God's Garden Must Be Beautiful

God looked around the garden,
and found an empty space.
He looked down upon the earth,
and saw your tired face.
He put his arms around you,
and lifted you to rest.

God's garden must be beautiful
for he only takes the best.

He knew that you were weary,
and he know you were in pain.

He knew that you would never,
be well on earth again.

He saw the roads were getting rough,
and the hills were hard to climb.

So he closed your weary eyelids,
and whispered peace be thine.

Thank You

The flowers that you sent that day,
The card you mailed along the way,
The service you stopped by to render,
The gift you brought with thought so tender,
The prayers you said which played a part,
In easing the pain that was in our hearts,
Each helped us to find that strength to bear,
The loss of the one we held so dear.

It was to us a great comfort indeed,
To see you in time of sorrow and need,
So from our hearts which you tried to help mend,
We thank you sincerely again and again
For being such wonderful friends.
