

1947 Statement

**HARRISON MUTUAL
BURIAL ASSOCIATION**

INCORPORATED

MOODY
FUNERAL HOME
Mount Airy, N. C.

THIS YEAR MORE THAN EVER BEFORE!

Your burial association has proven its usefulness to the community, has proven itself worthy of the continued confidence of an ever increasing number of people.

A careful study of the financial condition shown on back of this folder will show a financial condition of strength and stability. Even a casual glance at the list of members on whose account benefits have been paid will indicate an even wider appreciation of its services.

The cost of membership in this association is the same now as it has been in the past year . . .

A member under age ten pays.....10c each quarter or 40c per year

**A member over ten who joined
before age 30 pays.....20c each quarter or 80c per year**

**A member who joins after 30 and
before age 50 pays.....40c each quarter or \$1.60 per year**

**A member who joins after 50 and
before age 65 pays.....60c each quarter or \$2.40 per year**

The joining fee still remains at 25c per member.

The steady growth of this association is directly attributable to the pride each member has in the association. Many of these members have been responsible for a neighbor or friend joining the association and as a result, the growth of your association has been consistent.
