OCTOBER 1977

President's Column

This week we have two major projects to complete. The Autumn Leaves booths have to be set up and our ham shoot begins Saturday at 9:00 A.M. Please give Allen and Dennis all the help you can. Dennis has several spots to fill for the ham shoot so please let him know when you can help.

We had a good trip to the Regional meeting in Winston-Salem with eight members able to attend. Jim Roberts presented a project to the board members who attended the meeting. Jim suggested that we have a haunted house on Halloween. The project was approved and Jim was appointed chairman. Let's give Jim our support.

Our next Board meeting will be October 10, 1977 at 7:00 P.M. in our office. We need to discuss our Rush party on Oct. 20th and the Haunted House project.

*****INTERNAL VICE PRESIDENT'S REPORT*****

The one big activity for the internal part of our chapter is the MEMBERSHIP RUSH PARTY ON THE 20TH. We need every Jaycee to invite several prospective members for this activity to be a success. Please give all your friends the opportunity to become a Jaycee. Gary Lackey is the project chairman so please give him your list of prospects so he can send out invitations.

*****EXTERNAL VICE PRESIDENT REPORT*****

Two major Ways and Means projects are upon us. We need everyone's help to make these two projects a success.

A big plus for the Jaycees over other organizations is the fellowship that Jaycees have while working on projects. Often, one can hear complaints before and/or after projects. But everyone enjoys working with Jaycee "friends" on projects. So, participate this weekend and let's have some fun.

*****External Projects*****

Autumn Leaves Set-up and Take down-----Allen Burton, Chairman

Manpower Wanted-experienced or inexperienced in nailing nails; lifting and moving wood; must be willing to have a good time. Be available for work anytime from 1:00 P.M. Thursday until? Also we will tear down the booths at 5:00 P.M. on Sunday.

Ham Shoot-----Dennis Jaynes, Chairman

Dates: Oct. 8, 1977 from 10:00 to 5:00 and Oct. 9th from 12:00 to 5:00

This is an excellent ways and means project. Also, some of the proceeds will go for renovating the Jaycee offices. If you have not been assigned a time to work on this project please contact Dennis. Remember the more manpower available for this project the faster the rounds will be shot and the more money the Jaycees will make.

*****STATE DIRECTORS REPORT*****

We had very good attendance at the Regional meeting. There were six door prizes given and the Mt. Airy Jaycees won three with only eight members present. Also, our chapter is third in our population division in the state in P.O.C.'s.
