Keep us, Oh God, from pettiness; Let us be large in thought, in word in deed.

Let us be done with fault finding and leave off self-seeking.

May we put away all pretenses and meet each other face to face. May we not be hasty in judgment and always be generous.

Teach us to put into action our better impulses, straight forward and unafraid. Let us take time for all things; make us grow calm, serene and gentle.

Grant that we may realize it is the little things that create differences, that in the big things in life, we are as one.

And may we strive to touch and to know the great common woman's heart of us all.

And O Lord, let us not forget to be kind.
