Appointed By The Board

In the face of rising costs and the need for more and better services, your city tax dollar will continue to be one of your best investments through the wisdom of the City Council in the exercise of its powers, duties and responsibilities; through the diligence of the loyal city employees; and through the willingness of citizens always to do a little more than is expected of them.

This little schedule or roster of city officers does not illustrate any of the varied and complex activities of your city government. Merely a miniature directory and condensed record of services.

Respectfully submitted

J. C. HILL,
Clerk.
