Office Personnel

This elite group of people are vital to Copeland's environment. They work tirelessly to make sure we have the instructional supplies that are needed to teach our students and stand ready to assist not only our students but also our parents. Our faculty and staff are informed daily on what to expect for that day. Students' information is kept accurately and confidential.

Tracy Pendry-2000-2001- Teacher of the Year

Mrs. Tracy Pendry teaches fifth grade at Copeland and was chosen Teacher of the Year because of her dedication and enthusiasm for her students. She makes learning fun and exciting. She includes all of her students in class activities.

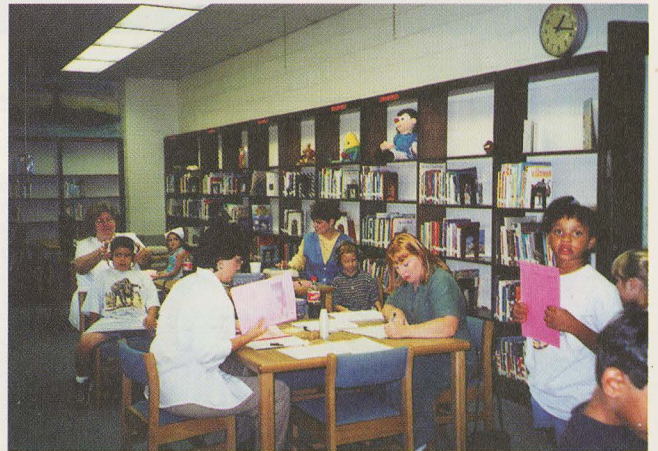

Mrs. Tracy Pendry and her husband, Michael live in the Siloam community. She is active in the Extension Homemakers. We are very fortunate to have them in our community and in our school.

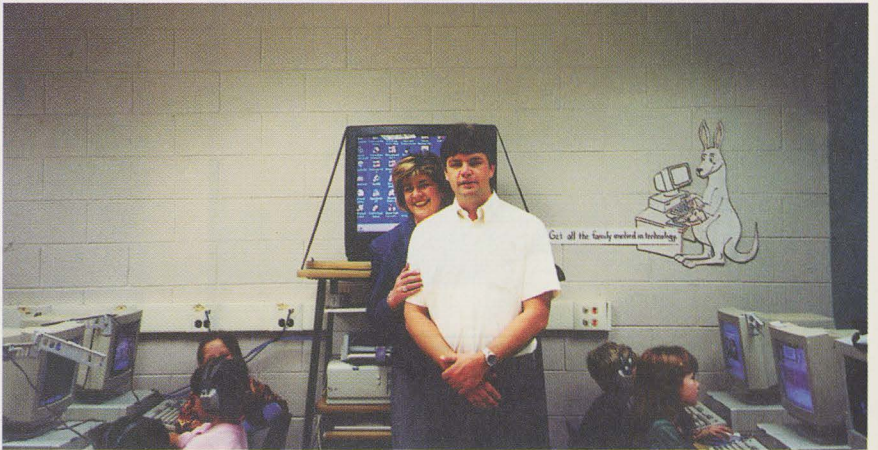

Getting our school family to school promptly and safely, then returning them to their homes, feeding our students a well balanced meal, keeping our school clean and presentable, checking our records to make sure our vaccines are up to date and keeping our computers and curriculum up to date are all very important jobs. We give each one of you a great BIG THANK YOU.

These people are Joyce Key, Benny Haynes, Fayrene Doss, Betty Bodenhamer, Kim Danley, Becky Marshall, Tina Howlett, Sharon Wilmoth, Cafeteria Manager, Shirley Shinault, Becky Marshall, Nellie Tilley, Angela Shinault, Joyce Key, Darla Jordan, Ray Shinault, April Chilton, Kristi Calton and Robert Tickle. Thank you again for all your hard work and dedication.

32 Students in Miss Wolfe's class are putting their thinking skills to work.

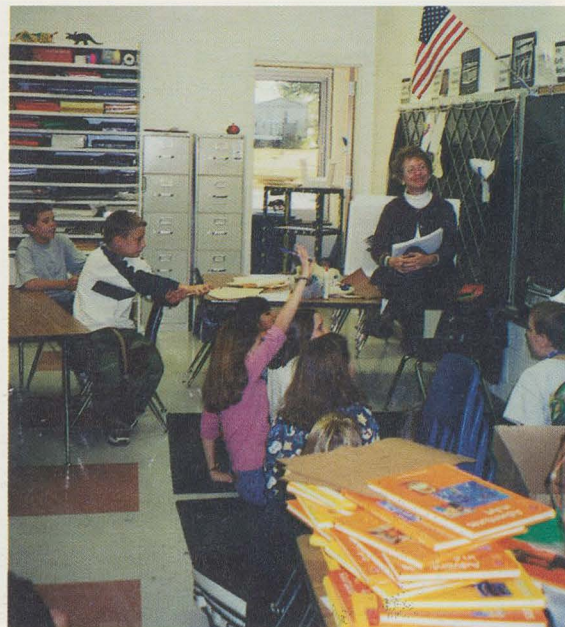

Mrs. Altic enjoys teaching art.

Art-Mrs. Pat Altic

Fifth graders are being introduced to cultural arts. They learn different types of architecture. Drawings from the board give the students a visual picture of what each structure looks like. Mrs. Altic teaches the students about the artist and his interest in an honest expression of the building's purpose. Questions are answered at the end of each session.

Instructions are being given.

Students volunteer their talents.

Computer Specialist Gaynell Lewis

Mrs. Lewis has been dedicated to Copeland for twenty-seven years. For the past nine years, she has taught computer technology to the students.

All the skills and activities that are learned in Computer Lab can be incorporated at home.

A big thank you for all her hard work and patience in working with our children.

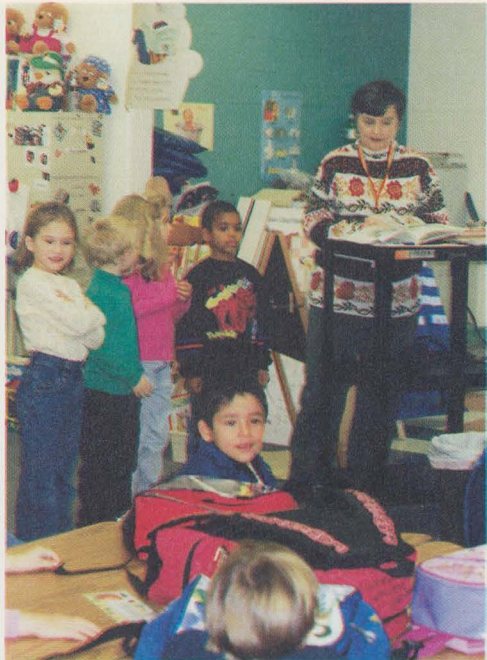

Teaching spreadsheets and database.

Individualized help is necessary.

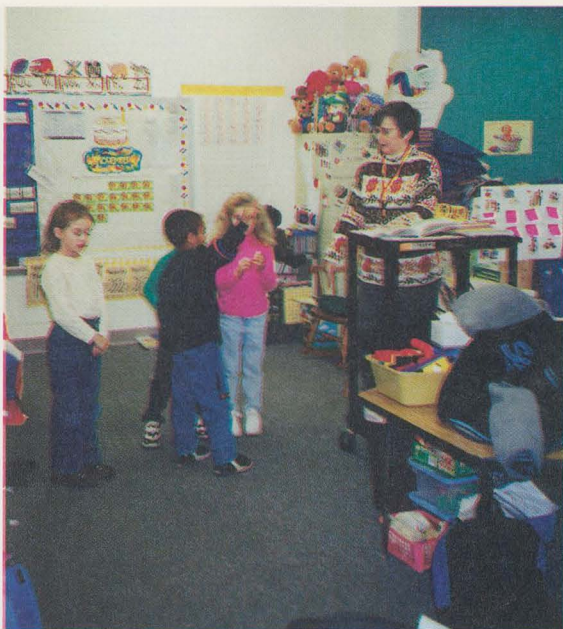

Students are excited about our new software.

Mrs. Linda Wallace doing her daily tasks.

Guidance Linda Wallace

Mrs. Linda Wallace works with our students in a classroom setting as well as individually. She is always willing to listen and give professional advice. Our students feel comfortable talking to Mrs. Wallace. She is also instrumental in organizing our test data. She is always fair and honest in her dealings with our testing. We feel fortunate to have her at Copeland.

Learning character traits are very important.

Good behavior gets rewarded.

Media Specialist Mrs. Chamberlain

Mrs. Chamberlain is our new Media Specialist. We are very pleased to have her at Copeland. She makes sure the students learn the skills they need as they use the library facilities.

Students at Copeland are very fortunate to have access to a good Media Center.

Mrs. Rana Chamberlain

Finding new books is very exciting.

The book fair was a huge success.

So many songs and so little time.

Music Mrs. McCarther

Mrs. McCarther teaches many children how to express themselves through all types of music. You never know, she could be teaching a future professional musician. When you look at the different faces below, you could be looking at someone famous.

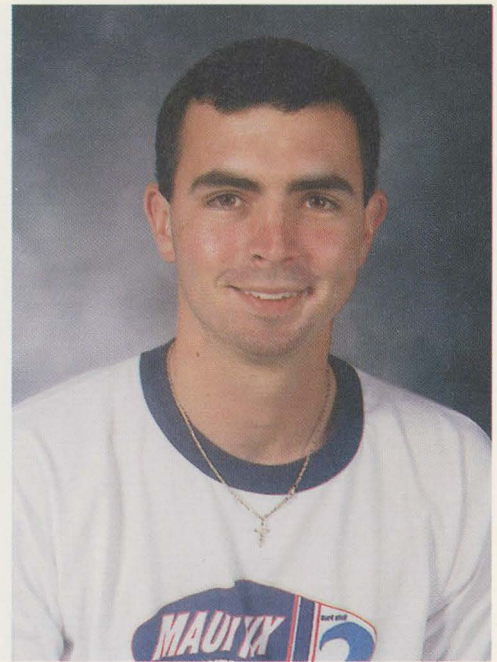

In this class, students can be vocal.

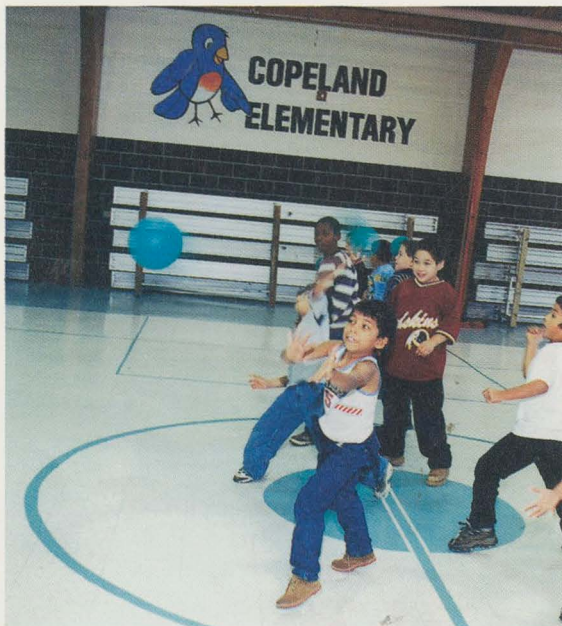

The skill of reading music and it's rythmn.

Physical Education Mr. Sean Joyce

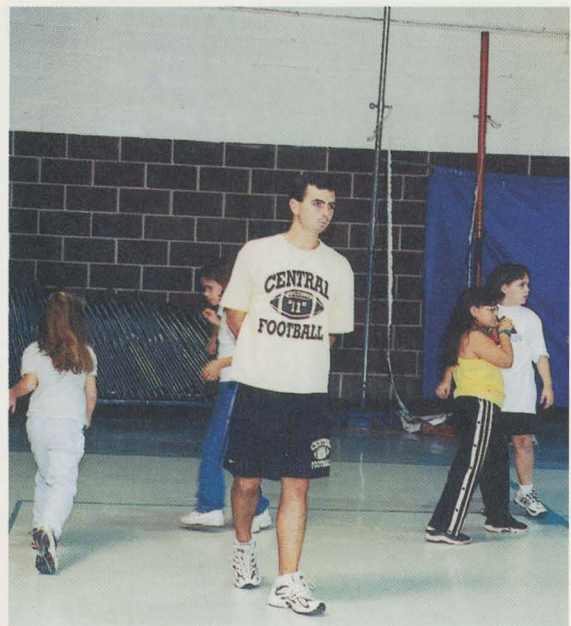

Mr. Sean Joyce is new to our faculty and staff, but not to Copeland. He attended school here himself and is very excited to be back as our P.E. teacher. He has worked hard this year to make sure our children have fun, stay in shape, and learn new skills.

P.E. - Learning made FUN!

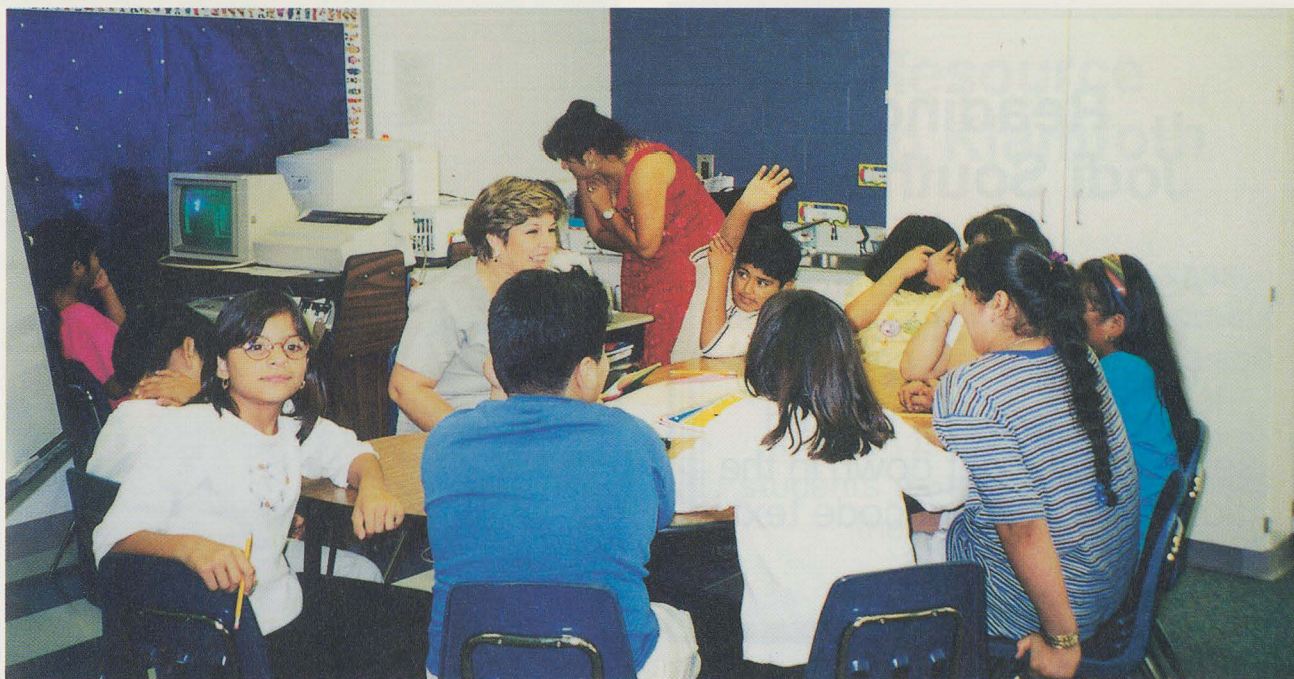

Various activities are done in P.E. class.

Mr. Joyce checks things out.

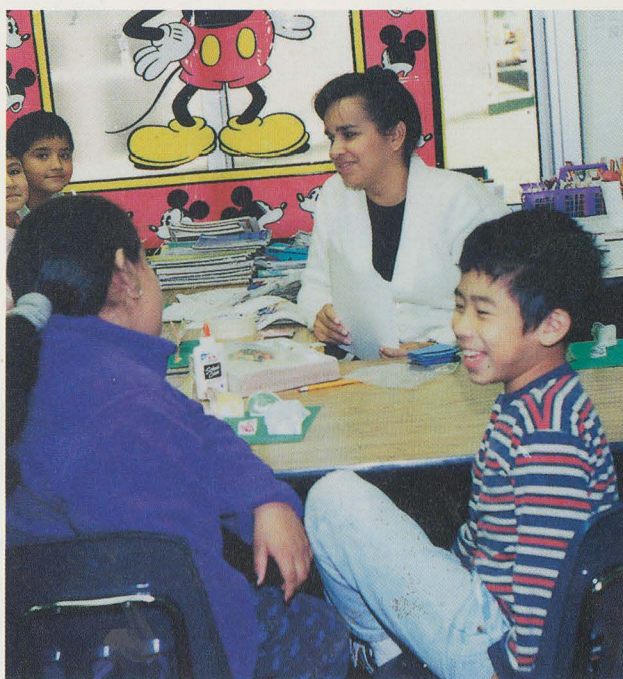

ELL- English Language Learners Program

This is Mrs. Torres' first year at Copeland. She is doing a great job working with the Content Based Structured Class.

Mrs. Bustamante always has a smile while working with her students.

Mrs. Rios is working on a fun project with the Transitional Class.

Reading Jodi Southern

As students travel from station to station they experience reading in a comfortable and relaxed setting. They get down in the floor to analyze, decode text and words.

Speech Margaret Carter

Students are always ready and eager to learn how to enunciate their words. Mrs. Carter finds new ways and games to make this fun. There's always a smile on their face as she leads them to her classroom.

Resource Ann Klamfoth

In Mrs. Ann Klamfoth's class, students enjoy learning to create interesting stories and increase their vocabulary. Individual attention is important to these students as they edit the stories they have written.

Resource Beverly Vernon

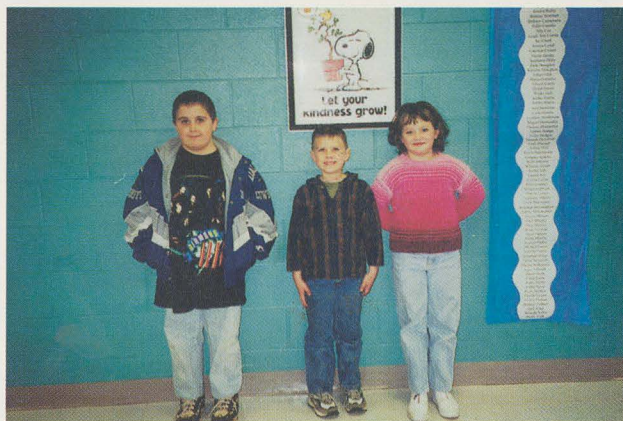

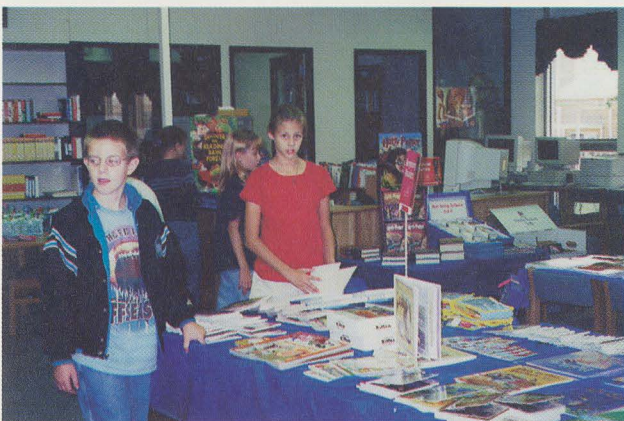

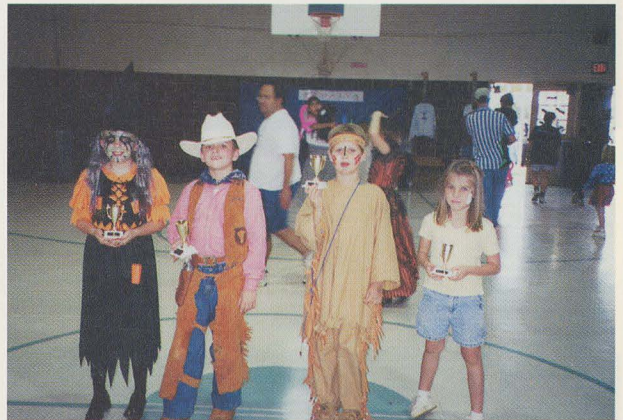

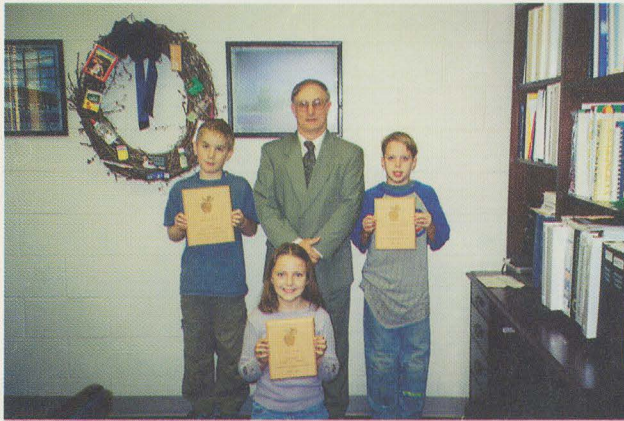

Students take turns solving math problems on the dry erase board. Mrs. Vernon uses various games and activities in order to keep the attention of these first graders. Hard work is rewarded as they learn new math skills.
