Description of Building _____

CAREFULLY EXAMINE ALL OFFERS.—Variance of specifications, freight, delivery conditions and other stipulations are of frequent occurrence and materially affect the price.

CONDITIONS.—Prices subject to change without notice and this offer subject to our acceptance of your order or contract. All agreements contingent upon strikes, fire, accidents or any cause not within our control. We are not responsible for damage to material in transit unless special insurance is effected, nor for cleaning of glass, nor for breakage of glass or damage to other material when not caused by our own workmen, (regardless of specifications to the contrary) except as specifically stated herein. Errors of extension or omission subject to correction.
