I am researching the Cordill family of Surry Co, NC.

I have a John A Cordill B-abt 1856
+ wife Susan B-1851 with three children:

Manley Graham B-1875-6

Eugene E. ————— B 1879

Delilah ————— B 1877

I found them in the 1880 census
Bryan Twp.

The father John A + wife Susan
died while children were young.
Then the children lived with
their uncle + Aunt.

Some of the family were
from Roaring Gap and were
also related to the Thompson
family.

Manley was spelled
Manley - Manlyff also known
as Manuel.

I am looking for deaths of
John + Susan. Susan's maiden
name, marriage or the uncle
they lived with.

I would be pleased with
anything at all that you might
find.

Please find a check for \$10
Thank you so much - Sharon Wolf

Thank you for your letter dated June 25, 2001 regarding the Cordill family. We are sorry it has taken us so long in answering your letter.

We were unable to find the specific things you ask about but are sending you several pages of information found on the Cordill/Cordle family.

NC did not keep birth and death records until 1913. Therefore it is hard to find death records. Apparently, there were several John Cordills in Surry Co. Two of them were John C. and John A. Cordill in Surry County. They both had a wife named Susan. One was a Susan Tilley.

We hope some of the information will be beneficial to you. We will be happy to print a query in our quarterly journal and they are also posted on our web site.

Thank you for the contribution to our association. If you can think of other sources of information you would like for us to check, we will be happy to do so.
