SUNDAY SCHOOL

Methodist Episcopal Church, South

April 19*23*, *April* 19*24*

THE COMPLETE
SUNDAY SCHOOL
RECORD BOOK.

Simple, Sensible, and Suitable for Schools
of all Churches.

NASHVILLE, TENN.; DALLAS, TEX.:
PUBLISHING HOUSE OF THE METHODIST EPISCOPAL CHURCH, SOUTH.
SMITH & LAMAR, AGENTS.

Entered according to Act of Congress, in the year 1878, by
the Book Agents of the M. E. Church, South,
in the Office of the Librarian of Congress, at Washington.

PREFACE.

• • •

Believing that the records of a Sabbath school should be kept as accurately and methodically as the books of a first-class mercantile establishment, the author devised the present system, and has used it satisfactorily several years. It is plain and practical, and within the comprehension of all.

I am indebted to Mr. L. D. Palmer for valuable assistance in the preparation of this work.

The copy has been submitted to Dr. W. G. E. Cunyningham, Editor of Sunday School Literature, and approved by him.

JAMES R. GREEN.

TULIP STREET SUNDAY SCHOOL, NASHVILLE, TENN., }
December 10, 1878.

• • •

ROLL EXPLANATION.

The "Roll" on each double page is intended to embrace a period of six months, five Sundays being allowed for each, to meet all requirements. Only one form of Roll is adopted for officers, teachers, and scholars; and the blanks at the top of the page are to be filled out so as to read, "Roll of Officers," "Roll of Teachers," "Roll of Infant Class," "Roll of Bible Class," "Roll of Class No. 1," "No. 2," and so on.

In Class Rolls, place the names of the teachers at the head of the list, between the second and third red lines, but do not include teacher in the addition to ascertain the number present, as this is done in the Roll of Teachers.

The percentage of attendance for each Sabbath, or for the month or quarter, may be easily obtained by adding the lines "Present" and "On Roll," and dividing the former by the latter. This may be made an interesting feature of the school by having one or two banners to be placed over the two classes showing the best percentage of attendance.

• • •

SUMMARY EXPLANATION.

Like the "Roll," the "Summary" is ruled to allow five Sundays for each month, but covering a period of only three months on each double page.

Extend from Sabbath to Sabbath the number "Present" and "On Roll," opposite the names of the classes in the left-hand margin, as in the form given. Add the columns "Present" and "On Roll," and place the aggregates in the proper blanks near the bottom of the page, so as to show the "Total Scholars" present and on roll. Fill the blanks for "Officers" and "Teachers" under "Total Scholars" with aggregates taken from Officers' and Teachers' Rolls. These three aggregates added together make up the "Grand Total."

The percentage of attendance of the entire school can be had as in the classes.

Scholars transferred from one class to another do not affect the general aggregate of scholars, but only increase or diminish the classes in which such changes occur. The same is true if an officer becomes a teacher or scholar, or a teacher an officer or scholar.
