Mrs. John L. Banner,
Mount Airy,
North Carolina.

Dear Mrs. Banner:

We are writing to ask that you let us know something about your note which we hold -- the amount of which is \$341.50 plus interest charges since March 26th, 1931.

Will you please let us have payment now if you are not able to take care of the full amount? We are confident that you can assist us some and we shall appreciate it.

We shall expect to hear from you.

Yours very truly,
