Mr. S. A. Moir,
Francisco, N.C.

Dear Sir:-

We are enclosing two post cards which are having tremendous sale wherever introduced.

The **Greeting Card**, on account of its distinctive local appeal is particularly fast selling, and besides the inscription of "**Greetings from**" can be assorted to the hundred, such as: "**With Best Wishes,**" "**From a friend,**" "**To my Sweetheart,**" etc.

They are packed thirty beautiful floral designs to the hundred.

The tinseling is all **expert hand work.**

They are often sold at 10 cents but pay over 100% profit at five, our price being **\$2.30 per 100 including envelopes, postage pre-paid.**

The **Leap Year Beau Card** is also an enormous seller. The price is **\$2.50 per 100 including envelopes, postage pre-paid.**

As the amount is small, if you have no account with us, we suggest that you forward post office or express money order, or check, to avoid delay in shipment, as some delay is necessary in looking up references, which we require if order is to be shipped on open account.

Very truly yours,

Dict. ABB.

SOUTHERN BARGAIN HOUSE

P. S. - - In **trial** lots of 50 the price of the tinseled cards is **\$1.45 including envelopes, postage pre-paid.**
