P.O. Box 767

Dear Sirs;

We the signers of the petition would like an explanation for the reason the Recreation Center is opened only three days a week and sometimes on a more loose schedule? We would also like to know why there are not more inside games? We feel the recreation supervisor is not doing his job. He opens the center when he feels like it and not on the few nights which are assigned him.

We would like the situation changed immediately. If possible, we would also like the use of the center during the day. We feel it is unfair for the center to be closed to Urbana because of one child attending the Day Care.

Enclosed is a list of the children of

Urbana whom would like changes made  
in the present schedule.

Cordially,  
Urbana 4-H Club  
Mrs. Sylvia S. Carter  
4-H Supervisor
