

ELECTRICAL GIFTS *for Happiness*

Give something that the whole family will enjoy and appreciate during the entire year. Electrical gifts save labor and create leisure, making life better worth living. Our quality line of electrical goods embodies the latest ideas in mechanical beauty, workmanship and durability.

Fixtures That Truly Beautify and Make More Comfy the Home

We invite you to come to our shop and inspect our beautiful display of electrical fixtures.

Note these very low prices, making it possible for you to purchase these long-wanted fixtures and still have ample money for other Xmas things.

Here is a truly useful as well as an ornamental fixture for the bathroom. Bracket lights get more light at a low cost

Above is a Chandelier of 5 candles. Same can be had in a variety of sizes and patterns from 5 to 25 candles.
Low Prices.

These Fixtures are unusually fine in quality and workmanship and we offer them at surprisingly low prices

Above is a Crystal Bracket Light Fixture that will add greatly to the appearance of a room
