas dinner the names of the honored and remembered were read during a special ceremony.

FRANKLINTON DEPOT ON NATIONAL REGISTER

Julia Carr, club president, and Ginger Pearce, project organizer, at the depot saved and supported by the Franklinton Woman's Club.

The Franklinton Depot has been added to the National Register of Historic Places. "It is quite an honor," said club member Ginger Pearce, who instigated the project to have the 1886 depot listed. The Franklinton Woman's Club, which owns the building, worked for two years to achieve their goal. The idea came from Mrs. Pearce when she served as club Conservation Department Chairman. With help from her husband, T.H. Pearce who is Franklin County historian, she began the project. Documentation for the application took more than two years to compile.

The small frame building combines simple Italianate, Gothic Revival and Queen Anne period details and is the only remaining example of the type of structure along the line during the same period. The depot is one of the last surviving railroad structures built along the route of the Raleigh and Gaston Railroad before the line merged with the Seaboard system at the turn of the century. The railroad was one of North Carolina's first two railroads, was chartered in 1835 and passed through Franklin in 1838 or 1839. At this time the potential for a town was realized and in 1842 the North Carolina General Assembly set the town limits for Franklinton.

The station closed January 9, 1973 when the dispatcher/telegraph operator was transferred to Raleigh. The Lions and Woman's Clubs of Franklinton negotiated to save the building on the condition that it be removed from the railroad's right-of-way. When abandoned by the Seaboard Coast Line in 1973, the depot was acquired by the Franklinton Woman's Club and moved a short distance to become a clubhouse. It was purchased for $1 donated by T.H. Jackson, station master for many years. Club president, Julia Carr, was president when the building was purchased in 1973 and again when it was put on the National Register December 27, 1990.

awakening, in splendor, in spring. We are the same. From time to time we assume a slower pace which is almost always followed by the return of our quickened step. Life and the aging process are similar. Just remember to keep a positive attitude during both the quiet and the active times. Keep a goal in mind and share with others. BE NOT CONCERNED WITH AGE!

SOME "AGE" QUOTES

When your friends begin to flatter you on how young you look, it's a sure sign you're getting old.—Mark Twain

It's no shame to grow old. It's only a shame to act old.

Another important thing to save for my old age is me.

The older I get, the better I was.

Keep busy at something. A very busy person never has time to grow old.

Begin now to think young, the longer you wait the older you get.

CLUB NEWS

HENDERSONVILLE WOMAN'S CLUB LOOKS BACK

There was an aura of nostalgia about the Hendersonville Woman's Club's May 1 luncheon. Since the annual affair came so near the conclusion of the GFWC Centennial Year, fashions from the past one hundred years were modeled.

Thelma Tart and Nelle Cantrell model "celebration" dresses.

Two gowns of 1890 were first: one a dark green twill skirt with ivory satin bodice and ornamental green jacket and the second a deep maroon taffeta topped with fancy bodice and tightly fitted jacket with huge mutton sleeves adorned with lace and velvet. Nelle Cantrell, dressed in green, wore her hair about her ears in the style of the day and walked to the strains of "I Want a Girl Just Like the Girl That Married Dear Old Dad." Thelma Tart modeled the wine costume, wore a close-fitting gray wig, carried an antique beaded reticule and walked to the tune of "When You and I Were Young, Maggie." Seven other club members modeled gowns from 1917, 1920, 1930, 1960 and a green chiffon gown and garden party hat of the '70 and 80's concluded the show.

Forty-one members and guests attended this GFWC Centennial Birthday luncheon.

SEDGEFIELD WOMAN'S CLUB MARKS 30 YEARS OF SERVICE

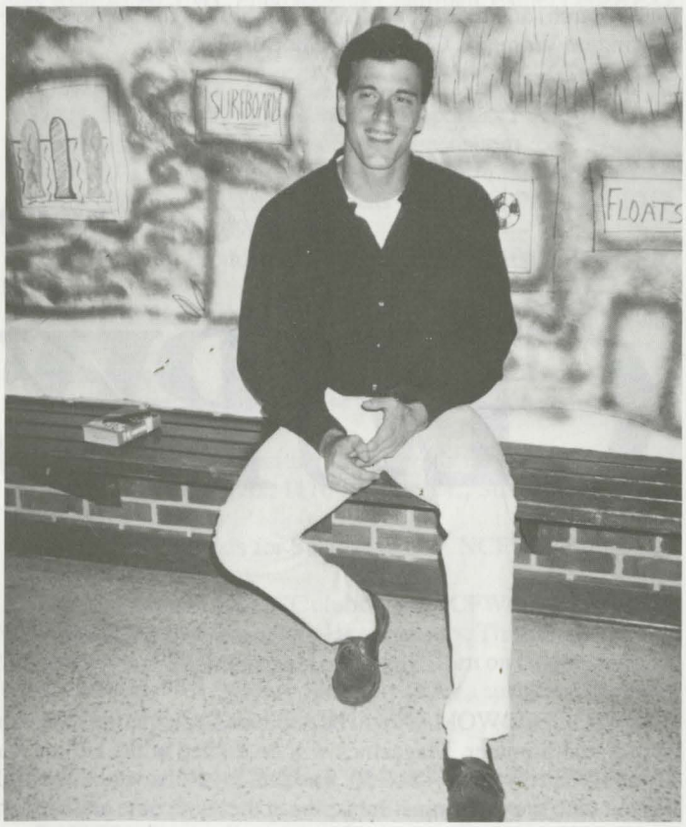

"They were coifed, powdered and perfumed, some dressed to the nines, others in more casual dress as they gathered ... at the Sedgefield Country Club." The big event on April 26 marked the 30th anniversary of the Sedgefield Woman's Club. Started in 1961, at the encouragement of Jewel Kirkman and Eva Dodge, the club began with 46 charter members and today numbers 103 and is the fifth oldest club in District 7.

One of the first club projects was to set out trash barrels to help the litter problem and today the club still maintains the beautification of the five traffic islands in the community. Other club projects include awarding of scholarships, organization of a library, "court watch," assistance to the Salvation Army and Empty Stocking Fund, literacy promotion, visits to nursing homes and work for the Arthritis Foundation. According to Gladys Boroughs, NCFWC Honorary President and club member, "The local club recorded 3,600 hours in volunteer work or fund raising just last year."

Club members say with pride that there is no age discrimination in their club. From the youngest to the oldest, they work and socialize with each other. The oldest charter member is 94 year old Mrs. Frederick (Eva) Dodge, who was a club founder at age 65. Mrs. Dodge was District 7 President when the club organized and served as the club's second president upon completing her term at the district level. Today's list of charter members include Dot Taylor, first club president, Eva Dodge, Mary Ragsdale, Gladys Boroughs, Mary Eakes, Ruth Wilson, Emily Aydelette, Sally Brannon, Virginia Crihfield, Dot Frank, Millie Saunders and Marguerite Waters.

DUNN JUNIORS SPONSOR YOUTH SUICIDE/DRUG PREVENTION WEEK

The Home Life Department of the Dunn Junior Woman's Club sponsored a Youth Suicide Prevention and Drug Prevention Week in April of this year. The program involved students in grades K-12 in the Dunn area. The week began by tying red ribbons to Triton High School students' cars. There was a poetry contest for the middle school and an essay contest for the 4th and 5th grades. High school students had an art contest. GFWC Youth Suicide booklets and bookmarks were distributed to the K-3 students. Copies of "It Doesn't Have To End This Way" were donated to Triton High School. Hawkeye Whitney spoke to the high school students about drug addiction. The week ended with an UNDER THE BOARDWALK sock hop at the high school. At the beginning of this school year, students in the Dunn area schools will receive a book cover with the winning art work on it and the winning poem and essay on the inside covers along with telephone numbers to HELP lines in Harnett County and 800 numbers.

Tod Burnett welcomes students to the Sock Hop at Triton High School in Dunn.

That which is to be most desired in America is oneness and not sameness. Sameness is the worst thing that could happen to the people of this country. To make all people the same would lower their quality, but oneness would raise it.

—Stephen S. Wise

WHAT A GOOD IDEA

If you have ever turned an idea of someone else's into a success, then you know how good it feels? It is important that GFWC members and clubs share their good ideas with one another through the GFWC CLUBWOMAN. The deadlines for submitting articles to the GFWC CLUBWOMAN Chairman for the remainder of this administration are: November 1st., March 1st. and May 1st. GFWC is requesting three articles from each state for the three remaining issues of the magazine during the 1990-92 Administration.

Write your story as completely as possible—as if the reader knew nothing about the project or program you are describing. Read it from another person's viewpoint to see if it is clearly stated and includes all necessary information. Include a name and address so that additional information may be obtained if the project was an involved one. Send articles to Doris Roden, 819 Sixth Ave., Brookings, SD 57006.

There have been two NCFWC articles in recent issues. The first was the announcement of the organization of the first GFWC collegiate club, the Meredith College Junior Woman's Club (February/March) and the second article highlighted the service of the Burlington Woman's Club Thrift Shop (June/July).

NCFWC HELPS N.C. ZOO

Sallie Steele, Associate Director of the North Carolina Zoological Society, explained and promoted the Zoo's Member-Get-A-Member program at each of the 16 District Summer Meetings and became an experienced NCFWC traveler. She was welcomed in the districts by NCFWC Vice-Presidents Julene McPhaul and Martha Lancaster.

Live! October 16 From Washington DC

The 1991 World Food Day Teleconference from George Washington University will air October 16 from noon to 3:00 p.m., Eastern Time, on Telstar 301 (C-Band). This year's discussion will focus on the hunger puzzle: how national/international policies and agreements impact farmers, food production and hunger.

For a free, single, reproducible study/action packet and more info, contact Patricia Young, National Coordinator, U.S. National Committee for World Food Day, 1001 22nd St., NW, Washington DC 20437; phone (202) 653-2404.

TRUCKING

A Major Industry in North Carolina

Trucking is a highly visible industry; yet its role as a major factor in North Carolina's economy is seldom recognized. It would surprise most people to learn that trucking is one of the largest industries. That's because trucking is woven throughout the economic fabric of North Carolina. Textiles, tobacco, and tourism employ thousands of people in trucking.

It adds up to an industry with jobs for more than 220,000 North Carolinians. The pay is good, too. Trucking employees average over $15,000 a year compared to $12,500 for textiles, $10,800 in tobacco and just over $7,000 for tourism.

Seventy percent of North Carolina's communities depend entirely on motor carriers for commercial transportation. Textile and apparel industries send 95 percent of their goods by truck. Finished tobacco products move 70 percent of the time on trucks.

The taxes collected on trucks more than match their numbers on the roads and streets. Compare the figures.

NORTH CAROLINA	PASSENGER CAR		TRACTOR-TRAILER
User Taxes:			
Fuel Tax	121.30		2406.55
Registration Fee	20.00		907.00
Other taxes, fees	—		142.06
TOTAL STATE USER FEES	141.30		3455.61
FEDERAL USER TAXES			
Excise Tax	—		998.00
Motor Fuel Tax	66.15		2187.00
Tires, Tubes, etc.	—		143.00
Truck Use Tax	—	(average)	550.00
Sales Tax	—		1714.29
TOTAL FEDERAL TAXES	66.15		5592.29
TOTAL STATE & FEDERAL	207.45		9048.70

Now you can understand those signs on trucks which say, "This truck pays over $6,500 per year in road use taxes."

FIRST VICE-PRESIDENT

We have received two applications for membership. They are Tracy Greenwood and Diane Tucker.

Tracy is married to Thomas Greenwood. They have a three year old daughter, Caitlan. She attends Church of Christ. Her hobbies are singing, cross-stitch, reading and sports. She is sponsored by Penny Greenwood.

Diane Tucker is married to

o Randall Tucker. She is a homemaker and mother to Drew and Kellie. She enjoys aerobics and playing with her children. She is sponsored by Pam Lisk.

Remember to wear your name tag at the dinner meeting and please get one for your guest. The year end is drawing near. Remember your secret pal and reveal your identity at our Christmas Banquet.

I would like to thank everyone for their help and support this year. Our membership has grown by nine and the interest keeps growing. Thanks for all the good times at our socials. Your participation was great. Thanks again!!!

I hope you all have "Happy Holidays"!! Sandra

SECOND VICE-PRESIDENT

Reports are due by the January Board meeting. Reports are to be written on club projects from Jan. 1 - Dec. 31, 1991. Thank you to my secret pal. Kelly

TREASURER

The current balance is $476.91. This balance includes our net profit of $2,064.75 from the Pepsi booth. I'll take and deposit any pecan money you have. Also, thanks to those 14 individuals who have paid their dues. Cathy

RECOMMENDATIONS OF THE BOARD

- To raise the initation fee to $15.00 effective Jan. 1, 1992
- To increase dues to $30.00 effective Jan. 15, 1992
- To amend bylaws to state these increases
- To pledge $100.00 for the Arts Council to sponsor the play *Wonderful World* in the schools
- To donate a meal to our needy family for Thanksgiving from Lowes Foods

DEPARTMENT REPORTS

ARTS DEPARTMENT

Thank you to everyone for their help and support for the Halloween Party. All of the hard work and time was very well spent and appreciated.

The Arts Council is still sponsoring many art and music classes. Please call them for information. And, Support The Arts!

I would like to thank the members of the Art Department for their work and support this year.

The District 6 office of Junior Membership Chairman is open. Anyone interested in this office, please contact me. It is a 2 year term from May 1992-1994. You would be working with the 1st Vice President, Sara Lou Brown.

Wendy

CONSERVATION

Included in the newsletter is sample wording for you to write our county commissioners in support of the "Solid Waste Management Plan".

If anyone would like additional information on the play, *Wonderful World*, that we are co-sponsoring for SAC in the schools, please see Gail.

PUBLIC AFFAIRS

Thanks to everyone who contributed the shower items for the Veteran's Hospital in Salisbury. I sent a "pecan shipment box" full of items. All items were very appropriate. Public Affairs appreciates your support.

Bennie

EDUCATION

American Education Week is Nov. 18-22. This is an important week for public schools and a chance for the community to show appreciation for the teachers and staff. Please help us with this by providing baked goods such as cookies or brownies. Please bring these by Betsy Manieri's home, 310 Folly

Farm Circle on **Sunday, November 17.** We will distribute the goodies to our four Mt. Airy City Schools on Monday, November 18. Thanks for your help!

Betsy & Jeannie

HOME LIFE

Kathy Tilley has found a needy family for us. It is a mother with two children. The mother has to have kidney dialysis everyday. We will take them food baskets at Thanksgiving and Christmas.

Please bring canned food items for the family to the dinner meeting. The Yokefellow pounding this month is milk - canned or dry. Please bring this to the dinner meeting.

I am still collecting magazines and delivering them to various hospitals.

Pam

"HELP A CHILD FOR CHRISTMAS"

We have requested the names of 4 children through Polly Long at One-on-One to help make their Christmas a little special. There will be 2 bags at the dinner meeting with items listed as to (1) what the children can use (clothing, school supplies, etc.) and (2) what the children want (toys, tapes, etc.) for Christmas. We would like everyone to draw a slip of paper and purchase an item for the child. The papers and children will be color-coded to keep them separate. If you pick a blue paper - put a blue bow on the package, red paper - red bow. The gifts need to be turned in at Nov. Board and will be given to Polly Long for distribution. Maybe by helping others we will feel the true meaning of Christmas ourselves.

Wendy

"WHAT IT TAKES"

It takes ALL of us to make the Mount Airy Junior Woman's Club the best is can possible be. As a volunteer organization, we all must use our time, energy, and money as wisely as possible.

Did you know in order to donate $100, it takes...

200 Pepsi's or
34 rolls of wrapping paper or 154 bags of pecans (6 1/2 cases) or
$500 worth of Tupperware

SCRAPBOOK

A special thank you to my secret pal for the Halloween surprises and a big thank you in advance to department chairmen and others whom I will be contacting soon to help with the scrapbook. If anyone has items for the scrapbook, please bring them to the November meeting.

Thank you, Amy Slate

Award Nominations:

GIRL OF THE YEAR

Wendy Carriker

During the past year, club work has remained a very large part of my life. As past president, I have remained on board serving as Art Department chairman. I have also held the office of District 6 Junior Membership Chairman for the 1990-92 administration and served on the District 6 nominating committee. I attended the State membership workshop in the spring, the District Arts Festival, District Summer Institute where the 1st Vice President and myself conducted a membership workshop, and the District Fall meeting. I was also very honored to serve as a Page for 3 days at the State Convention in High Point. I have sold pecans, Pepsi's, wrapping paper, Tupperware, gas raffle tickets and participated in the Food Lion Shopping Days. A class was held at my home for making sugar eggs and the Halloween Party took up much of the fall in planning. I attended the recycling forums and have begun recycling in our home.

Chip & I have two daughters, and have become active members at First Presbyterian Church. I help in the nursery often and also help with Little Church. I was very involved with Vacation Bible School this summer, heading up the crafts division for the week. Although I do not work outside the home, I do have a retail and wholesale business which I run from there.

I became active in the Surry Arts Council this summer with the Art Market. I am on the publicity and operations committees and spent many hours painting, cleaning, and now working (8 hours a month) in the market. I stay involved in school and assist in our oldest's classroom when needed. I am a co-leader of Girl Scout Troop 301, spending a weekend on the floor of Discovery Place in Charlotte was the highlight of the troop's year in April I am past treasurer of the Mt. Airy Handcrafters Guild and remain active in the Guild by attending their meetings and participating in the Guild Craft Shows.

I truly enjoy clubwork and look forward to the coming year.

Wendy

Martha Griswold

Once again, it has been a busy year with club work, community service and family.

I have held the office of Recording Secretary for the second year. The office includes being Publicity Chairman and Historian. I served on the Nominating Committee and International Affairs Department.

Club projects I have participated in include Autumn Leaves Festival Pepsi Booth, Pecan Sales, wrapping paper sales, club sponsored bloodmobile, and Operation Welcome Home on July 4th.

Other club sponsored events I participated in were socials, secret pal, Yokefellow, Easter egg making, recycling, magazine donations and showers.

My school age program at work in the spring of 1991 made 75 Easter door decorations for Surry Community Nursing Center.

I attended one District VI meeting, the District VI Arts Festival in February.

Community Service I have done includes Surry Arts Council member and blood donor.

Martha Griswold, continued

I became First Aid and CPR certified. I have taken Continuing Education classes at Surry Community College and through state sponsored agencies to stay informed of community problems and to help in my current career.

My family and I are members of First Presbyterian Church in Mount Airy. I taught Sunday School for kindergarten and first grades. I am a member of the Young Adult Sunday School Class. I volunteer twice a year to help with Little Church.

I work full-time at Cross Creek Child Care Center, a corporate child care center for children of employees of Cross Creek Apparel, Inc. I teach eleven active two year olds, striving to help them become independent, secure, and trustworthy little people.

My family strengthens me. My husband, Bill, is a lot of help to me at home and supports me in my club work and career. I have three beautiful wild boys and am expecting another baby in March.

Planning to serve as 2nd Vice-President will start next year off as one of the many new exciting challenges I face in 1992.

Martha

Pam Harrill

It is an honor to be considered for Clubwoman of the Year. I appreciate the nomination.

Some of the club activities I have participated in in the last year are: attended the NCFWC Convention, the District VI Arts meeting, the State Arts Festival, a City Commissioners meeting concerning recycling, and the N. C. Coalition of Woman's Clubs meeting on adult literacy; wrote District and State reports; voted in elections; gave our scholarship nominee shower gifts; collected Betty and Scott labels and mailed them; organized a tour of the Gertrude Smith House; sent roses to club members who needed to be remembered; organized a Mother's Day Make Believe Tea for Cystic Fibrosis; attended socials, club meetings, and board meetings; participated in the Food Lion Shopping Days and saved Lowe's gold receipts; gave pounding items to Yokefellow and delivered them; kept refreshments supplied to the Aid Support Group and provided a special table for one of their meetings; organized our Easter Egg Hunt, passed a coupon exchange at club meetings; contributed bud vases; and organized, made, and delilvered Valentine door decorations for the nursing home (we made these at my house).

I also organized and worked at our Bloodmobile which was very successful this year; donated, collected, and delivered magazines to hospital waiting rooms; organized the dinner meeting that Home Life hosted; sold pecans, Pepsis, wrapping paper, Tupperware, raffle tickets, and watches; collected food for our needy family; contributed an Arts entry; attended the sugar egg workshop; and contributed school supplies for Education.

My husband is Tom and we have two children, Brock and Laura. I am active in my church and was Chairman of the Fellowship Committee and am currently co-chairman of a committee to design and stitch needlepoint kneelers for our altar. Also this year I have been treasurer of the Mt. Airy Chapter of the American Needlepoint Guild.

I teach adult education for Surry Community College. In my spare time I make and sell crafts at local craft shows and make pillows for stitchers that need that service.

Pam

I am honored to be nominated for the "Girl of the Year" award. It has been a very special year for me as a member of MAJWC, along with my family, church and community life. We have accomplished many things this year, which I am proud to be a part. I feel a great deal of pride to be part of an organization of so many special women with so many special talents and a willingest to give of themselves.

Serving as First Vice-President has been a rewarding and a learning experience. Some of by responsibilities this year were to plan socials. The Mardi Gras and Cajun Auction, BBQ with the International Affairs Dept., the wine and beer tasting were held with great success. I've also held an orientation for our new members. I have attend all state and district meetings, at which our club always came away with awards. I have participated in all Way and Means projects and donated many items for our special shovers. I have perfect attendance at board and dinner meetings.

With two teenage children and a husband my home life needs no explaination. We contribute some time to school booster clubs and support other school activites. We attend White Plains Friends Meeting where I volunteer to help with Vacation Bible School and Youth Group activities and serve on Peace and Social Concerns committee. I am employed by Insteel Industries Inc., where I work as Claims and Credit Co-ordinator.

I have enjoyed working with each of you this year and looking forward to next year as President.

Sandra

OUTSTANDING NEW MEMBER

Anne Cullip

OUTSTANDING NEW MEMBER

Anne Cullip

My first year as a member of the MAJWC has been busy, eventful, and exciting. I have had the opportunity to make many friends and even welcome new members to the club after me. I consider it an added advantage to be a member of the club since I do not work in Mount Airy, coming to the meetings allows me time to spend with friends and learn about how I can help the City of Mount Airy. There has been no time to sit still with all of the activities the club offers, from the Bloodmobile to pecans, and especially the Autumn Leaves Festival. I have had the opportunity to participate in all of the fund raising projects. Because I work in Winston-Salem, I was not able to help with the bloodmobile; however, I hope the snacks were used by those who volunteered and all of the people I telephoned as a reminder of the blood drive actually participated. I have been able to get to know some people better this year, as a result of being on the telephone committee. I was able to meet many of my fellow members' children when the Home Life Department hosted the Easter Egg Hunt earlier this year. We had an enjoyable time when Home Life hosted the February dinner meeting, offering sweets for the sweet on Valentine's Day. One of the advantages to working in Winston is the fund raising, it goes easier since I have no one with whom to compete, I was successful with the Fourth of July Raffle, Tupperware, and especially pecans. Collecting the Food Lion receipts was successful as well, most of my neighbors shop at Food Lion, however I was able to get only a few Lowe's receipts. I believe one of the most important projects is upcoming for the club - recycling. At the City Council meeting we were informed we needed County assistance before the City would act. From the presentation at the September dinner meeting, I am confident the County will be moving on the recycling issue soon. I believe the residents of the County and City will cooperate based on the responses I saw on the recycling days held at Veteran's Park. Last but no least, I cannot forget the socials, which have all been enjoyable. I liked them because it gave the other important people in our lives a chance to meet one another and allowed them an opportunity to meet our friends in the MAJWC.

Anne

DeeAnn Guthrie

I have really enjoyed my first year as a member of the Mount Airy Junior Woman's Club. There have been so many opportunities to get involved this year and I tried to take advantage of as many as possible. Early in the year was the Arts and Crafts Competition. I entered a wall hanging that I had made for the nursery and was thrilled to win a first place club award and later, a first runner-up award for the District. I brought food, as well as worked for the bloodmobile in March. And later that month had lots of fun at Wendy's egg decorating workshop. Rod and I have attended both the Luau and the Mardi Gras party and were lucky to come away with really nice gifts in the Chinese Auction! I participated in the shower for Renee Greene as our Sallie Southhall Cotton Scholarship winner as well as in the various other showers that were sponsored. The cookie exchange was another fun but fattening experience! As the club started to make our mark in the community, I also attended the City Council meeting to voice our opinions on recycling. Like everyone else, I have done my share of fund-raising and working in the Pepsi booth. I have had perfect attendance at the dinner meetings. I have served on both the telephone committee as well as the Arts Department and am currently heading up the decorating committee for the Halloween party. I just want to thank all of the "old" club members for making this "new" member feel so welcome and I look forward to serving the club as Corresponding Secretary for the upcoming year.

DeeAnn

I am a wife, mother of two, and a full-time public school teacher. These roles have kept me very busy for the past few years. However, since joining the Mt. Airy Junior Woman's Club, I have realized my busy life was actually missing some important elements. Membership in the MAJWC has provided me with many opportunities that I have been lacking - chances to develop close friendships, to participate in public service projects and to become more involved in my community.

As co-chairperson of the Education Committee, I was involved in selection of our scholarship candidate. This is a very important project for our club, and for me a most interesting and rewarding experience. I also helped to plan for our committee's dinner meeting, prepared baked goods for our local teachers, participated in the shower for our scholarship student, and wrote newletter articles.

Other club projects in which I have participated include working at our Pepsi booth at the Autumn Leaves Festival, selling pecans, Tupperware and wrapping paper, contributing to showers for needy families and Veterans and working at the Bloodmobile. I attended with other club members a City Council meeting concerning recycling. I have attended board meetings, worked on the telephone committee, attended socials, and hosted the Mardi Gras social at my home this past February. I have recently sponsored a new member.

I appreciate so much the opportunities I have had to participate in a variety of worthwhile projects and activities. I feel that my time with club work has been well-spent and that this has been, for me, a real period of personal growth. My first year with the MAJWC has been interesting and rewarding and I look forward, with pleasure, to next year.

Betsy

AMY SLATE

Thank you for this nomination and for accepting me into the Mt. Airy Junior Woman's Club. As I attempted to highlight my activities this year, I was amazed at the variety of projects that the Club undertakes and the rate of success that we claim. It has been a good year!

As a member of the Conservation Department, I have had the opportunity to learn more about the environment and specifically the issues facing our city and county on the subject of waste management. As a representative of MAJWC, I attended our City Council's meeting in June, as well as the County forum on recycling held at Surry Community College. It is with peaked interest and enthusiasm that I look forward to serving as Conservation Department Chairman next year.

I also have served on the telephone committee; attended the District 6 Arts Festival; participated in the Bloodmobile, the making of Valentine door decorations, contributed to several showers for Yokefellow and needy families, and collected Scott UPC codes to benefit Ronald McDonald House (Home Life projects). I saved Lowe's Foods register tapes and donated items to the Sallie Southall Cotten scholarship winner and "school supplies" showers (Education projects); baked cookies and donated recipe for cookie exchange (International Affairs); participated in Tupperware, wrapping paper, pecan and gas raffle sales, as well as worked in the Pepsi booth (Ways & Means); and am currently on the decorations committee for the Halloween party (Arts).

I have sponsored one new member, Beth Witt. And, yes, there is a good reason why I am constantly snapping photos. I am compiling a scrapbook to commemorate our eventful year! I hope that it will serve as a reminder of the fun and fellowship we have shared during our 1991 **Journey Through Clubwork.**

Re: Waste Stream Reduction Plan for Surry County

Dear Mr. O'Neal:

As a citizen of Surry County and a member of the Mount Airy Junior Woman's Club, I would like to urge you to implement the Waste Stream Reduction Plan for Surry County that was prepared and presented to the County Commissioners by the Environmental Concerns Committee of the Mount Airy Chamber of Commerce on October 7, 1991.

Representatives of the Environmental Concerns Committee reviewed the plan with our club at our October dinner meeting. The plan was thoroughly researched and appears to be an excellent starting point towards a positive step for Surry County's environmental future.

Thank you for your consideration of this proposal.

Sincerely,

November Dinner Meeting

Christmas Banquet

JR. WOMAN'S CLUB ENJOYS CHRISTMAS BANQUET

Members of the Mount Airy Junior Woman's Club enjoyed their Christmas banquet Saturday, Dec. 21, at Cross Creek Country Club.

The highlight of the evening for members and their guests were the presentation of awards for achievement among club members and the installation of officers for 1992. They were installed by Beverly Gobble of the Salisbury Junior Woman's Club.

The award for "Club Woman of the Year" went to Gail Theard while Wendy Carriker was named "Girl of the Year." Amy Slate was named "Oustanding New Member of the Year," while the club's Arts Department, chaired by Wendy Carriker, captured the Jane Needham Department Award for the department with the year's outstanding project. The President's Special Award went to Wendy Carriker and Sandra Marshall.

The new officers installed were Sandra Marshall, president; Kelly Merritt, first vice president; Martha Griswold, second vice president; Kim Holcombe, recording secretary; Deanne Guthrie, corresponding secretary; and Kathy Ferguson, treasurer. Committee chairmen were named and include ways and means, co-chaired by Joan Bowman, Wendy Carriker and Leigh Ann Epperson; art, Bonnie Flythe; conservation, Amy Slate; education, Betsy Manieri; home life, Penny Greenwood; international affairs, Pam Lisk and Linda Gillespie; and public affairs, Tina Butcher.

New inductees included (left to right) Penny Greenwood, Besty Manieri, Amy Slate, Bonnie Flythe.

New officers and committee chairmen include (front row, left to right) Sandra Marshall, Martha Griswold. On the back row are (left to right) Joan Bowman, Kelly Merritt, Kim Holcombe, Wendy Carriker and Kathy Ferguson.
