We saw your surname card on the Cadle family at Surry Community College library in the genealogy research room. We are sending you some names and addresses of other Cadle researchers of Benjamin and Zachariah Cadle. You might wish to write them to see if they can help.

Also enclosed is a bit of info that was printed in a local paper called "Simple Pleasures" back in June-July 1993. It may be of some help.

We are sorry that we cannot help with linking the Zachariah's and Benjamin Cadle to David L. Cadle. We suggest you send us a query to print in our journal. Information is enclosed.

If you feel we can help you with other questions, please write us. Good luck with your research. If you find the connection between these families in Surry County and David L. Cadle, we would love to have the information for our family files. Family Group Sheets or Pedigree Charts would be great.

the Cadle line and my ⁹⁹grfa. was Mark - I
 need to know who his father is. Maybe
 James as there was a Mark & James living
 together - but my grmother was Susanna
 Cadle Huffaker & she was born 1793 N.C.
 Her fa was Mark so he would be born
 (Ca 1765) Do you have anyone there
 who does research? They owned land
 on the Fisher River but this goes back
 to The early 1700's -

Dear Ms Overton,

I picked up the bottom half of your letter to the Surry County, NC Genealogical Association to answer as I knew of another Cadle researcher. I do not know what was on the top but I imagine someone used it for some purpose.

The researcher is Mrs. Shirley Liebrecht, 12131 W. Wren Ct., Milwaukee, Wisconsin 53225. She is researching Benj. Cadle and his son Zachariah. I have just sent her some tax data and other items including an estate sale in 1771 for Zachariah Kadle in which Jean Cadle bought a bed and bolster. I also told her that an Andrew Cadle and his wife Jean appears on deed records in Orange Co., NC 1768 & 1770. I do not know if the Jean in Surry Co. is the same but many Surry County people were from Orange Co., NC. It might be worthwhile just to check those records.

I only have one book on Orange Co. deeds so I could not check to see if Andrew and wife Jean appears later in Orange to rule out it being the one in Surry. I know you didn't mention a Jean Cadle in your letter but there were so few Cadles here it would be wise to research them all. I don't have anything to indicate where the Cadles came from, it is just a long-shot.

The name Cadle here is spelled in records: Cadle, Cadel, Caddle, etc. and Also Kadle, etc. and Kettle/Kittle. This might be of some help to you to know this if you don't already.

I found Mrs. Liebrecht's Zach. Cadle in two separate estate records in the archives under Cadle and Kaddle/Kedde.

I know you can get references to Mark in the deed index and may have Mrs. W.O. Absher's deed books but if not, I found the following: Deed bk "D" page 396: 1 Apr 1788..Benj. Cornelius, Greenville Co., South Carolina, to Thomas Ball, 100 pounds, 200 acres Beaver Dam Creek of Fisher's River BEING PLACE MARK CADLE FORMERLY DWELT adj. Joel Mackey & Elijah Gillaspy. Wit: Joseph Login, Elijah GLASPY, and John (x) Rabon. Signed: Benjamin (x) Cornelius. (Gillaspie & Rabon/Rayburn is one of my lines.) Since names in a document doesn't appear in the index I thought if you didn't have this you might like to.

I knew I had nothing to help you except I gave your name and address to Mrs. Liebrecht. If you don't hear from her in a reasonable time I suggest you write to her. If you are working on two separate lines you should still run across data that will help the other. I maintain a surname file and the two of you are all the researchers I have working on the Cadle family.

I am enclosing some flyers to explain some Surry records some of us have done and we are currently working on others so my time is limited and also in case some of the books might help you.

Wish I could be of more help but if I run across something I will try to get it to you and Mrs. Liebrecht. Good luck in your research,

Agnes

Do you have the historical map by Fred Hughes on Surry Co? I always tell people of it because it has been so much help to me. I can get you a map and index for \$5. The enclosed flyer will help explain the value of the map. I only find Cadel Creek and Benj. Cadle (1780) in the index but it helps with locations in old Surry also.
