You Stole Away

*You Stole away from us
Without so much as a fuss;
Now God watches over us
In Him we can trust.*

*You stole away from us
God said "It's time, you must";
Go quietly into the night, Go
Even though our tears will flow;*

*You stole away from us
Ashes to ashes, dust to dust;
Your dawn has come
Our cries will be hushed;*

*You stole away from us
Your joy was a plus;
Our lives were fulfilled
If life was a pie, you were the crust;*

*It's not for the living
To bury the dead you oft' said;
So now we say our goodbye
Slow and easy we will tread;*

*Weeping endures for a night and joy comes in the morn;
When you hear Gabriel's horn,
He shall lead;
For now to steal away is your dead.*

Thank You

*The loss of the one we held so dear.
It was to us a great comfort indeed,
To see you in the time of sorrow and need.
So from our hearts which you tried to help mend,
We thank you sincerely again and again
For being such wonderful friends.*
