*"Be still and know that I am God,"
When aching burdens crush thy heart,
Then know I form thee for thy part
And purpose in the plan I hold.
Trust in God*

*"Be still and know that I am God,"
Who made the atom's tiny span
And set it moving to the stars above
Will guide and keep thee in my love.
Be thou still.*

I'm Doing Fine

Don't worry about me
family and friends, weeping and caring
I'm rejoicing with Angels and I'm doing fine
My body was getting tired and now it's resting
so keep smiling about the blessing because,
I'm doing fine
God saw my pain that I keep inside and whispered
with his soft voice
"Come on home My child you're gonna be fine"
Everyday I made preparations because,
God was preparing me for the great Celebration.
I'm home in this beautiful place and I'm doing fine.
Remember me with The Big Smile,
unconditional love and a Heart of Gold.
And if you order your steps and start living right
in God's eyes, one day you will all be doing fine.

Thank You

The flowers that you sent that day,
The card you mailed along the way,
The service you stopped by to render,
The gift you brought with thought so tender,
The prayers you said which played a part,
In easing the pain that was in our hearts,
Each helped us to find that strength to bear,
The loss of the one we held so dear.
It was to us a great comfort indeed,
To see you in time of sorrow and need,
So from our hearts which you tried to help mend,
We thank you sincerely again and again
For being such wonderful friends.
