Gents: I Rec'd your Invoice for Pot. but have never
Rec'd Pot & hoped I will not at that price I only
asked you to Ship them if you had them at a
good price & you must be well enough posted
to know that. That is not a good price Lexington &
Winston-Salem are only asking 185 So you see I could not
handle them at that price. Yours &c W. H. R. H.
