MESSAGE FROM THE PRESIDENT

Greetings and welcome to the Follies!

The members of the Mount Airy Woman's Club have seen a need in our community and through the production of the 1961 Follies we are seeking to initiate a plan of concerted effort that will meet that need and thereby make our community an even better one!

We feel that the wonderful spirit of cooperation we have received proves that you, too, are interested in this long range project of obtaining for Mount Airy a new Library Cultural Center. We are indeed grateful for your support, and we hope that through your continued interest and enthusiasm, this dream may be realized in the not too distant future.

Since 1947 Mount Airy Junior Clubwomen have been vitally concerned with community progress and have actively engaged in giving their services and support to many worthwhile projects. Some of these include the Adult Reading Classes, Children's Clothing Closet, Youth Fitness Program; our participation in such activities as United Fund, "Get-out-the-Vote", School Study Committee, Empty Stocking Committee; our support of the Y.M.C.A., the Foreign Student Exchange program, the North Carolina Little Symphony and the newly formed Emergency Rescue Squad. We have also contributed books and other aids to local schools, park recreational facilities and hospital equipment. We have sent several worthy children to camp and have helped talented young people receive scholarships granted by the North Carolina Federation. We are proud of these and other accomplishments in the interest of our community.

We love Mount Airy--and it is to YOU---each and every citizen, young and old, that we dedicate our performance tonight. May it be a night that will be cherished among our fondest memories.

Sarah Lee McGee

GENERAL CHAIRMAN'S MESSAGE

Welcome to the Junior Woman's Club Follies of 1961. With a great deal of pride, we present our Follies to you and hope that it will be an evening you will enjoy and long remember.

We hope each of you will receive a double measure of enjoyment from our show by knowing that you have helped us to raise funds to be used in erecting a new Library Cultural Center for Mount Airy. The aim of the Juniors is to serve the community; our desire is that you will continue to feel that our work merits your support.

Special thanks go to our many patrons, advertisers, and friends who have so generously contributed their time, talent, enthusiasm, and financial aid necessary to make the Follies a success.

Curtain time! The show is on! It has been a pleasure bringing the Follies of 1961 to you!

Nancy Belton

DEAR HONEY:

Thanks a million for putting up with me these past weeks. I hereby resolve to:

Always be home when you get there.
Always have a hot meal ready.
Always take care of the kids.
Never interfere with your night with the boys.
Never make you drive me to rehearsals.
Never be on the phone for hours.
Always be ready to stay home and watch TV or play bridge.

Your loving wife,

"ME"
