JOKES

Grace V.

Just say it word me
I can't let it say
"say!"
Geneva B

So I am always the
same "jimmie".
I'm walking on air
when all friends like
you - still

Like, work Love, S. H.
May she grow "in grace,
and wisdom and
knowledge!" O. Good

I wish that you several
had a subject under me
and then I know we
would have a big time time

Always remember
the Banquet of 1930.

Zella S.

Remember the Class
of '30.

Lacy

Remember "George"
and the Black crow
Kate.

Remember well and don't
forget the Senior of '30

Alas Love

on this page & on this
spot I write these words
I or-get-me-not Remember.

I hug the memories of the
days gone by -
when we were pals
and schoolmates -
you and I -
growing row old, along
with me -
and see the best that's
yet to be -
Essie
