FROM: Charles Allen, Executive Secretary

Ruritan National's Annual Convention, as you know, is to be held at the New Orleans Hilton Hotel, New Orleans, Louisiana, January 8-10, 1981.

Article III, Section B, of the National By-Laws states that "Each local Ruritan Club shall be entitled to one delegate at Ruritan National Convention for each twenty (20) members or major fraction thereof; provided however, that each club be entitled to two (2) delegates to any or all National Conventions." Article III, Section F, of the National Constitution requires that each member club send at least one of its members as a club delegate to the national convention at least every two years. In compliance with the provision of the by-laws, it is necessary for your club to elect delegates to attend the convention.

Enclosed you will find "Delegate Cards" for the number of delegates your club is entitled to, based on membership information taken from either the October club secretary's report, or latest other report on file in the National Office, as of November 10, 1980.

However, your club is to elect ONLY the number of delegates it is entitled to, BASED ON THE MEMBERSHIP REPORTED ON THE NOVEMBER CLUB SECRETARY'S REPORT. Any change in membership thereafter for 1980, will not be considered by the National Convention Credentials Committee in determining the number of delegates eligible for certification.

Each elected delegate is to be given a delegate card signed by the club secretary. Upon arrival at the convention, the card should be presented to the Credentials Committee for certification.
