Doc and Ida Jackson were two of Mount Airy's more colorful residents and they called the streets of the Granite City home for many years, as old-timers will recall. The couple was perhaps best known for their collection of clothing, which they reportedly wore all at one time. As the season advanced from summer into fall and winter, they just seemed to add extra layers of clothing. This picture, brought to the TIMES office this week by Walt Mason, 202 Moore Avenue, was taken by Mason on a Mount Airy street in 1937.

Charles Bartlett Jackson, 67, died at his home in Pilot Mountain on May 4, 2011, following a long illness. He was born in Spivey's Corner, N.C., on April 30, 1944. He was the son of the late Charles Conoly Jackson and the late Hester Bartlett Jackson. Mr. Jackson received an Associate's Degree from the Winston-Salem Business College. He worked as a teacher at Winston-Salem Business College before working at Quality Mills as a computer programmer. He worked as a systems analyst at R J Reynolds Tobacco Company until his retirement. Mr. Jackson was preceded in death by his parents, Mr. and Mrs. Charles Conoly Jackson. He is survived by his sons, Charles B. Jackson, Jr. of Dobson N.C. and John D. Jackson of Pilot Mountain N.C.; his former wives Ms. Janice J. Brown of Mt. Airy, N.C., and Ms. Cynthia N. Jackson of Plymouth, N.C. Also surviving are his brothers Michael C. Jackson of Dunn, N.C., Daniel W. Jackson of Dobson, N.C., Paul H. Jackson and his wife Kathryn F. Jackson of Dobson, N.C., and his niece and nephew Kathryn J. Hall of Mountain Park N.C. and Franklin D. Jackson of Dobson N.C. The family will host a visitation at Moody-Davis Funeral Home in Dobson on Friday, May 6, from 6-8 pm. The family would like to express their gratitude to Mountain Valley Hospice and Palliative Care. Ms. Carolyn Spraker, Ms. Lois Edwards, and Ms. Sabrina McKeithan provided excellent care that truly went above and beyond the call of duty. The family requests that memorials be made to Mountain Valley Hospice and Palliative Care 401 Technology Lane, Suite 200 Mount Airy, NC 27030 in lieu of flowers. Mr. Jackson enjoyed amateur photography, the blue highways of North Carolina, and spending time with family and friends. He will be remembered as an independent spirit with a unique and forthright sense of humor and a loving and supportive father.

Husband honors  
 34 years of togetherness  
 with a sculpture

**MOLLIE'S BENCH:** Billy Jackson made this sculpture of Mollie Jackson that sits on a bench near her grave.

By Mary Giunca  
 JOURNAL REPORTER

Billy and Mollie Jackson often discussed putting a bench on the plots they owned in the Salem Cemetery. The plots are near the back of the cemetery, in a pretty spot where the road curves gracefully.

When Mollie Jackson died suddenly in 1997, Billy Jackson followed through on the couple's plans.

Then he went one step farther. He made a bronze sculpture of his wife.

Since last year, the spritely figure of a woman has perched on the bench. She is reading a book with a cat in her lap. The marker reads: Mollie Graham Jackson 1939-1997.

"Folks can come sit and rest and talk to Mollie," Jackson said. "She never saw anyone she didn't like." Mollie Jackson's two loves were her cat and reading mystery novels, particularly, *The Cat Who . . .* series by Lilian Jackson Braun.

Jackson thought the sculpture was a fitting tribute to his wife, who encouraged him to take up sculpting.

Mollie Jackson worked as a radiological technologist, but she also enjoyed painting in the folk-art style. In 1993, she wanted to take a painting class at Forsyth Technical Community College.

Mr. Donald Smith  
772 14th Street  
San Francisco, CA 94114

Thank you for your letter dated February 3, 1999 and giving us the information on your Ruel Jackson. We also received your check for \$54.50 for "The Heritage of Surry County," Volume I. There was a little confusion whether you wanted Volume I or II. We hope you got the correct volume. If not, please let us know.

You also stated you enclosed your application for membership to SCGA. We did not find the membership or check with this letter. If we need to do further checking at our end please let us know. We are sorry about the problem.

We have forwarded your letter along to Jimmy Smith who is working on finding the property in your previous letter of request.

We are enclosing some information typed from a local paper called "Simple Pleasures" regarding the Jackson family. There have been several queries in the paper in a column called "Family Information Swap" written by Hester B. Jackson. She is a charter member of SCGA and was responsible in getting Volume I of the heritage book done. She has also written "Surry County Soldiers in the Civil War." She is a very interesting lady. Her address is P. O. Box 707, Dobson, NC 27017. You might wish to send her a query or have info published in her column. She would love to hear from you.

Could we get the address of Lucille Vernon from you. We might wish to contact her for a copy of her research on the Jackson family for our family files.

We welcome you as a member of SCGA and have enclosed your Spring 1999 journal. Look for your summer issue in early June.

We are still very much interested in the families that left Surry County and would like to know about their life after they left here. We would very much like to have a copy of the unpublished Jackson study if you are willing to share. Could we publish portions of it in our journal?

We are sending you a copy of the picture of Amer Jackson House published in the book "Simple Treasures" which you mentioned in your letter.

We are happy that your Surry County heritage book arrived in good shape. We appreciate your support of our association.

If we can be of service further, please write again.

InRe: Correspondence 02/11/99

Dear Wilma Hiatt:

Thank you for your letter. Regrettably, Lucille Vernon has passed away. Her editor remains active. His name and contacts are as follows: Robert Jackson 847 E96th St Seattle, WA 98115 206 5249788. Her work on the Jacksons is really stupendous in its range of inclusion, but is restricted to domestic familial connections. We are trying to get further information from Europe on the pre-emigration situation. The Jacksons which you referenced in the "Simple Pleasures" excerpts is exactly our family. We descend from Ruel, son of Amer. Ruel had eleven children. His eldest son emigrated to CA in 1860 after a short stay in MO. There is much further information, but I suspect it beyond the scope society's concern as it took place elsewhere. I shall be happy to mail a copy of the unpublished Jackson study if your committee has an interest in it. Please advise. The Jacksons remained for a considerable period in Surry/Stokes Cos. and many of their descendants undoubtedly remain there today. They seemed to intermarry with the same families over and over: Beals, Jessops, Hickeys, Forkners, etc. I shall also contact Hester B. Jackson. Thank you for the address. I believe there is a book on Surry Co. architecture which includes of photo of Amer Jackson's now burned house. Are you familiar with this? Vol. I arrived today, exterior much battered due to storm, but the book was fine as it had been carefully wrapped. Enclosed is my check for Society membership; regrettably it was overlooked in the prior correspondence.

Dear Wilma

I have enclosed a genealogical report of the known 208 descendants of Addison Bennett Jackson. As research reveals more I will update the information. Also enclosed are surname cards for my great great grandparents with the information I need. Hopefully there is someone with information that will further the research I have.

I know Addison was baptised as a Baptist between 1834 + 1857 into the Fox Creek Primitive Baptist Church in Virginia. Whether he was affiliated with a church before that time I'm not sure. His marriage bond to Matilda Griffith is signed by a man named Tucker. First name unreadable, middle initial is B. I am still trying to decipher the first name.

Thank you for your time and help. Membership Application enclosed.

Sincerely  
Clyde L. Jackson

InRe: Jackson's of Toms Creek

Dear Wilma Hiatt:

Enclosed is the monumental work on the Jackson's which was mentioned in previous correspondence. It is notable for its breadth and in addition contains solid information. Unfortunately, it does not address the progenitor's presumed Scots Irish origins or detail the trip over, but that is being considered now at some length. My branch is on p. 188 and I have further information on the children of Ruel if anyone reviewing this should wish it. Thank you for your help and consideration in this project. Families were very large and often the younger stayed at home to help with the farm and elderly while the elder ones moved on west. An open frontier creates and entirely different setup than existed in Europe.

Sincerely,

Given to Donna

Thank you so much for sending us the information on the Jackson family. We will have it bound and place it in our genealogy research room at Surry Community College. We are considering putting a portion of it in an upcoming journal. But it will probably be the first of year 2000. We have already done our Fall journal and our Winter journal is pretty full with printing our membership list in it. We will probably use from page 187 (Amer Jackson) and print about 10 pages. We would like to print more but this is about our limit on one family per journal. If you prefer printing another portion of the book you can let us know or if you want to do an article especially for the journal, you can consider that option.

We want to remind you to send in your surname cards listing the families you are researching if you have not done so. This information is always printed in our Winter journal along with the membership list. A sample is enclosed.

Thanks again for your support and providing us with so much good information on the Jackson family. If we can be of service to you please write us.

Dear Sirs:

I am seeking information on my great great grandfather Addison Bennett Jackson. I have a copy of his marriage bond for his first marriage on September 5, 1833 in Surry County. It does not list his parents name or his wife's parents. She was Matilda Griffith + my great great grandmother. I also know he was baptized into the Baptist church at Fox Creek Virginia between 1834 and 1857. He was still a devout Baptist when he died in 1890.

My question concerns his church affiliation and possibility he was married as a Baptist either in a church or one of the parents homes. Is there any possibility of finding out where the marriage took place + what records were kept for the marriage.

I have enclosed a SASE for your convenience as well as a copy of the marriage bond on file in the Register of Deeds office for Surry County. Thank you for your time.

Thank you for your letter postmarked February 25, 2000 regarding Addison Bennett Jackson. We are very sorry that we do not have records that would tell us where his marriage to Matilda Griffith took place. Not knowing which church in Surry County to look for records is a problem and most church records in the 1830s are very scarce. In this area if they were not Quakers or Moravians, the records are very seldom available. Most people back then seem to marry in the home of a relative or the home of the JP or minister.

We suggest you send a query for our journal and surname cards for our file. Information is enclosed.

We have many researchers of these two families and perhaps some of our members will be able to help you.

We would love to have a pedigree chart or family group sheets on this family for our file if you would be willing to share with us.

We are very sorry that we cannot help you more at this time. If you feel we can be of further service, please write again.

Good luck with your research. Let us hear from you again.

I am seeking information regarding m great-great grandfather James Hill Jackson, born 1826/1827. He married Laura Echols on 19 Apr 1946 in Henry Co. Virginia. They moved to Surry Co. in 1852. James Hill Jackson was a farmer and preacher in Surry Co. He owned several farms in Surry County and gave land to his sons as they married - found deeds for land that he gave to sons, Jonach and Job. I know their childrens names, spouses, etc. What I am really looking for is the parents of James Hill Jackson. I have recently received information from a distant cousin in Florida who claims that James Hill Jackson's mother was Sarah Sally Hill and that she married Amer Jackson, b. 1797 in 1836. She states that Sarah Sally Hill brought son, James Hill into the marriage and that Amer Jackson gave him his name. I would like to document this if possible. She states she copied the information from data printed in a Surry County historical magazine - an article by Mary Jackson Martin.

I would also like to find out some additional information on my great-grandfather, Jacob Jackson (James Hill Jackson's son). He was born 13 Mar 1858 in Surry Co. He married Margret Taylor, b. 12 April 1860 on 19 January 1881 at Hollow Springs Baptist Church in Mt. Airy. There is some question as to who Margret's mother is. I know her father is Spencer Taylor (marriage document), but the mother is listed as "? Taylor" (both were living at the time). Spencer Taylor's wife is listed as Cinthia on the Surry County Census records and they have a child, Margret, whose age corresponds with 12 Apr 1860. I feel for sure that her given name is Cinthia - I really want to confirm her maiden surname. I had thought it was Taylor as well, and it may be. However, the relative in Florida states otherwise.

*Spencer, son of Sterling & Elizabeth Taylor (both are Taylors)*

*Spencer Taylor b -15-1859*

I live in Rockingham Co. NC and I visited Surry County Courthouse and White Plains Baptist Church Cemetary last week. It is very hard for me to get to Surry County during the weekdays to do research. Any help the Geneological Society can give me will be greatly appreciated. As I live over two hours away, I couldn't attend Society Meetings. However, if I need to join the society to get information, I can do that. Just let me know.

Thank you so much for any assistance.

### AMER JACKSON

Youngest son of Samuel Jackson and Catherine Plankenhorn  
Born, June 9, 1769 in Rowan Co. NC

Died Apr. 1843 in Stokes Co, NC

First Marriage was to Violette Forkner, date unknown  
Second marriage to Elizabeth Shippley, date unknown

#### Amer Jackson (Samuel Jackson and Catherine Plankinhorn)

Amer Jackson was born June 9, 1769 in Rowan Co, NC. He was the youngest child of Samuel Jackson and Catherine Plankinhorn Jackson, natives of PA. His parents moved to Surry Co, NC when he was a small boy, settling on Tom's Creek. Amer grew up on his father's farm in the Westfield area. He married, and lived in this area the remainder of his life.

When Surry Co. was divided into Stokes and Surry Counties, Amer's land was in Stokes Co. He died in Stokes Co. in 1843 and his will was probated in Sept. of 1843. It is listed in the Stokes' Co. Will Book 7, page 259.

Amer was married at least twice. It is thought that he may have had a third marriage because the ages of his children are quite far apart. His first marriage was to Violette (Violet) Forkner. He was married to Elizabeth Shippley when he died in 1843. His first eight children were born between 1798 and 1810, then there was a span of ten years before three more children were born. His last six were by his wife Elizabeth Shippley. In all, Amer named fifteen children in his will. The 1850 Census shows Elizabeth with five children at home, the youngest son had died soon after the death of Amer. If the three children born 1820-28 were the children of Elizabeth, they had left home before 1850 and all of the descendants of Amer that I have contacted say that Elizabeth had only the six children. So there may have been a marriage between Violet and Elizabeth.

Violette Forkner Jackson, wife of Amer, was the daughter of William Forkner. The dates of her birth, death, and her marriage to Amer Jackson are not known. See the account on William Forkner.

Elizabeth Shippley, the last wife of Amer, was living with her three unmarried daughters in 1860, and had moved in with her daughter Leathy Ann Pearce in 1870. They were living in the home of Presley Pearce. Presley may have been a son of Leathy's. Elizabeth must have died after 1870 and before

1880 as she was not mentioned in the 1880 census.

An article was written on Hickory Co, MO, about **Amer Jackson**, the son of **Iredell Jackson**. (**Iredell** was the second son of **Amer**.) This states that the son was named after his grandfather **Amer Jackson**. This article states that **Amer's** grandfather was named **Thomas Jackson**. We know that his grandfather's name was **Amer**, (unless he was named **Amer Thomas Jackson**) because we know names of all of **Samuel** and **Catherine Jackson's** children.

The following is a list of the children of **Amer Jackson**, taken from his Will.

**Amer Jackson**

Signed, sealed, published and declared in the presents of us, **E. W. Carson** and **Reuben Vaughn**,

#### **Samuel Jackson (Amer, Samuel Jackson)**

Samuel was born ca. 1830 in Stokes Co, NC, the son of Amer Jackson. His father Amer willed Samuel "the tract of land on which I now live, after the death of my wife, or at the expiration of her widowhood, consisting of some three or four different tracts all joining". It is not known if Samuel was the son of Amer by his first wife **Violette Forkner**, or his second wife **Elizabeth Shippley**, as the date of Violette's death is not known. His first known child by his second wife Elizabeth was born ca 1831. So if Violette was Samuel's mother, she could have died at his birth and Amer left with a house full of children and could have married soon after her death. No further information is known on Samuel.

#### **Amer Jackson and Elizabeth Shippley**

Amer Jackson married Elizabeth Shippley prior to 1831. The 1850 census shows that Elizabeth was a widow and gives her age as 40, so she was born ca 1810. Amer Jackson was born in 1769, that would make him some 40 years older than Elizabeth. One of his great grand sons told me that after the death of Amer's first wife, he went to Virginia and married a young girl and raised another family.

The five known children of Amer and Elizabeth were:

1. **Leathy Ann Jackson** was born ca 1831 and married **George Pearce**. They may not have had any children. In her will, probated Dec. 29, 1914, **Leathy Ann**, (book 7, page 40) she gave to her beloved friend **Bob Dick Jackson** all of her property, all of her money, and all of her personal property. She also appoints her trusty friend **Bob Dick Jackson** her lawful Executor. This **Bob Dick** was probably one of her nephews.
2. **Katherine Jackson** was called "City" or "Kitty". She was born in 1833 and was never married. She, with her two sisters, **Mary** and **Camillia** maintained a home and all three lived together. In 1900, **Thompson Jackson**, their nephew and son of their brother **Jacob**, was living with them.
3. **Mary Jackson** was born in 1835 and never married. She lived with her sisters.
4. **Camellia Jackson** was born 1840 and never married. She lived with her sisters.
5. **Jacob Jackson** was born 1842. See account.

#### **Violet Forkner (Wife of Amer Jackson)**

Violet was the daughter of **William Forkner Jr.** and his wife **Susannah Wells**. The date of her birth or marriage is not known. Their first child was born in 1798. They could have married, 1796-97. An article written in the "*Surry County Heritage Book on the Forkner Family*", by **Roberta Issac**.

"**William Forkner** lived in England prior to 1630, he was a draper (merchant) by trade. He married **Elizabeth Filmer**, a young lady from a wealthy and titled family. Her father was Sir **Edward Filmer**.

Their son **John Forkner** brought his wife, and their sons, **Thomas**, **Francis**, and **John Jr.** to America. They came on the ship "*Agreement*". They brought two servants with them. He paid for the passage with three hundred pounds of tobacco, from his family estate. The year of their arrival was 1665, in 1667, **John's** mother **Elizabeth Filmer Forkner** came to reside with her son **John** and his family in Kent Co, MD. **John's** wife was named **Elizabeth**.

We trace our family through **John Jr.** who married **Sarah Ford**. He died in 1730 leaving two young sons, **William** and **Emmanuel**. **Emmanuel Forkner** moved his family to Warren Co, NC, where he owned a large amount of land."

**William Forkner** seems to have been quite a traveler, from evidence found he seems to have been a trader as well as an Indian fighter. His name is on **Capt. Lockridge's** muster roll. His company left Fort Lewis and went through the mountains to Point Pleasant, the great Indian defeat.

**William** is also listed in several county court records of Augusta Co, VA. He lived for some time at Fort Lewis. He also owned land on the Slate River in Virginia. In the late 1760's, **William Sr.** and **William Jr.** are listed in Rowan Co, NC. They are both found on the Surry Co Tax Roll of 1771.

The last known information on **William Sr.** is that he lived in Patrick Co, VA, on Fall Creek near **Crater's Mill**. He furnished supplies to the Patriot Army during the Revolutionary War. In 1794 he

deeded his land to a son with the notation "due to moving", where he moved to is unknown. He left behind several children that remained in Patrick Co, VA, and Surry Co, NC. The children were, **William Jr. Lewis, Joseph, Henry, Jonas, John, Thomas, and Winnie Hawks.**

Only a limited amount of information is known on four of his sons. **Lewis Forkner** was a Baptist minister, he helped establish the First Baptist Church in the "Hollows" before moving to Ky.

**Joseph Forkner** moved his family to Tennessee. He was the forefather of the writer, **William Faulkner.**

**William Forkner Jr.** settled on Forkners Creek, in Surry Co, NC. He married **Susannah Wells.** He, like his father, was a trader. He built his house on a circular hill, the chimney was made from stone with the date 1786-1796, cut into it. **William** owned a very large amount of land. He and **Susannah** were the parents of eleven children:

1. **Pleasant Forkner**, moved to Alabama.
2. **Lewis Forkner**, moved to Indiana. He was in the War of 1812.
3. **Isaac Forkner**, moved to Indiana. He was in the War of 1812.
4. **Martin Forkner**, fought in the War of 1812. It is believed he may have died during the war.
5. **Samuel Forkner**, moved to Missouri, and then to California
6. **Micajah Forkner**, moved to Missouri
7. **Mary Forkner**, moved to Tennessee
8. **Lucy Forkner** married **Burrell Badget** and they moved to Knox Co, TN.
9. **William Forkner Jr.** died young and was unmarried.
10. **James Forkner** stayed and cared for his mother who lived until 1848. He married **Millie Harris.** He died in 1858.
11. **Violette (Violet) Forkner**, married **Amer Jackson.** They remained in the area.

#### **Susannah (Susan) Jackson (Amer, Samuel Jackson)**

**Susannah** was born in 1798 in Stokes Co, NC, the daughter of **Amer and Violet Forkner Jackson.** She grew up in Stokes Co. and married **James Gordon** there on Sept. 16, 1824.

**James** was the son of **John Gordon and Barzilla Martin Gordon.** **John Gordon** was born in 1772 in Albermarle Co, VA. He was the son of **Thomas and Sarah Flynn Gordon.** **James** was born Mar. 27, 1809 and died Feb. 7, 1868. He was a Justice of the Peace in Stokes Co, and he was a school Committeeman in 1842.

If the dates of the births and marriage of **Susannah** and **James** are correct, he would have been only 15 years and six months old when he and **Susannah** were married, and she was twenty-six years old, making her eleven years older than **James.** **Susannah** and **James** were the parents of seven sons:

1. **Jesse Allen**, born ca 1827. See account
2. **Jefferson Madison Gordon** married **Martha Ebert**, a sister to his brothers wife **Sarah.** They were the daughters of **Christian and Anna Tuttle Exert.** The names of any children are unknown.
3. **William Martin Gordon** married **Jane Hill**, the daughter of **Charlie Hill.**
4. **James Dalton Gordon** married **Martha Eaton.**
5. **Samuel Preston Gordon** See account
6. **Granville Craford Gordon** married **Mary Eaton.**
7. **Dr. Yancey Gordon** married **Alice Cook.**

#### **Jessie Allen Gordon (Susannah, Amer, Samuel Jackson)**

**Jessie** was born in Stokes Co, ca 1827, the oldest son of **James and Susannah Jackson Gordon.** He married **Sarah Ebbert (Ebert)** on Dec. 12, 1848. **Sarah Ebbert** was the daughter of **Christian and Anna Tuttle Ebbert.** **Anna** was the daughter of **John and Anna Barbara Frye Tuttle.**

**Jessie** and **Sarah** chose their home site on a small stream that runs behind the Primitive Baptist Church called "**Gleddens Creek**". They are buried about a mile from their home in the Old Gordon Graveyard, that is now owned by **Lester and Woodrow Owen.**

**Jessie** and **Sarah Gordon** were the parents of five children:

1. **William Yancey Gordon** was married twice, first to **Mary "Maggie" Elizabeth Gibson**, the daughter of **Martin and Elizabeth Gentry Gibson**. **Maggie** died June 5, 1914. **William's** second marriage was to **Mrs. Rosa Allen Tuttle Ferguson**. His children by **Maggie Gibson** were:
  - a. **Salathiel Fountain Gordon** was born Sept. 30, 1885 and died Mar. 23, 1960. He married **Bertha Linville** Mar. 10, 1917.
  - b. **Sarah Elizabeth Gordon** was born June 22, 1887 and died Aug. 29, 1973. She married **Charles Hampton Boyles** Dec. 27, 1908. They were the parents of six children:

She married **John Ellis Smith** and was his second wife. **John** was born in 1856, and died in 1926, the son of **Amos Ellis and Tabitha Pulliam Smith**. **Amos** was school committeeman from 1877 until 1885. **John's** first wife was **Harriet Jane Tillotson** who died Aug. 12, 1885. They were the parents of two children:

Gentry** Dec. 31, 1869. **Ivy** was born Feb. 13, 1848, the son of **Ira E. and Elizabeth Vaughn Gentry**. **Ivy** and **Eliza** lived on the Little Yadkin Creek, near Mount Olive Church. **Ivy** bought part of his father's farm, where he and **Eliza** remained the rest of their lives.

The county was desperate from a lack of salt in the spring of 1864 and **Ivy** volunteered to

drive a team and wagon to the western part of Virginia, and brought back a load. This was an extremely dangerous mission and a great adventure, as it was mostly through enemy territory. On another occasion, he was plowing when a group of soldiers from **Stoneman's Raiders** came upon him. They took his horse, but were kind enough to leave the plow and harness behind. The horse happened to be "a hard rider" so they left him at an nearby neighbor. **Eliza** and **Ivy** were the parents of seven children:

#### **Samuel Preston Gordon (Susannah, Amer, Samuel Jackson)**

Samuel was the fifth son of **James** and **Susannah Jackson Gordon**. He married **Barbara Elizabeth Tuttle**. They were the parents of ten children, but the name of only one son is known:

1. **Silas Martin Gordon** was born July 11, 1863, near Pinnacle, NC. He married **Nancy Elizabeth "Bettie" Stone** Apr. 8, 1888. They were married in the morning and ate their wedding dinner in their own log cabin, after she cooked it over on open fire.

**Silas** doctored cows, far and wide for over 40 years, until around the age of 77 years. He was County Commissioner for four years, and postmaster at the Delk Post Office for eight years. He was instrumental in helping to establish the Bank at Pilot Mountain in 1914, and served on it's board of directors until his death.

**Bettie** died Feb. 25, 1947 at the age of 85. **Silas** lived alone with his unmarried son **Herbert** and died Oct. 3, 1965, at the age of 102. They had 3 children:

Information on the family of **James and Susannah Gordon**, was from:

- \* *"The Stokes County Heritage"*, and
- \* research done on the family of **Amer Jackson**, father of **Susannah**.

#### **Ruel Jackson (Amer, Samuel Jackson)**

**Ruel** was born in 1800 in Surry Co, NC, the eldest son of **Amer and Violette (Violet) Forkner Jackson**. He grew up on his father's farm in Surry and Stokes Counties, and remained in the area for over fifty years. His father had willed one hundred and sixty acres, known as the "Burch Tract", and land that joined the land that he was living on, together with ten-dollars.

**Ruel** married **Susannah Whitlock** Jan. 31, 1826 in Surry Co, NC. **Susannah** was born in 1804 in Virginia. The names of her parents are unknown, but it is likely that she was a sister to **Elizabeth Whitlock** who married **Ruel's** brother **Iredell**. **Elizabeth's** father was **Thomas Whitlock**. **Ruel's** first cousin, **Newel Jackson** was a witness to the wedding, and co-signed their marriage bond.

**Ruel** moved his family to Hickory Co, Missouri when he was in his early fifties. He died there in 1863. Very little information is known on the family of **Ruel's**.

(Editor's note: Little was known by **Lucille Vernon** at this time, but a great deal of information has been gathered by the editor [Robert Jackson], and will be made available as soon as organized into a reasonably readable manuscript.)

Of the other men named **Jackson** living in Hickory Co, MO at the time were **William** and **Newel**. (Editor's note: The following sentence is to be deleted) (**Lucille**) have been unable to place these men to the line of **Samuel Jackson**. **Newel Jackson** may be connected to the family, but he would not be the same **Newel** who had been a witness to **Ruel's** wedding, because that **Newel** died in 1833.

The 1850 census of Surry Co, NC gave **Ruel's** his age as fifty years, and names eleven children, all born in Surry Co, NC.

1. **Nancy Jackson**, born In 1827
2. **Amer Jackson**, born in 1830
3. **Margaret Jackson**, born in 1830, may have been a twin.
4. **John Jackson**, born in 1832
5. **Louisa Jackson**, born in 1835
6. **James Jackson**, born In 1837
7. **Martin Jackson**, born In 1838
8. **William Jackson**, born in 1840
9. **Charles Jackson**, born In 1841
10. **Mary Ann Jackson**, born in 1846
11. **Susannah Jackson**, born in 1848

**John W. Tilley** age 4 months was living in their household in 1850. Their neighbors were **Thomas Dick** and **Winston Fulton**.

#### **Iredell Jackson (Amer, Samuel Jackson)**

**Iredell** the second son of **Amer and Violet Forkner Jackson**, was born in Surry Co, NC. The 1850 Census of Surry Co gave his age as 45 which would put his birth date in 1805. The 1860 census of Buchanan Co. MO gave his age as 49 which puts his birthdate in 1801. To add to the confusion, an article on him in Buchanan said that he died in 1861 at the age of 63, which puts his birthdate in 1798. Since his brother **Ruel** was born in 1800 we can assume that **Iredell** was born in 1802-03. He was left

\$1 00 in his father's will. It appears that **Amer** had already given **Iredell** his share of his property. **Iredell** was living in the Mt. Airy District of Surry Co in 1850 with seven children.

From an article on the "*The History of Buchanan Co, Missouri*"

"**Iredell Jackson** moved his family to Buchanan Co, City of St. Louis, MO, in 1856. (He would have been around 58 years old at the time of the move.) While living in the Mt. Airy District of Surry Co, NC, he cultivated a large tract of land, owning many slaves, and raised immense crops of tobacco, corn, and cotton. He moved to St. Louis, MO buying a quarter section of land near Agency. There he devoted to stock raising in which industry he continued until his death in 1861, at the age of 63 years.

**Iredell** lived only about five years after his move to Missouri, and **Elizabeth** was not named on the 1860 census of Buchanan Co, so she also must have died right after the move.

**Iredell** was married on May 30, 1831 in Surry Co, NC to **Miss Elizabeth Whitlock**, the daughter of **Thomas Whitlock**. She may have been a sister to **Susannah Whitlock** who married **Iredell's** brother **Ruel Jackson**.

The only information known on any of their seven children was from an article written about Buchanan Co, about his son **Amer Jackson**. (Account is given of this **Amer**).

1. **Violette Jackson**, born in 1832, married **Hardin Granville Gordon** the son of **Thomas Gordon**, a twin brother to **William Gordon** who was the father of the **Celia Gordon** who married **William Jackson** a brother of **Iredell's**. See account on **Hardin Granville**.
2. **Charles Jackson** born Surry Co, in 1835
3. **Jacob Jackson** 1836
4. **Alexander Jackson** 1838
5. **Amer Jackson** 1840 See account.
6. **Thomas Jackson** 1842
7. **Lucy Jackson** 1844

**Hardin Granville Gordon** (Husband of Violet Jackson)

**Hardin** was born Aug. 10, 1820 in Surry Co, NC, the son of **Thomas Gordon Jr.** and **Sarah Creed**. He emigrated to Buchanan Co, MO in 1842. He was a stock raiser, farmer, and contractor. He died in Buchanan Co, MO in 1860. **Hardin** married **Miss Violet Jackson** in Buchanan, MO. She was born in Surry Co, NC in 1833 and came to Missouri with her parents, **Iredell Jackson** and **Elizabeth Whitlock** in 1856. She was a cousin of "**Stonewall Jackson**" (This has not been proven). She died Aug. 9, 1904 in St. Joseph, MO and is buried in Buchanan County, MO.

An article taken from "*The Gordon Family History*" states that **Hardin Granville** came to Missouri with his parents, **Thomas Jr.** and **Sarah Creed Gordon**. He learned the carpenter's trade and worked on the first Buchanan County Courthouse in Sparts, Center Township, which was then the County Seat. He later moved to St. Joseph, MO.

**Hardin** became quite well off, owning a large tract of land and raising fine horses, which he shipped to distant parts of the country. **Hardin** married **Miss Violet Jackson** in 1860. She was a lovely girl and very capable. Her daughter, **Mrs. Lucy Gordon Howard** has a bedspread which her mother made before she left North Carolina. It is a lovely woven spread beautifully made.

**Hardin and Violet Jackson Gordon** had four children, one daughter and three sons. All three of their sons were road construction contractors, and raisers of fine horses:

1. **Lucy Gordon** was born Oct. 27, 1861 in Buchanan Co, MO and died in St. Joseph, MO in 1944. She married **Isaac Henderson Howard** in 1902. **Isaac** was born in 1854, and died in St. Joseph, MO in 1934. They had no children. **Lucy** was known as the family historian. It was through **Lucy** that the history of **Thomas Gordon Sr.**, a Revolutionary Soldier, was handed down.

When Lucy was a child going to school at Saxton, she sat at her father's knee and listened to him tell her over and over about his grandfather being a soldier and how he was captured by the British. His hands tied together with green swithes. As the swithes dried they cut into his wrists and left scars that he carried to his grave. This made such an impression on her that she never forgot the things her father told her.

- **William Lee Gordon** remembered the story that tells of one morning as the British soldiers were feeding their horses. **Thomas** begged them for a ear of corn. At last one of the young officers felt sorry and hid an ear of corn on **Thomas'** tied hands. **Thomas** went over to a log and laid the ear on it. Then holding it the best he could began to gnaw at it. About this time one of the prisoners heard the sound of horse hoofs and began hollering "the Americans are coming, the Americans are coming!" The British tried to get on their horses but were surrounded before they could get away. They asked the American prisoners what they thought should be done with the now British prisoners. The Americans said to send them home to their families.
- 2. **Andrew Lee Gordon** was born Sept. 3, 1864 and died May 27, 1932. He was born, lived and died in St. Joseph, MO. He married **Jennie Baldrige**, a widow. They had no children.
- 3. **Hardin Granville Gordon Jr.** was born May 27, 1867 and died Feb. 15, 1905. He lived in St. Joseph, MO. He married **Nellie Hollied**. They had two children:
  - a. **Hardin Granville Gordon III**, married Lena Alden. He was a Musician, an Actor, and lived at Excelsior Springs, MO.
  - b. **Mary Josephine Gordon**, married **Robert Kidwell**. They had one son: 1) **Robert Kidnell**,
- 4. **Murry Gordon** was born July 7, 1869 in Buchanan Co, MO, and died Feb. 16, 1906 in Roswell, NM. He never married.

#### **Alexander Jackson (Iredell, Amer, Samuel Jackson)**

**Alexander** was born in Stokes Co, NC. The 1850 census gives his age as 12 years, which would make his birthdate in 1838, but the Buchanan, MO census of 1880 gives his age as 38, which puts his birthdate in 1842. He was the son of **Iredell Jackson** and **Elizabeth Whitlock**. His father, **Iredell** left Stokes Co, NC and moved to Buchanan Co, MO when **Alexander** was around 18 years old. The only information on **Alexander** was taken from the 1880 census of Washington Township, Buchanan Co, which names his wife as **Sarah**, age 28 years, born in Virginia, that her father was born in Virginia and her mother in North Carolina. Their names are unknown. **Iredell** was living near his brother **Amer Jackson** in 1880. Five children were listed, all born in Missouri:

1. **Iredell Jackson**, age 8, in school, (born ca 1872)
2. **Anna Jackson**, age 6, in school, (ca 1874)
3. **Effie Jackson**, age 4 (born ca 1876)
4. **Mary Jackson**, age 2 (born ca 1878)
5. **Dilster? (Male)**, age 1 (born ca 1879)

#### **Amer Jackson (Iredell, Amer, Samuel Jackson)**

The following was taken from "*The History of Buchanan County and St. Joseph, Missouri and Representative Citizens*", an article on **Amer Jackson**, (son of **Iredell**, and **Elizabeth Whitlock Jackson**, and the grandson of **Amer** and **Violette Forkner Jackson**):

"**Amer** was born Aug. 28, 1843 in the Mt. Airy district of Surry Co, NC, where he spent his early life. His father, **Iredell** moved his family to St. Joseph, Buchanan Co, MO, when he was around the age of 12. He lived on his father's farm until the death of his father in 1863. He then enlisted in Company I, 81st Regiment Enrolled Militia of Missouri as orderly sergeant and saw considerable service during the Civil War.

This war and its issues brought heavy financial loss on him, as the slaves he had brought from North Carolina became free. He then went into the freighting business between St. Joseph and Pike's Peak and continued in this profitable business for some three years. Upon his return to St. Joseph, he introduced an improved threshing machine in this section and operated it for some time through the county and then embarked in a grocery business at Saxton.

He was made postmaster and railroad agent, and continued there for 13 years. In 1890 Mr. Jackson sold his property at Saxton, including his store and farm, the latter comprising 165 acres, and bought 200 acres near Easton. There he continued to raise grain and stock for some three years, then began the milling business. He operated a large flouring mill until 1896 and then retired from active labor. He then took residence in St. Joseph, where he had owned some 24 valuable city lots since 1895. His time was mainly occupied in looking after his various investments and in an enjoyment of the ease which years of business precluded.

In 1867, Mr. Jackson was married to Mary E. Jackson, a daughter of Alfred Jackson, of similar name but not known kindred. He has been one of the trustees and is a class leader in Ebenezer Church. Wherever he lived, he has filed township offices, serving faithfully on the School Board, and for 10 years was road overseer. Eight of their nine children grew to maturity."

They were the parents of nine Children:

1. **Laura Elizabeth Jackson** lived in St. Louis, MO
2. **Jacob Jackson** was born in 1868 and died in 1931. He married **Margaret A.** and they lived in St. Louis, MO. **Margaret** was born in 1870 and died in 1954.
3. **Robert L. Jackson** was born in 1870 and died in 1951. (Name of wife not given) They lived in St. Louis, MO.
  - a. **Everett L. Jackson** was born in 1900 and died Sept. 28, 1935, 35 years, 4 months, and 14 days old.
4. **Alexander H. Jackson** was born in 1874, died in 1920, and lived in St. Louis.
5. **Susan V. Jackson** married **Walter L. Lynch.** They lived in Kansas City, MO.
6. **Nellie M. Jackson** married **Harry Knowl** and lived in St. Joseph, Mo.
7. **Alfred Jackson** was born in 1880, died in 1905, and lived in St. Joseph, Mo.
8. **Arthur B. Jackson,** lived in Buffalo, NY.
9. Died young, name unknown.

#### **Alfred Jackson**

The name of **Alfred Jackson's** parents of are unknown. **Alfred** was the father of **Mary E. Jackson** who married **Amer Jackson**, the son of **Iredell** and **Elizabeth Whitlock Jackson.**

The following article was written about **Alfred** in "*The History of Buchanan County, Missouri and Representative Citizens*", and does not name his parents.

"**Alfred Jackson**, the father of **Mrs. Amer Jackson**, was born in Kentucky. When but 11 years of age his father died and he made his way to Richmond, Ray Co, MO, where he entered the employ of a farmer, working one year at Manling Falls, and later in a tanyard. As soon as he was old enough, he worked as a farmhand, and at manhood first rented land and then bought a farm in Jackson County. Two years later he sold that property to advantage and moved to Rock House Prairie, in Agency Township, and bought a farm of 160 acres. In 1865 he moved to Nebraska City, NE, but six months later returned to Buchanan County and bought a farm in Center Township, on which he resided until his death in 1875, at the age of 63. In political faith he was a Democrat.

**Alfred** married **Jemima Tarwater**, of Richmond, Ray Co, MO, formerly of Tennessee. They were both of the Baptist Faith, and for many years he was a deacon in the church. The name of **Jackson** is thus a very familiar one in this part of Missouri and wherever found will be associated with men of proberty, integrity and good citizenship."

**Alfred** and **Jemima** were the parents of thirteen children, twelve of which grew to maturity:

1. **Samuel Jackson**, lived Trenmont Township
2. **William Jackson**
3. **Andrew Jackson**
4. **Joseph Jackson** lived Amity, MO.
5. **Thomas Jackson** lived Nebraska City, NE.
6. **George W. Jackson** lived Atchison Co.

7. **Levi Jackson** lived Durbin, MO.
8. **Chesley Jackson** lived Whitesville, Andrew Co, MO.
9. **Chesterfield Jackson**
10. **Tabor Jackson** lived Amity, MO.
11. **Charles Jackson** lived In Clinton Co.
12. Unknown
13. Unknown

**William Jackson (Amer, Samuel Jackson)**

**William** was born ca 1804 in Surry Co, NC. He grew up in Surry Co, and when Stokes Co was formed, their land was in the newly formed Stokes Co. He remained here the rest of his life, living in the Quaker Gap area. **Amer** gave him only \$1.00 in his will, so we can assume that he had already received his share of his fathers estate.

**William** married **Elizabeth Herrin Gordon** Dec. 13, 1834 in Surry Co. **Elizabeth** was the daughter of **William** and **Elizabeth Herrin Gordon**. The 1850 Census shows they were living in the Quaker Gap area near Mt. Airy, NC. Eight children were named in the 1850 census and the 1860 Census lists four more, making a total of twelve children.

**William** died in 1874, and his will was probated June of 1874 and is shown in "*Stokes County Wills*", Book 6, page 64. **Celia** died Dec. 11, 1876 at the age of 65.

The following article taken from "*The Stokes Co Heritage*" by **Jean Stone Hall** and **Jessie J. Stone**:  
 "**Celia Gordon**, wife of **William**, was born in Surry Co, the daughter of **William Gordon**, he was born Nov. 16, 1779, the son of **Thomas** and **Sarah Flynn Gordon**, was known as "**Uncle Billy Gordon**". They resided about 2 1/2 miles west of Mt. Airy, on Steward's Creek.

One summer evening after dark, **Thomas** and **Sarah** were in the main house, and the children were in the kitchen bathing their feet before retiring. As the custom in those days the kitchen and dinning rooms were separate from the other part of house, sometimes called the "Big House". That evening, "**Father Thomas**" was resting on a "Tunnel Bed", that had been pulled from a larger bed, and "mother Sarah", was spooling a piece of cloth, as it was necessary in those days when the women spun and wove about all the cloth used to clothe the family, when a lightning bolt struck the "Big House", tearing a hole through the roof and instantly killing both.

When the storm was over and the children came to the "Big House", they found their parents lying dead. **Sarah** still had the thread clutched in her fingers and holding a pair of scissors around the handles of which she had been allowing the thread to pass to save her hand from its friction. They were buried in seperate coffins, but in the same grave on their farm. This farm later became the property of "**Eng and Chang Bunker**". The world famous "Siamese Twins".

**William** and **Celia** were the parents of the following children:

1. **Lucy J. Jackson** was born in 1835, married **Martin Hill**. She was left \$1.00 in her father's will. **William** had probably already given her, her share of his estate.
2. **Madison Jackson**. Born in 1838, The 1850 Census gives his name as **Madison**. In **William's** will he names his eldest son an **James A**. The **Madison** on the Census could have been **Addison**, as I find a **Addison Jackson** living in the area. He may be the **James A. Jackson** living in Indiana near his brother **George Jackson**.
3. **George Andrew Jackson**. born in 1840, moved in 1866 to Indiana. (see account on **George**).
4. **General A. Jackson** was born in 1841 and moved to Indiana.
5. **Violette Jackson** was born in ca 1842 and named after her grandmother **Violette Forkner**. She 1850 Census lists her age as 8. She must have died young because she was not mentioned in her father's will.
6. **Susan Laura Jackson** was born in 1845 and married **Hugh Herring** Sept. 20, 1865. **William** left her \$1.00 in his will.
7. **Eliza Emmasette Jackson** was born in 1847 and married **Tip Johnson** May 5, 1868. See

account.

8. **Ellen Jackson** was born in 1848-49 and married **Joseph Carson**. No further information.
9. **Jacob Sidney Jackson**, born in 1846. See account.
10. **Mildred Jackson** was called "**Millie**" and was born in 1850-51. She married **James Michael Spainhour**, the son of **Charles** and **Pauline Aldridge Spainhour**. They were the parents of one known daughter:
  - a. **Pauline Aldridge Spainhour** married her cousin **Carl Spainhour**.
11. **Lillion Jackson** was born in 1850. She was not mentioned in her fathers will. It is believed that she was killed somewhere out west.
12. **Josephine Jackson** was born in 1852. She was listed on the 1860 census as being 10 years old.
13. **Flavius Jackson**, youngest son of **William** and **Celia**, was given the home place in **William's** will, provide that he stay at hone and take care of his mother. He died in 1893.

(Editor's Note: Children number 3 and 4 **George Andrew**, and **General A. Jackson** might be the same person.)

Dear Sir or Madam;

I am seeking marriage records for my great great grand parents, Addison Bennett Jackson and Matilda Griffith. I have the marriage bond on file at the recorder's office but no certificate yet. I believe they were baptists as Addison was baptized into that religion in Grayson County Virginia. Is it possible to locate the churches in Surry County in 1833 and where information from their records is stored.

I am sending a SASE for your convenience. Thank you for your time. I am a member of the Surry County Genealogical Society if that is needed.

Sincerely  
Clyde L. Jackson

area. SCGA had hoped to publish a book on the churches but we have not proceeded to do so at this time.

We wish we could help you with the church records. We suggest you put a query in our journal and hopefully someone will have this information. There has been a lot of Jackson research done in Surry County but the families were mostly in the Westfield/Pilot Mountain area and were Quaker families.

Good luck with your research. Please write if you need further assistance.

# Memorial Day Memory Shared

Sue Jackson Hardy sat back at her home on Grace Street and re-read the letter that she has had in her possession for the past year. It was sent by Verlyn Hofer of Lennox, S.D.

Hofer writes the letter to his war-time buddy, Randall Jackson, who was killed on March 23, 1945, while serving in Germany. The son of the late Mr. and Mrs. R.H. Jackson of Westfield, the Surry native was a brother to Hardy and Faye Christian of Westfield.

After the war ended, Hofer returned to his home in Lennox where he later owned a newspaper.

Hardy said she and her sister refer to the letter and cherish the memories. "We thought it would be appropriate to share on this holiday weekend," she added.

"It's Memorial Day again Randall, and as has been the case on so many previous Memorial Days these past 55 years, I am thinking of you. Memories of those few short months that we were Army buddies flash before my eyes and it really doesn't seem so long ago that we shared those precious moments of our youth which were in almost constant danger of being stolen away.

"Although you were from North Carolina (down south) and I was from a state up north called South Dakota, we discovered we had much in common. We both had parents and family who loved us very much. Our mutual goal was to

survive a war we did not relish and return home. I remember well how neither of us claimed to be a gung-ho soldier but considered it our duty to perform those tasks we were assigned. Sure, we were scared sometimes, but we somehow knew that country, duty, honor were important. And loyalty to one another was so very important; this we were sure of.

"Because you were from the South and had the same last name as that great Confederate general, all the guys in our squad called you "Stonewall". I don't know if the famous general was a good story teller but I recall with delight the way you would tell some silly little stories. Just listening to that Carolina drawl and watching you laugh at your own jokes evoked laughter from everyone in your midst.

"Of course, all our shared experiences were not funny but most were tolerable. Sea voyages, riding in box cars in the dead of winter, standing outpost duty and trying to keep our feet warm those cold nights in Alsace, manning roadblocks and foxholes, and going on patrol at night were all part of a war we did not fully understand. But we took it in stride, somehow knowing that there would be even more memorial moments just ahead.

"Then there was the big push and our company jumped off with the rest of the battalion to punch a hole in the Siegfried Line. Where we were, you and

I, assigned to watch for an expected German counterattack. I remember well standing close to you as we peered from the large portal of the bunker we occupied with other members of our squad. And I remember so well the sound of that incoming shell which was about to explode very close to where we were standing.

"In that split second before the explosion, you jumped in one direction and I in another. Forever frozen in time and in my memory is that moment after the dust had settled that you, Randall, were lying face down on the floor of the bunker... and you weren't moving. No one wanted to believe it, but a small shell fragment had hit you in the back, and I had lost my closest buddy.

"That moment the reality of war became loud and clear to me, never to be forgotten, although so many years have since passed. Also never to be forgotten (and for this I want to apologize to you, Randall) is the harsh memory of not even having-or taking the time- to properly say goodbye to you on that chilly March day in 1945. We, your buddies, just cowered in fear, hoping the next shell didn't get us.

In remembering you, Randall, I remember a war which was not of your doing or liking, but when your country called, you answered that call to duty. I don't know if you ever fired a shot in anger- it makes little difference. What was and is im-

portant is that you were loyal to your country and your buddies, and being so, you made the supreme sacrifice.

So many times I have asked, "why you and not me?" Why did I escape from that inferno of terror in that German man village of Stienfeld, in spite of injuries sustained there? Why was I, and not you, granted these many years and blessings of wife, children and grandchildren? As I ponder these questions there are few clear answers revealed to me but through faith (which we shared) I am assured that some day I will be given these answers in the presence of the Lord with you.

"Oh yes, Randall, I want you to know that I did get to North Carolina once to visit briefly with your parents and sisters. They showed me where your rest in peace near the local church. Most likely you know this because your parents have since gone home to be with you. Well, old buddy, I just want you to know I am thinking of you this Memorial Day. But I guess I shouldn't say "old buddy" for to me you are forever young \_ just as we were when, as a couple of 19-year-old GI's, we were thrown together for a short time and found that we had much in common. Today, I will salute you and remember you \_ I promise.

Your buddy,  
Verlyn

Dear Sirs:

I am seeking information about my great great grandfather A.B. Jackson. I believe that he may have attended a Baptist church from the time of his birth until his marriage in Surry County. I know when he moved to Virginia he was baptized in one. I would like to know if there is any information on churches, particularly Baptist churches, in Surry County from 1810 to the mid 1830's. Maybe later. I know he moved to Grayson County Virginia in about 1837. If you don't have any information on these churches, is there some place that may have that information.

Thank you for your help and time. If you need to make copies please let me know the fees and I will forward payment.

Sincerely  
Clyde L. Jackson

Dear Wilma;

I don't know what part of the county Addison was from at this point. I know he was married there the first time in 1833 to Matilda Griffith. I also know that a man named Tucker (I believe initials to be C.B.) helped guarantee the marriage bond. There isn't a signature of the county official who attested to the bond, but the copy I have came from the County Clerks office in Dobson. I also know the oldest daughter, Elizabeth, was born in Surry County. About 1835 the family moved to Grayson County Virginia. From Virginia he moved to Bath County Kentucky and lived in the same area until he died in 1890. His obituary states he was born in Surry County North Carolina in 1812 but that is the only reference to his birth place I have found. I also know he was a devout baptist from his obituary. Because he was baptised in the Fox Creek Primitive Baptist Church I was hoping to find a church in Surry County with records going back that far. I am also going to look at census records for a male about the right age. Addison is the person that has taken a

long time to find information on.

I am looking for something that may be a clue to follow. He was listed as a blacksmith in the 1850 Grayson County Census. I believe he would have done an apprenticeship in someones blacksmith shop for several years in his youth. Maybe he was still an apprentice ~~in his~~ till he turned twenty one. He was twenty <sup>one</sup> ~~two~~ and so was Matilda when they married. There is no record of the wedding so I believe it was performed either in the home of one of their parents or in a church. In either case the minister didn't register the marriage at the county level. The wedding could also have been performed at the home of a relative or friend. At this point I am in the process of gathering clues that I need to look at when I am able to go to North Carolina, Virginia and Kentucky to do research.

Thank you for the offer to put ~~on~~ a query in the journal. There is one archived in 2000 from the search I began at that time. So far I haven't gotten enough information to update it. I should most likely take a trip out to the areas I need to search and look through some files myself.

Thank you for your help and time. Should you find any information on Baptist Churches in Surry County between during the late 1700's to early 1830's please let me know. Any clue is worth ~~your~~ pursuing.

Clyde,

Here is a little info I found while trying to find Aderson (Addison) Jackson in Surry Co. No deeds found in Surry Co., NC. He was not found in Surry records during 1833-1840. In looking at the 1830 Surry Census a Sarah Jackson was listed with two sons, age 15 to 20 (if Addison was born in 1812 he'd be about 18 at that time). She was a Jessup whose father was Joseph Jessop per his will. I think Sarah's husband was Samuel (possibly his 2<sup>nd</sup> wife). They were Quakers. Sarah was b. 20 Aug 1764. Also Jason Jackson had a son age 20-30 in 1830. Could Matilda be the dau. of Daniel Griffith? An Aleson Jackson was bondsman for James Sisk and Nancy Row in 1850 in Surry. Addison was still in Grayson Co. in 1850 as a blacksmith. In the 1835 Tax List A. Jackson is found on Lovills Creek next to Jesse Roberts. This A. Jackson could be Amer or Amos Jackson. He would have been in the Hollows District which is where the old Stuarts Creek Primitive Baptist Church is located. Most of the Jacksons were in the Westfield area and later Stokes Co. area.

Wonder if this family could be related to Addison and Matilda Griffith Jackson? The history is in our heritage book, vol. II. Some of the names are similar and occupation is the same. William Martin Griffith b. in Surry in 1834, son of Samuel E. and Sally Poor Griffith. William was a blacksmith, owned a country store... One of his sons also named William Martin m. Nannie Louisa Matilda Jackson. This is another Jackson/Griffith marriage. The submitter of the history was James Jackson Griffith, Jr., 4404 Timberlake Lane, Kingsport, TN 37664. Do you think it worth a try to contact him?

Of all the information that has been written about the Jacksons, I can't believe his name has never appeared. I don't expect any of this has helped in any way but thought I would send it to you anyhow since you had sent us a return envelope. It still might be worthwhile to send another query for our journal since we now post them on our web page. Hope you find some answers soon.

I am seeking information about an apprenticeship my great grand father would have taken. The 1850 Grayson County Census lists his occupation as a Blacksmith. I know from taking an apprenticeship, records are kept now and schooling is required. I don't know about in the 1800 apprenticeships having an academic curriculum but I know several years of experience would have been required. Do you know if there is any where in North Carolina where records for an apprentice from about 1820 to 1834 might be found if they exist.

Any information you may be able to provide will be greatly appreciated. Please let me know if there are any copying or search fees associated with this query so I can forward payment. I have enclosed a \$ASE for your convenience.

Thank you for your letter dated April 14, 2002 regarding apprenticeship records. All NC counties have apprentice bonds. They are at the NC State Archives. Per Judy Cardwell, SCGA President, they have bonds for the years 1779-1921. We do not know about the apprentice records in Virginia. You can write the Archives at Department of Cultural Resources, Div. of Archives and History, 109 E. Jones Street, Raleigh, NC 27601-2807.

Hope you get some results from the Archives. If we can help further, please let us know.
