RE: G. L. Lockhart #3097.

Dear Sir:

Your letter January 15th quoting your attorney
in the above case.

We enclose list of material furnished to Lockhart
and would very much like to have the cuts, etc. as covered
by the first part of our list returned to us, we are not so
much concerned about the drawings etc. listed in the lower
portion.

Please do your best to have these returned to here
we of course will be willing to pay a reasonable amount to
cover the time of locating them.

Yours very truly,

North Carolina Granite Corporation
