Dear Fellow Jaycees:

Our new year is off to a great start!

Your new officers are working very hard to get your ideas on how the chapter should operate. The plans should be complete in about a week. We have ask everyone for input but in case we missed someone, feel free to contact one of the officers.

Our meetings this month will start out with a Dinner Meeting on Thurs., June 1st at 7:00 P. M. at the Western Sizzlin. Mr. Lowell Thomas, Vice President, Mount Airy Chamber of Commerce will speak on industrial development. The second meeting will be held at Mike and Cindy Rader's home on June 22 instead of June 15th because of the Miss N.C. Pageant. We will have a COOKOUT for the ENTIRE FAMILY, bring a LAWN CHAIR, every thing else will be furnished. This will give us a chance to get better acquainted.

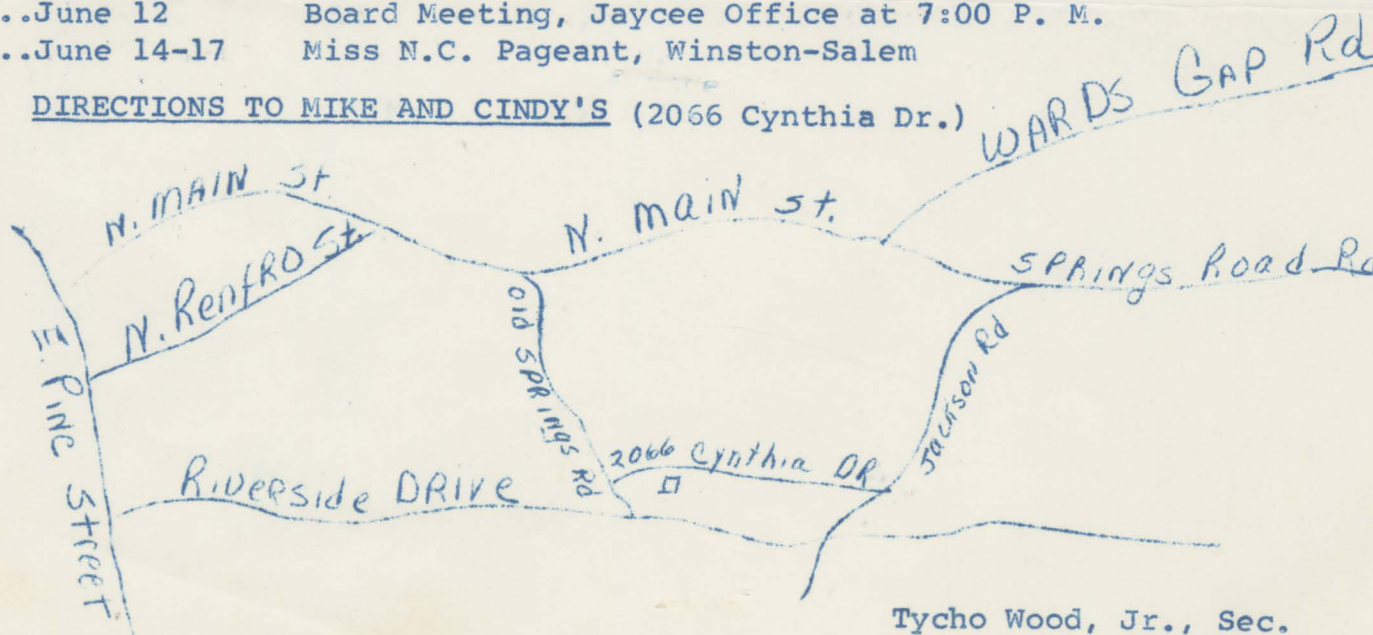

I am very enthusiastic about the outlook for the year!! We should have a lot of fun as we make a contribution to our community and develop to our greatest individual potential.

David Hawkins, President
